

Outrigger Golf Tourney

By Hal Mehlberg

It was a memorable day for Outrigger golfers on May 23 at Leilehua Golf Course. It was fitting since this was the start of a long Memorial Day weekend. However, the reasons are somewhat different.

The weather was super. The course was in excellent shape. There were 58 golfers, including 12 lovely ladies.

And then, there was Bill Capp. He had his lowest score since a heart attack over a year ago — an 83. And with his net 66 (one of the lowest nets of the day), he was low gross and low net in the B Flight. And, he was closest to the pin on the 12th hole.

Julie Brooks will remember the day because she shot a fine 88, low gross for the ladies. Her dad, Wendell, was very proud when he heard she won a trophy.

On the other side, Archie Kaaua will remember the day by four putting on the 18th green and losing to Colin Chock. Paul Slater will try to forget taking an 11 on one hole after getting into tree trouble.

Many thanks to the Golf Committee — Frank Walton, Bill Capp, Ralph Cook and Jim Hammons. Frank was especially helpful by getting all golfers out and compiling the results.

The next tournament will be in early August at the Navy-Marine Course. Look for the notice in the Tunnel when the date is firmed up and then sign up at the Front Desk.

ACTION '86

Action/Auction 86 is shaping up for October 3. Do you have a good but extra poi pounder, feather lei, etc.? The theme of this year's event is "Hawaii Then and Now."

The Auction committee is looking for both old and new Hawaiiana items, including koa bowls, picture frames, canoes and more.

Proceeds from the Auction will go to the Outrigger Duke Kahanamoku Foundation which helps Hawaii's young athletes further their competitive skills.

Contact the Committee about your donations by leaving a note with your name and phone number at the Front Desk.
