August Golf Tournament another Great Success

by Bill Capp

Golf Chairman Frank Walton and his committee staged another fine tournament at Kaneohe Marine Corps Air Station on Friday, August third with over 100 golfers enjoying a great day.

Since Frank took over as Golf Chairman, participation in Outrigger Club tournaments has dramatically increased from some 35 participants to more than 100.

Development of rapport with the military and making arrangements for the Outrigger tournaments to be held at the military courses has been a major achievement of Walton's committee. Military regulations require that each foursome be sponsored by a member of the military. Walton is a retired Marine Colonel as is committee member Alex Wilson. Thus, the two Marines can talk Navy/Marine lingo to the Kaneohe Marines and the Navy/ Marine golf course officials. Retired Air Force Colonel William Capp maintains liaison with Hickam Air Force Base while committee member retired Army General Jim Landrum keeps in touch with the Army. Committee members Hal Mehlberg and Gene Long locate trophies and arrange for posters.

All committee members see that every club member is notified of every tournament and given an opportunity to play whether a single or in their own foursomes.

Those of you who have played in the tournaments are aware of the tremendous amount of work involved in putting on these events. Committee Chairman Walton is so busy that he has not had time to play himself. The liaison with the courses, checking final arrangements, making up foursomes, taking care of stragglers, handling the paper work goes on continuously while play is in

The Club membership owes a huge Mahalo to Frank Walton and his hard working committee for having made our Club Golf tournaments major events on the Club's athletic calendar.

Sixteen wahines were included in

the more than 100 participants in the August third tournament. Pam Anderson shot a steady 82 to take the Ladies Low Gross trophy over Cecelia Maxfield's 89. Cecelia won Low Net. Pam also won Longest Drive while Kay O'Donnell was Closest to the Pin.

Wally Fleischaker fired a fine 77 to win the Men's A Flight Low Gross, nosing out Robert Neville and Dick Blanc who were two strokes back. Neville had Low Net.

Roy Kesner, Ed Hustace and Al Goldman tied for B Flight Low Gross at 91. Hustace took the Low Net trophy. Kesner won the toss for the first place award.

Another three way tie for Low Gross in C Flight saw Lee Butterfield, Jim Landrum and Dick Millard knotted at 99. A drawing placed Butterfield, Landrum and Millard in that order. Bill Brand won the Low Net trophy.

Mike Dorsey had the Longest Drive for men and sharpshooter Santa Claus was Closest to the Pin.
