To fill the seats on the Board which will be vacated at the end of the present Club year, the Nominating Committee has chosen the following slate of candidates: Robert Neil Kashare; William M. Wilson; Benjamin B. Cassiday; Gordon W. Bradley; Nip Tong Akona; Charles M. Martin; Robert Louis Vieira; Ronald G. Sorrell\*; William C. Capp\*; Charles McCrary; Thomas A. Reiner; H.A. ## **First Annual Waikiki Ocean Paddleboard Race Sponsored by Outrigger Canoe Club December 30, 1978**

This new event was open to the entire community and was the first held under new rules: only one division of boards, no longer than 12 feet and no lighter than 20 pounds. The course was over 10,000 meters, starting at OCC-Colony Surf Beach; hence to a flag one half mile seaward; to the Diamond Head buoy; to the wreck buoy at Hilton Hawaiian Village; return to flag and finish at starting point.

The weather was clear and sunny with a brisk north wind about 10 to 15 knots. The seas were flat except for wind chop.

25 contestants started and 23 finished. First was Chuck Kelly, establishing a record time of 1 hour, 17 minutes, 2 seconds. He was followed by Dale Hope and Mike Fox.

Gay Austin was the lone wahine paddler, and first wahine ever to finish the race. Her time was 2 hours, 15 minutes, 25 seconds, establishing a record. Chuck Kelly, first place winner, is remembered as the runner up in the 1977 race in the surfboard division in a virtual dead heat with Grady Howe. Hope was the champion in the 1974 race in the stockboard division (now obsolete). Fox was first in surfboard in 1974. All four are OCC members.

Most noteworthy is the fact that Kelly bettered his 1977 time, even though the 1978 course was longer by 0.36 miles. He was the only paddler to accomplish this feat.

Refreshments at the Club followed the race

Race Director was Donny Miller, assisted by Cline Mann and Marjory Moore on the beach, and Wayne Faulkner, Kimo Dowsett, Mike Holmes, and Peter Balding as motor boat escorts.

*See page 2 for list of winners.*

They led the pack: (l/r) Dale Hope; Gay Austin; Chuck Kelley; Mike Fox.

Mary Guerrero

## Our New Maitre d'

Mary Guerrero holds the unique honor of being the only woman maitre d' on Oahu. She started her career here at the OCC, then left the Club briefly, to work at the Kuilima Hotel. On her return in 1975, she served as dining room Hostess. Mary says she feels quite comfortable with her step up the ladder. Dining Room Manager Jim Wells says that, her professionalism is hard to equal on or off the island.

By Gerry Senner, Swim Chairperson

Swim Clinic will be held on Sunday, Feb. 4, at 10 a.m., and on Sunday, March 4, also at 10 a.m. All Swim Clinics are held on the Club beach

## Do you know any of these clubs

The following clubs have expressed intrest in affiliating with OCC:

The University Club of Toronto, Ontario

The Lamplighter Club, New Orleans

Palm Beach Surf Club, Sidney Australia

If you have any information personally about any of the above Club's, the House Committee would be intrested in your comments. Many clubs have expressed intrest in reciprocal arrangements. We affiliate only when we have adequate and satisfactory information about a club. Your comments and opinons will be held confidential. Mahalo

The year was 1964. The Club had just moved to our new clubhouse and Cline Mann (at your left in the photo) was speeding young (17) Fred Hemmings, Jr., on his way to big time surfing competition in Peru. Cline was prexy then.

Agnes Kawaguchi

## Employee of the Year

Agnes Kawaguchi will collect the \$250.00 cash award as OCC's Employee of the Year 1978. Agnes has been with the OCC for the past seven years.

This award was initiated by the House Committee as an incentive to employees in 1977. Each month, nominations are sent in by the supervisors, and an employee of the month is selected and awarded \$50.00. The monthly winners become candidates for the "Employee of the Year" award.

Candidates are selected by the House Committee and the OCC's department heads. They are judged on their attitude, dependability, trustworthiness, and ability to get along with others.

This year's winner, Agnes Kawaguchi, is a worthy recipient of the honor. She is the supervisor and second cook in the Club kitchen, where she gravitates between baking, sauce making, and party coordination.

*The Business Office has no current address for the members listed below. If you know the whereabouts of any of them, please notify the club office.*

Intermediate: Charrone E. Beamer; Junior: Charles R. Coons; Non-Resident: Codie L. Carter; Richmond Jackson; Barbara M. Pope; George T. Pray; Colin K. Perry.

## Athletic Awards Banquet set for Friday, Feb. 26 You are invited

Ron Sorrell will MC the annual Athletic Awards Banquet this year. No-host cocktails at 5:30 will be followed by a buffet dinner at 6:30. Tickets, at \$6.50 per person, are available at the front desk.

For some ten years, this event, sponsored by our "Winged O" Committee, has been held to honor Club athletes who have excelled at their respective sports. Highlights of the affair will be awarding of the coveted "Winged O" to Club members who have been selected because of their personal achievements and contributions to our athletic program. Ron Sorrell calls it "the Outrigger Canoe Club's equivalent of the Medal of Honor".

You see strange things at Keiki Parties.

But when Santa arrives, as he always does for OCC keikis, everything else is soon forgotten.

## Membership Handbook

# It's NEW. . .It's REVISED and UPDATED ...and it's recommended Membership reading

When our 1978-79 Public Relations Committee was formed in March, 1978, under the chairmanship of M. J. Berenzweig, one of its stated objectives was to improve communications between our Directorate, our management and our membership at large. In furtherance of that objective, the Public Relations Committee undertook the task of revising and updating our Membership Handbook. It proved to be quite an undertaking, but as we prepare to go to press with this issue of *The Outrigger*, we are informed that the revised Handbook will soon be ready to mail to all voting members of the Club.

It was at first thought that the revised text might be published in full in the *Outrigger*, but that has proved to be impracticable. Instead, we are accompanying this news of the job's completion with selected sections taken from the book, most but not all of them revised and/or updated.

### INTRODUCTION

This Handbook has been prepared to help you, as a member of the Outrigger Canoe Club, to get the utmost enjoyment and satisfaction from your membership. It is intended as a brief guide for members who wish to participate in the physical and social activities of the Club.

#### • The Club Complex

Our present clubhouse and grounds were opened in January 1964. Designed by internationally recognized local architects, the complex has won several architectural awards and has been featured in national magazines. On its two-acre site on Outrigger Beach at the foot of Diamond Head, it provides superb facilities for numerous and varied social and athletic activities.

The original clubhouse was a grass hut on the beach in the center of Waikiki, about where the Outrigger Hotel stands today. (A comprehensive history of the Club's founding in 1908 and its growth over the years is contained in *The Outrigger*, an

illustrated hardcover volume published in 1971 and available for purchase at the beach Shop).

#### • Lobby

Heart of the Club Complex, the lobby is the main entry, the crossroads and the meeting place for members and their guests. The receptionist, front desk and registry are here. Club trophies and other memorabilia are regularly on exhibit. There are lounge facilities; current magazines; a bulletin board for current announcements; billboards announcing special social and athletic events; a telephone for members' use and an adjoining women's powder room. A security guard is on duty at all hours.

#### • Beach

Beach attendants are on duty during daytime hours, 8:30 to 5:50 p.m. Upon request, OCC beach attendants will provide umbrellas in the sand court, and back rests as available. Surfboards are available at no cost to members and at a nominal fee for guests. *Users assume full responsibility for damage or loss.* Qualified members may sign for surfing canoes, the Club's small boats,

Art by Leroy Neiman

and other sports equipment. Lockers for surfboard storage are available at a moderate rental.

- **Volleyball Courts**

Sand volleyball courts and gallery are adjacent to the top deck of the parking area. Rules for use of the courts are posted on site.

- **Beach Shop**

A selection of beachwear, swimwear, beach towels, suntan lotion, postcards, and other merchandise may be found at the Beach Shop located on the lower level of the Club near the entrance to the men's locker room.

- **Board Room**

The Board Room, where our Directors and committees hold their meetings, is on the lower level. Requests for official Club gatherings must be made in advance with the Executive Secretary. This room is available for adult members' use on a casual basis and can be reserved by any adult member for use as a special meeting place through the executive secretary. Private parties may be booked for this room with the maitre d'. Television is available in the Board Room.

- **Locker Rooms**

Locker rooms are located on the lower level of the Club. attendants are on duty during hours as posted in each locker room. Both daily and monthly rental lockers are available to members and guests. Adult locker rooms have saunas; exercise facilities are located in the men's room. Towels must be signed for and returned to the attendant. They may not be taken out of the locker. Junior members and children-*unaccompanied by an adult* are not permitted in adult locker rooms.

- **Moorings**

Boat owners may arrange mooring assignments with the beach captain. Rules governing the use of boats are available for the beach attendants.

- **Parking**

Limited parking facilities are available in the Club garage 6:00 a.m. to midnight. Members' vehicles must bear OCC parking decals which are available at the front desk. All vehicles without a decal will be charged the posted rate. Members expecting guests must notify the receptionist or the parking attendant and are responsible for the charge.

- **Private Party Facilities**

Accommodations for private parties may be arranged with the maitre d' or the Club manager. Exclusive use of the main dining room, adjacent private rooms, Hau Terrace, cocktail lounge, and Board Room is available by a Club member or members or a group sponsored by a Club member.

- **Charge System**

The Club operates on a charge system: *no cash and no tipping*. The servers receive a 15% gratuity on food and 10% on beverage which is added to monthly bills. Please take the top copy of your signed chit as it will help you to reconcile your monthly statement.

- **Miscellaneous**

An employees' Christmas fund has been established by the Board, with stipulated amounts for each membership classification. However, a member may contribute more or less than the suggested amount. If a member does not wish to contribute, the business office must be notified in writing by November 1. Otherwise the contribution is billed automatically.

No member or guests shall be approached on Club premises for business purposes except by invitation. No petitions shall be circulated, or subscriptions, funds or donations solicited unless expressly authorized by the Club bylaws. The use of the Club's name, stationery, address or telephone number for business purposes is prohibited.

The facilities of the Club are not to be used for any commercial purposes or for conducting any TV, radio, press interviews, conferences or professional photography except with the prior approval of the Club manager.

All members are responsible for their personal conduct and the conduct of their families and guests while on the Club premises or engaged in Club activities.

All complaints regarding Club services, breaches of normal social conduct or other Club matters are to be made directly to the Club manager.

- **Organization and Committees**

As a private non-profit corporation, OUTRIGGER CANOE CLUB management functions in accordance with recorded bylaws ratified by the membership. A copy of the Club bylaws is available to members at the front desk. Revisions must be approved by the Board of Directors and ratified by members at the Annual Meeting of the Club.

## HOUSE RULES (excerpts)

The Club by-laws empower the Board of Directors to regulate the affairs of the Club, set policies and establish rules of conduct on Club premises.
