Outrigger Takes Opening Double-Header of Distance Canoe Racing Season

by Jerry Ober

The 1977 long distance canoe racing season opened in a big way for OCC the weekend of August 20th and 21st. First, on Saturday, came the 4th Annual Dad Center Memorial Canoe Race for Women. The Outrigger wahines won the honors this year as they have each time since the race's inception. The wahines kept their perfect regatta season score of 5 - 0 quite safe with their impressive quarter-mile lead. The race course runs from the pier at Portlock to Outrigger Beach, a distance of about 8 miles which the paddlers covered in 1 hour, 21 minutes. Kailua took second and Hui Nalu third.

Tennessee Ernie Ford presided at the awards ceremony which followed at the Club. A presentation speech was made by Dad Center's sister, Mrs. Margaret Center Anderson, mother of our club president, Bob Anderson.

Sunday, the 21st started the demanding long distance season for men which will culminate in mid-October with the Molokai to Oahu Race. The "Lanikai Race", dedicated to the late Duke Kahanamoku, starts at Lanikai and ends at the beach near the Natatorium. In the approxi-

mately 21-mile course every possible variety of ocean is encountered, making this one of the most challenging of all of the open ocean events. For the third year in a row, Outrigger was the victor over both competition and elements. The winning time was 3 hours, 20 minutes, just slightly off the record pace of the preceding year.

The race was not without its pre-start intrigue, typical of Hawaiian canoe racing. Coach Tom Conner has recently built the Manu Ulu, a fibre glass racing canoe combining both Hawaiian and Tahitian concepts of canoe design. The new canoe is, in

part, a departure from the traditional Hawaiian canoe shape. Acceptance of change is something that comes a bit slower than innovation. On the beach before the start of the race, the Outrigger seniors were told they could not use the Manu Ulu. The Outrigger "B" team, previously assigned to paddle the Kakina, generously gave her to the seniors. The "B" team then used the Manu Ulu, an unofficial entry.

Soon after the race got under way, it became a two-boat duel between

State Champion Senior Womens crew (l/r): Moira Scully, Michele St. John, Sharon Bintliff, Anne Hogan, Maile Morgan, Connie Maguire. Photo Stephen Riede.

Outrigger and Hui Nalu. The two canoes were paddling for several miles close on and occasionally running into one another until Outrigger broke away and got into clear water. Once in the clear, the OCC crew continued to widen its lead, passing within inches of the cliffs below Makapuu light. Once around the bend, the OCC crew was never again challenged for its first place position. In the last miles of the race the closest challenger, Waikiki Surf Club, took the inside passage from Diamond Head past Tonggs in a vain attempt to get by Outrigger which had chosen the outside route. OCC quickly covered this move, came inside, made a beautiful and dramatic pass by the Club Beach and went on to the Natatorium for the win.

Paddling for the Senior Men were: Mark Buck, Tom Conner, Tim Guard, Mike Lemes, Marshall Rosa, Brant Ackerman, John Finney, Ed Pickering, and Donny Mailer.

In the "B" crew, sometimes known as the "Wackos" were: Jay West, Jay Pynchon, Willie Hawthorne, Bill Bright, Ken Morrow, Alan Rosehill, Hugh Murray, Roger Cundall and Mike Clifford. Bill Mowatt was their coach. The "B" crew finished in 7th place.

In the Dad Center race, the women's crew included: Connie Maguire, Evie Black, Anne Hogan, Kisi Haine, Michele St. John, Tracy Phillips, Jill Andersen, Anne Nicol, Sharon Bintliff.

Cecilio Longao

Cecilio Longao Named Employee of the Month

Cecilio Longao, head busboy for the Outrigger Dining Room, has been named outstanding Employee of the Month.

A fourteen-year staff member, he is responsible, pleasant, helpful. His superiors say he's super; his fellow workers agree.

Cecilio trains new busboys, gets them settled, introduces them. He knows all the configurations for arranging the dining room for parties and setting up the Board Room for special meetings, as well as where all the equipment is kept. We've heard it said he can set up the entire dining room singlehandedly at a moment's notice. In addition, as a supervisor, he oversees the duties of all the busboys.

In short, he's everybody's favorite and richly deserves this honor.

Tennis Love-Ins

OCC will be entering a team of men and women in City Tennis League under captain Sparky Petre and co-captain Jane Affleck. These matches will be held between Sept. 11 and Nov. 10 at various city courts playing teams from different parts of Honolulu.

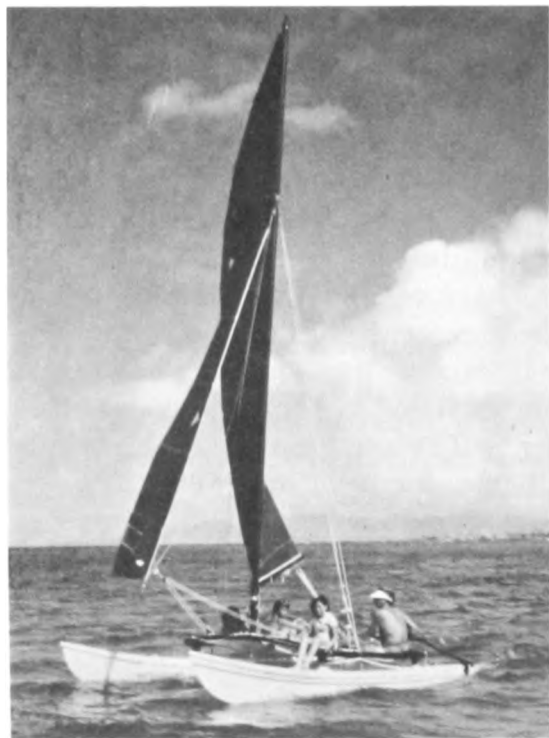

Thanks to the Avis Club Challenge Cup, current club tennis champions will receive a plaque and have their names listed in **Tennis Magazine** this fall. The reigning OCC Tennis Champions are, in Mens Singles: Rick Fried; in Womens Singles, Eve Anderson; in Mens Doubles, Rick Fried and Monte Goldman; and in Womens Doubles, Billie Baird and May Balding. We are now working out arrangements for the 1977 Club Tennis Championships for sometime in October or November. Watch the Tennis Bulletin Board (next to the locker rooms) for announcements and sign-up sheets. John Michalski

Into Summer Fun

Cari Ahlquist and Ryder Stahl were named most outstanding girl and boy at the conclusion of the OCC Summer Athletic Program, Monday, August 8.

Director Doug Bechert called the program, in which 50 children participated in six weeks of sports clinics, a "big success." Slides, awards, and a special cheeseburger party marked its end.

Kim McKenzie and Mark Norfleet were chosen best girl and boy surfer. Sailing awards went to Debbie Herb and Dawson Jones. Best girl volleyball player was Tiffani Bova; best boy, Raymond Heitzman. Katie Latham was named best girl paddler; Rick Herb best boy paddler.

In addition to surfing, sailing, paddling, and learning volleyball, the group took excursions once a week — a hike around Diamond Head, a trip to the Toilet Bowl at Hanauma Bay, a trek up Nuuanu to a waterfall, a jaunt to Makapuu and to Sandy Beach for body surfing and boogie boarding.

Special thanks to Kisi Haine, Cliff Kapololu, Fred Noa, Jr., and Billy Berger who instructed daily, and to sailing instructors Harold Hutchings, Todd Bradley, Don Machado, and Tim Murphy, to Club Captain John Beaumont and to John Finney for his help with the closing celebration at Burger King.

A Report from the Building & Grounds Committee

Current B&G Committee projects include: renovation of the Snack Bar and improvement of ventilation in the locker rooms. As part of a continuing exploration of the feasibility of solar heat, meters were installed to measure our use of hot water and gas. Results are: the Club uses over one million gallons of water per month, **three-quarters of which is for showers.** Daily use of hot water averages 8,830 gallons. In a survey taken over a period of four weeks, it was discovered that Sunday is the heaviest usage day. **Please help us to conserve water.** Your suggestions for improvements at the Club are welcome. Please address them to Robert L. Moore, Chairman, B&G Committee.

Haneberg, Morgan Win Kane-Wahine Volleyball

Top flight volleyball action has continued the past month at the OCC Sand Courts with three tournaments in four weeks. Jon Haneberg and Maile Morgan took a first in the Kane-Wahine matches the weekend of July 16 - 17, winning over Peter Ehrman and Keri Baird. Third place went to Mark Rigg and Tracy Phillips.

Outrigger players took the top three positions in the Open Doubles Tournament the end of July with Jim Iams and Randy Shaw taking the final over Peter Ehrman and Jon Andersen. Marc Haine and Kilo Baird finished third.

Miki McFadden and Kisi Haine copped the Womens Open title in August, defeating Julie Morgan and Lindy Vivas.

Chris Dunkel

Chris Dunkel appointed Dining Room Manager

The Outrigger's new Dining Room Manager is Christopher Dunkel who will oversee the Club's entire dining room and Hau Terrace operation.

Chris moved from Arizona to Hawaii in May of 1976 just prior to the opening of the Hyatt Regency. There he was captain in Bagwell's before being named dining room manager at Spats.

At the OCC he will be in charge of all arrangements for special parties. Those who wish to plan private cocktail parties, luncheons, and dinners, please contact Chris. Elegant gourmet dishes not on the menu such as flambees, crepes suzettes, steak tartare, Caesar salads, can be arranged through him and specially prepared by Chef William Teruya.

His restaurant experience is well-rounded — captain, sommelier and assistant maitre d'hotel in the main dining room of the Arizona Biltmore Hotel, Phoenix; waiter, bartender, assistant manager, and manager for Cork 'n Cleaver, a Denver based restaurant chain, in four of its outlets — Columbus, Dayton, Cincinnati, and St. Louis. Wines are both a profession and a hobby for him, and he has conducted a number of wine tastings.

Born in Johnstown, Pennsylvania and raised in Canton, Ohio, Chris graduated from Ohio State University in 1971 with a major in international studies. He has studied broadcast journalism in the graduate school at Ohio State and business administration at Northern Arizona State University.

A swimmer and a golfer who cards in the low 90's, Chris likes to hike, dance, and write.

How's that again.....?

We had some areas of confusion and misunderstanding in our August issue. To take them in chronological order more or less:

1. Bob Costa's interesting and colorful story of the Transpac did not carry his by-line as it should have. We are very sorry about that, because it was a fine piece of reporting and Bob deserved full credit for it.

2. In our first attempt at a new feature, the photos of new Club Members, the photos were lettered A, B, C, D, etc. on their backs for easy identification. Our printers were instructed to drop these identifying letters in the publication, but instructions were misunderstood and the letters remained in. Result: some of the new Members found themselves identified with more initials than their parents had bestowed upon them and more than they themselves wanted. The names, in the order in which the photos appeared from the top, should have been: Maria G. Golia; Anthony L. Shelly; Alberto C. Nicol; Lt. Col. Thomas M. MacGlothlin; Stephen J. Nottingham, and Aaron K. Young.

3. Cline Mann, a Past President, a Past Director and certainly one of the people who did a great deal to steer our Club through the sometimes turbulent fifties and early sixties, took exception to the way the Waimanalo Canoe Club's Pops Waialeale Regatta of July 17th was referred to in the story which appeared in the August Outrigger. From his viewpoint, the exception was well taken and the Editor readily concedes that the way he - the Editor - used the name probably sounded flippant. It was not so intended.

The Waimanalo Club's Regatta Report says: " "POPS" was a true "keiki-o-ka-aina" whose love and respect for the perpetuation of canoe racing is widely known among paddlers and coaches throughout Hawaii. His coaching career began in 1950 with the Healani Canoe Club from which he retired in 1964 due to a mild stroke. In 1966 he reappeared on the scene to coach Hui Nalu Canoe Club, a position he held till 1970. In 1972, he again reappeared this time as advisor and coach of the WAIMANALO CANOE CLUB, becoming its Head Coach in January, 1973. His untimely death a month later, while attending a board meeting of the Waimanalo Canoe Club, was a great loss felt deeply by his family and his many, many friends. It is because of his contributions to the canoe racing world that today's regatta is dedicated to him... **A GREAT MAN** who willingly taught others all he knew so that continuation of the sport would be ensured!"

Skipper's Log

by Bob Costa

Main sheet... Hold fast to the tillers Mates, the big OCC Classboat Invitational (HYRA-sanctioned) is set for Sunday, September 11, with race times at 0930, 1300 and 1530. Beach Captain **Wayne Faulkner**, using his keen eye and various man-made and natural onshore landmarks, will set markers in a triangular course off Waikiki — making sure the anchor to the seaward marker is set so it doesn't slip off the ocean shelf into the deep-deep. **John Langenheim** is The Big Skipper for the event and promises a 5 p.m. race-finish ceremony of awards, heavy pupus and beaucoup booze. All local yacht clubs are participating and 11 classes are expected: Hobie 14 & 16, Cal 20, Sol Cat, Laser, Scorpion, Rhodes 19, Prindle, Soling, Tornado and Fireball. **Gordo Bradley** heads up the Beach Aloha Committee (helping skippers beach and turn-around between races); Immediate Past Club Commodore **Hal Hutchings** skippers the Race Committee which includes **Sid Snyder**, **Ken Brown** and **Langenheim**. **Marilyn Cowan** is handling trophies. **Nameless** heads the Protest Committee. Club sailors are urged to sign up; notify the front desk, 923-1585, or call John Langenheim, 536-7027. Now ... And here's a last minute call to the Hobie 16 State Championships, Labor Day Weekend, September 3 & 4, Kaneohe Bay. Still time to get in if you're not already registered for the big HHCA-sponsored event.

Ship-to-Shore... The Sailing Committee launches its new **Fall Cruise Series** aboard the Club's sparkling new red-and-white Hobie 16 Saturday afternoons beginning September 10. Two passengers per cruise offshore Waikiki, all members invited. Cruises depart the beachfront on the hour from noon to 5 p.m. Saturdays. Simply sign up at the beach desk and your off on a thrill-a-minute cruise from Diamond Head Lighthouse to Wreck Bouy with

offshore sightseeing in between — skippered and crewed by fully qualified committee members. Best of all: The Saturday cruises are **free**. Come one come all.

Sculling... Commodore **Dave Hoffman** and Hutch represented the Club in the mid-July HHCA Kaneohe Bay "tune up" race for the upcoming Hobie 16 State Championships — and won. "The real competition wasn't there," Hutch said, modestly. He meant **Rick Naish**, **Herb Andreson** and **Dean Froome** ... Also at mid-month, Hutch and **Don Machado** represented OCC in KYC's Laser Invitational, entering two of the Club's four new Lasers in the Kaneohe Bay waters. Don tried out his new water jacket — a vest filled with water to provide needed additional weight. Worked fine while skimming along, but proved heavy and awkward when trying to right the craft after a spill. So much for technology. Would a barbell lashed to the deck be better? ... Hutch wreathed in smiles over the success of the sailing course in the Club's Junior Athletic Summer Sports Program. There were 6 summer classes, about 40 students from six to 16. Three are on their way to qualifying as Scorpion skippers. Highlight of the summer program were three days of sighting and playing with schools of Dolphin — groups of about 50.

Pintles & Gudgeons... The annual OCC Club Regatta for members only now set for late September and early October; watch the downstairs BB and the lobby showcard easels for dates and times. Scorpions, Lasers, Hobie 14s & 16s are the ships of choice ... Everybody sympathizing with Peter Wheelon over the loss of his new Hobie 16 — and new trailer. A purchase made from the 50 new boats brought over from the Mainland for last fall's Hobie 16 World's — gone. It was swiped — in the space of minutes. Pete still offers a \$200 reward for recovery.

RIGGERS

by Frances Pearson

Club President **Robert A. Anderson, Jr.** was kept busy last month as a presenter — first of a plaque from OCC to sports writer "**Red**" **McQueen** at a function in his honor at Aloha Stadium July 28, then of a handsome scrapbook commemorating **Wilford Godbold's** term as Club President, a post he held from '46 to '53. Anderson and VP **William Eggers III** made the latter presentation at Godbold's home with wife **Virginia** looking on. . . This December **Nadine Kahanamoku** will open the first All-American Surfing Championships at Huntington Beach, a spot **Duke Kahanamoku** called "the world citadel of surfing." As Honorary Chairperson of the sponsoring American Surfing Association, she will officially start the meet by putting a lei of Hawaiian orchids around a bust of her husband, then dropping a second lei into the ocean where women will compete and a third where men will surf. The event brings together for the first time college and high school surfers from Eastern, Western, Southern, and Pacific Conferences. It is ASA's hope to convince the Olympic Committee that surfing, not now an Olympic sport, is a must. . . Living high on the puaa nui were OCC's canoeing coaches and assistant coaches who opted for a season-end gourmet dinner in lieu of coaching fees to celebrate victories in the Oahu and HCRA State Championships. The eleven — **Tom Conner, Brant Ackerman, Nat Norfleet, Mark Buck, Jay Pyncheon, Willie Hawthorne, Bill Bright, Ken Morrow, Don Mailer, Walter Guild, Mike Lemes** and their guests — started the evening with cocktails in the Board Room decorated with special ice carving by **Chef William Teruya**, then went by limousine to Rex's for wining and dining. . . OCC volleyballers dominated Hawaii's All-Star team which competed two weeks ago in the Pacific Rim Championships in Hilo. Ten of 12 on the team were from OCC and coach was **Tony Crabb**. Playing for Hawaii were: **Mark and Scott**

Rigg, Colin Chock, Jr., Peter Ehrman, Kilo Baird, Marc Haine, Scott Rolles, Kainoa Downing, Alan Lau, Peter Balding, Jr. Matches were against the home team from Hilo, Red China, Japan, Korea, Canada, USA, Mexico. Hilo is permanent site for the tournament, a warm-up for the Junior Worlds for 21-year-olds and under. . . Two Hilo Marathoners not mentioned last month were **Doug Schramel** with a time of 3:22:13 and **Harry Huffaker** who finished in 3:31:01. . . The Historical Committee has completed restoration and repair of the handsome Wichman Clock which used to hang outside the old Outrigger. It's now ticking away above the Snack Bar. . . OCC's proposed Surfboard Museum has three new boards. Mahalo to **Piilani Schneider** and **Jessie Draper** for gift of a hollow board. Received from **Victor Hemmy** — two period surfboards once used for rescue work at Pearl Harbor. . . **Bill Barnhart** has joined the historical group. His father, **G. W. Barnhart, Sr.**, was Club President in '31-'32, and his knowledge of OCC's past is extensive. . . New member of the Canoe Racing Committee is **Mike Mason** . . . Motorcyclist **John Beaumont** will labor Labor Day weekend to bring his 400 cc Yamaha home first in the open class of the Hare and Hound, a 40-mile track through the mountains of Kauai. Upwards of 150 are expected to compete. . . Cited for bravery beyond the call — **Marc Haine** and **Mike Holmes** who ventured into The Deep to catch and kill a vicious eel preying on unsuspecting Club members. **Scene One.** **Ron Sorrell** locates eel in the concrete pilings between Outrigger and the Elks Club — and promptly departs. **Scene Two.** Enter Haine and Holmes, who try to lure the eel from its puka and spear it. And fail. **Scene Three.** Haine and Holmes bait a marlin hook with a small papio, secure their line to a canoe, and the eel is hooked and landed. Vital statistics for the eel: a yard in length and an estimated five pounds in weight including two papio found inside its stomach. We understand there are three pukas in the area — one in the Colony Surf sea wall, one at the Hobie Cat anchorage,

and the third in the concrete pilings, Elks Club side. . . Sports-minded vacationers from Tattersall's have joined OCC ranks as guest members. **Wal Tyler**, impressed by the helpfulness and friendliness at OCC on a '76 trip, organized the visit. On the agenda — an unofficial swim challenge arranged through **Gerry Senner**. Australian swimmers will join 350-400 mainland and local entrants in the Labor Day Waikiki Roughwater Swim. Race start, incidentally, is at Kaimana Beach and begins with cannon blast and churning water. **Frank Walton** has included Tattersall's duffers in the September 6 Golf Tourney at Olomana and **John Michalski** will arrange for tennis if interested parties contact him. Aloha, to those from Down Under. . . A host of congratulations — **Scott Ballentyne** and **Robin Bradley**, were married June 24 in Seattle. Bride Robin was assisted by Scott's two sisters, **Robyn Rodby** and **Nanci Ballentyne**. Groom is the son of **Mr. and Mrs. Richard Rodby**. The couple will live in Honolulu, where Scott will help with Kemoo Farms, the family restaurant. . . Also newly wedded are **Brant Ackerman** and **Stephanie Choy**. . . **Cindy and David Lawrence** are the new parents of a daughter, **Mary**, born July 26 on Maui. Her vital statistics: 7 pounds, 10 ounces; 20½ inches long. . . More congrats to **Nip Tong Akona**, newest Senior Member of OCC. . . The Beach Shop is featuring a new line of ladies sports wear. The coordinated sweaters and shirts, hats and golf socks come in yellow, blue, or white. Mix them or match them. Also new — a babies' diaper cover-up decorated with hibiscus flowers and teenie bikinis for tiny tots. . . Women joggers, take note. There's a varied program of half an hour for women runners conducted by Sue Stricklin every Monday at 5:30 at the Kapiolani Park Bandstand. You're invited.

Swimmers note: Eel hunters Haine and Holmes are not sure whether there are three eels or whether the slain one was living in three pukas. So watch out, swimmers.

Newly affiliated with OCC is the handsome Kansas City Club located one block from the city's downtown business section.

Introductory cards are required; guest cards are issued for two weeks.

Six floors of the club are devoted to bedrooms. Singles are priced from \$25 to \$29; twin-bedded rooms from \$30 to \$45; suites from \$35 to \$90. Accommodations are for men and women.

The present club site was completed in 1921. The club has barber shop, card rooms for men and women, billiards, several dining rooms including a men's grill and bar and the Starlight Room and cocktail lounge on the 14th floor overlooking Kansas City. There is dancing Fridays and Saturdays. Breakfast, lunch and dinner are served.

The men's athletic department offers squash, handball, paddleball, bicycle, toning bar bells, rowing machine, steam, sauna and massage. There is an excellent indoor pool for men and women.

The club was organized in 1882 by a group of prominent businessmen who, so the story goes, were nagged by their wives for smoking cigars at home. They rented a club room in which they could gather and "smoke in peace." The gathering grew; the group expanded and became the nucleus of the Kansas City Club with a current membership of 2000.

Santa Barbara Marathon Tour

by Sue Stricklin

For those Marathoners who want to run one race before the Honolulu Marathon, a tour package is available to OCC members for the October 16 Santa Barbara Marathon. We understand this is a fast, cool course on which good times have been run. Also, its date allows a runner time to recover before the Honolulu Marathon in December.

The group will depart October 13 in the evening and return October 17 and is limited to 30 individuals.

As a side benefit Dr. John Pagliano, the well-known Southern California sports podiatrist, has agreed to keep his schedule open for those runners from Hawaii who would like to visit him regarding foot and leg problems.

For more information call Sue Stricklin at 737-2422 between 10:00 and 5:00.
