OCC VOLLEYBALLERS DID WELL IN AAU & USVBA MEETS

Outrigger Canoe Club volleyball teams placed third in the Masters Division and fourth in the Men's Open Division of the USVBA National Championships which ended on May 22nd in Schenectady, New York.

The OCC Masters team lost in the finals of the loser's bracket to a strong San Diego team. Tom Haine was named All-American, second team, and Mike McMahon, Fred Hiapo, and Colin Chock received All-American Honorable Mention.

Competing against 50 of the na-

tion's top teams in the Men's Open Division the OCC "AA" team, fresh from winning the AAU National Championships in Louisville, Kentucky, placed fourth in the nation, losing in the semi-finals of the loser's bracket to ANVA, top-seeded team in the U.S.

Losing narrowly to Chuck's Steak House, a Los Angeles team, in a three-game first match, the "AA"'s came back in the loser's bracket, scoring three straight wins over The Racquet Club, California Harvard, and the Columbus Caps and advanc-

ing to the semi-finals.

The Outrigger "AA" team, Hawaii State Champions, is the only team to represent Hawaii in the Open Division of the USVBA Tournament.

Mountainball Team Off To Fast Start

by Dave Pierson

The bats of the powerful OCC mountainball team were red-hot as the Bill Erickson-led squad defeated Sunn, Low, Tom and Hara Co. 10-0, Park Engineering 8-5, and Hawaiian Dredging, 12-5. Bill Kilcoyne, Ken Wood, Bill Head and Colin Chock have homered, and Bernie Eilerts, Jay Pease, and Guy Jennings have come through with clutch hits. Jennings has used his volleyball defensive skill by "digging" out potential base hits with spectacular diving catches in right field. Kamehameha also has remained undefeated. Look for the games on the Club athletic bulletin board and come out and cheer.

From Club Management to and for all Members

Car Pools

In an effort to relieve the critical shortage of parking stalls in the garage, we ask that, whenever possible, members of one family and members who are bringing guests to the Club try to drive in one car. Summertime vacations for students and others create the greatest strain of all for our parking facility. MAHALO for your help.

Reciprocal Clubs

The House Committee is considering reciprocal agreements with the MANILA POLO CLUB and the AUSTRALIAN CLUB. Wanted: Information on both clubs from OCC members who have been to them. Please give your comments on these and all reciprocal clubs you visit to John Mason.

Dress Code For Dining Room and Cocktail Lounge

The House Committee reminds members and their guests that the OCC dress code for dining, printed in the *Membership Handbook*,

states that attire for the dining room will be "within the limits of good taste. Aloha attire is acceptable. *Shirts, slacks and footwear required...*"

In addition, the *Handbook* says that "T-shirts, tank tops, athletic attire and/or bathing attire shall not be worn in the main dining room or dining lanai at any time. Footwear, other than beach sandals, must be worn in the main dining room and dining lanai at all times."

The House Committee recommends that closed shoes, or shoes more formal than zori sandals be worn by the men and proper dress sandals by the women.

All dining room dress requirements apply to the cocktail lounge after 6:00 P.M. Before 6:00, T-shirts may be worn but no tank tops or bathing attire. Footwear is required at all times.

Please tell your guests that this dress code is being observed. MAHALO.

(See Pages 4 & 5 for Sailing)

Cablevision

A cablevision hook-up from Oceanic Cablevision has been installed for use in the Board Room and Hau Terrace—Bar areas: Reception will be complete excluding first-run movies. Coming up are the Olympic Games. Present plans call for purchase of a new television set for the Club with the old set permanently placed in the Board Room.

Ticket Cancellations

There are a number of entertainment events on the calendar. Please remember *no cancellations are allowed later than 48 hours prior to an event.*

Sailboats Off the Beach

Please do not use our limited beach area for parking sailboats.

Club Improvements

The wood fence between the OCC and the Elks Lodge has been completed. Under study are ways to correct drainage problems in the Hau Terrace service stand sink and ways to create more beach space by stacking canoes.

“Winged O” Profiles: Wally Young

There are many physical items in and near the Outrigger Canoe Club that most members take for granted, as if they were automatically included with their membership and monthly dues. A good many of these “things” are here because of the hard work and skill of one man—Wally Young—subject of this month’s “Winged O” profile.

Wally was born and raised in Oregon about the time of bathtub gin and the Charleston. He was a high school baseball player and learned the art of managing champions (a skill he has put into good practice here at our Club) by being manager of his State Champion high school football team. Wally was an honor student and outstanding debater—or as Hawaiians say, Waha Nui (Big Mouth).

The war years prevented college plans and Wally found himself flying torpedo bombers and fighters off carriers with the Navy Air Corps. He survived the disaster of the U.S.S. Franklin, flying as a photo reconnaissance pilot and helping to map the final victory over Japan.

Wally accepted his discharge in 1946 and became a pilot for Hawaiian Airlines in 1948. In addition to flying, he became well-known as an underwater photographer and conducted seminars throughout the Pacific as one of the original aqua-lung instructors.

Like so many others, he fell in love with Hawaii and became an Outrigger member in 1953. He has served on many committees, but really became active in athletics in 1964 as Assistant Club Captain. Wally’s skills as a manager and photographer are evident inasmuch as he has escorted the OCC volleyball teams to the Nationals each year since 1964. His teams have made the finals 16 times in either the Open or Masters division in AAU and Nationals competition and have been National Champions on three separate occasions. The Outrigger “AA” team is current defending AAU National Champion.

Wally aided in the early formation of the Junior Summer Sports Programs and helped to coordinate the Beach and Water Safety Committee. It was Wally who was responsible for installing the mooring in front of the Club and for our original fleet of Scorpions. He made the racks for the small boats and supervised the construction and maintenance of the all-important wind-sock on the edge of the reef.

In addition to serving as Chairman of the prestigious “Winged O” honor group for five of the past seven years, he has helped the Club in many other areas, such as providing charter boats for OCC cheering sections following the Molokai to Oahu crews and putting on the annual volleyball Bouillabaisse fund-raiser. Many of those beautiful hand-made trophies awarded to OCC athletes at the annual banquet are the product of his skilled labor. He, and the “Winged O” group, originated the design and concept of our current athletic awards system.

The OCC is greatly indebted to Wally Young, deservedly one of the original group awarded the coveted “Winged O” in 1968.

Entertainment Committee '76 Goals

Rudy Huber, Chairman

The goals of your Entertainment Committee: A fountainhead of creative pleasures, embracing many ramifications of sensual delights desired by the OCC membership.

Our first three major functions will be:

1. The Wine Tasting, complete with pupus, cheeses and an accordionist.
2. The LUAU—sensational, as always.
3. What may become the event of the year—THE SHIPWRECK/TRANSPAC PARTY. This is a special SUPER-FÊTE. Look for details on the Club bulletin board and in The OUTRIGGER.

Tennis Love-Ins

by John Michalski

The Outrigger Canoe Club will be entering a men’s and a women’s team this year in the city league tournaments. Fred Hemmings Sr. will be captain of the men’s team and Barbara Norfleet will lead the women. The matches will take place between mid-June and mid-August as we meet various teams from Honolulu.

The Hawaii Leis, including Ilie Nastase, Helen Gourlay, Butch Buc-

holz, Owen Davidson and their opponents from Phoenix, including Chris Evert, were guests at a party in their honor organized by Tennis Committee member Jane Affleck.

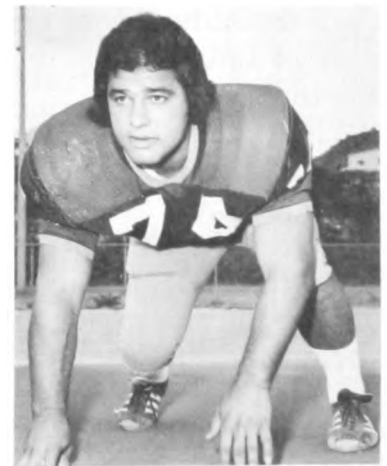

In August we have a doubles match against Hawaii Kai led by Ann Jeffries. If interested, do sign up on the Athletic Bulletin Board. We’re still looking for a benefactor with a private court to let us play a singles club championship. Anyone interested in helping us? Wouldn’t it be nice if the Club bought the Tennis Athletic Complex on Kalaniana’ole Highway? There must be a way of coming up with a fee system which is equitable among all those using the proposed facility.

Levi Stanley

Levi Stanley Signs With 49ers

by Dave Pierson

Levi Stanley signed a multi-year pact with the San Francisco 49ers recently. A graduate of Waianae High School and the University of Hawaii, the 6’1”, 260-pound defensive lineman was a standout in the dearly departed WFL with the Hawaiians.

The 49ers were reportedly highly impressed with Levi’s 4.9 speed in the 40 yard dash, but his time was no surprise to his OCC mountainball teammates, who often saw Levi beat the batter and the thrown ball from his catcher’s position to first base. The entire club will be cheering for Levi next fall.

Sailing, sailing with OCC's "Old Sal"

Aspiring Sailors—Ahoy!

by Marilyn Thompson

June 7th is the day to mark on your calendar as the start of an exciting new four-week sailing course. The course will be taught in two parts under the supervision of Dave Hoffman.

CLASSROOM INSTRUCTION on Monday and Wednesday evenings from 7:15 to 9:15 P.M. will be under the direction of the Coast Guard Auxiliary. "Principles of Safe Sailing" will be taught through films, slides, and models in the Board Room. The first class will be an organizational meeting at which the textbook will be sold (\$6.50), an outline of course material will be given, and a film shown. This is not a course in boating safety, but one which will teach the theory and fundamentals of sailing. Be sure not to miss this first meeting.

PRACTICAL SAILING—Each Saturday during the four-week course (except the last, July 3rd), Club sailing instructors will be on hand to coordinate the fundamentals of sailing taught in the classroom with the beach program. In this part, each student will select an emphasis from one of two areas. The first area will concentrate on teaching the student to sail a small, single-handed boat by himself and should enable him to become a Club qualified sailor by the end of the course. Not only will the Club Scorpions be available but some of our generous members have graciously consented to let us use their Hobie Cats for this instruction.

For those who do not want to go through the rigors of single-handed sailing, the second area of emphasis will take place aboard an ocean going yacht. Each student will get a chance to practice the various crew functions. Again thanks to the generosity of our members, arrangements have been made to use an Islander 30 sloop and possibly one other yacht.

The classroom and practical instruction must be taken together

and enrollment will be limited, so an advance sign-up is necessary.

The 1976 Sailing Course is a greatly expanded program. The Sailing Committee is looking forward to reaching more and more "Sunday Sailors" and warmly invites all members interested to sign up at the front desk for this great sailing opportunity.

Multihull Transpac set for July

by Jon Haig

July 4th marks the start of the Sixth Biennial Multihull TransPacific Yacht Race and the Outrigger Canoe Club has again been invited to host it. The course is 2225 nautical miles starting off San Pedro and finishing off Diamond Head Buoy.

The race dates back to the 1955 conventional yacht Transpac when Woody Brown, Rudy Choy and Rich Muirhead sailed their multihull WAIKIKI SURF to California and back with (and ahead of) the monohull fleet. On July 4, 1964, the first multihull race was inaugurated with Dr. A. Victor Stern's IMI LOA making the crossing in the yet to be beaten record of 9.5963 days.

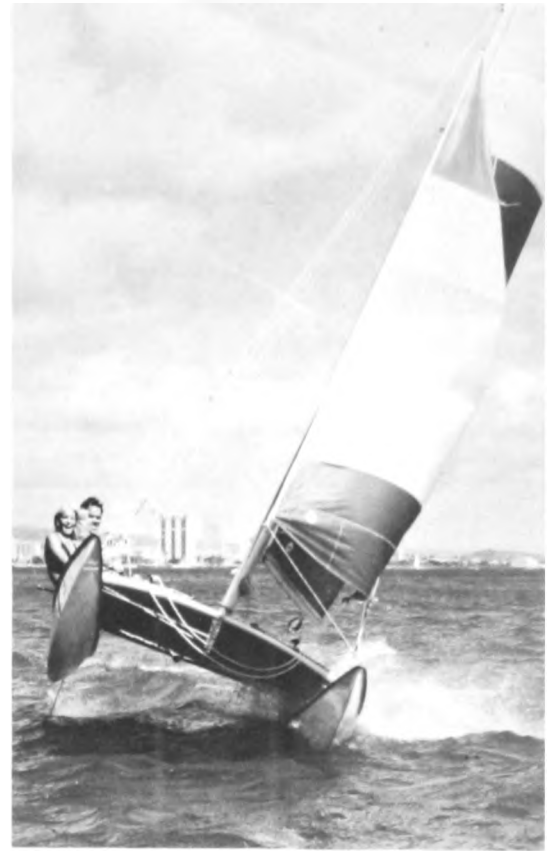

This year, five multihulls will be making the crossing and Outrigger will be assisted by local yacht clubs in hosting arriving boats with parties, mai tai's, and leis. A couple of the early finishers will be tied off the Outrigger's beach with the remaining finishers mooring at the Ala Wai and Honolulu Boat Harbors.

OCC Organizes Sailing Teams

by Frances Pearson

For the first time in recent years, the Outrigger is organizing sailing teams to compete against yacht clubs and to participate in Hawaii Yacht Racing Association and Hawaii Hobie Cat Association Regattas.

Organized training and instruction are planned for Hobie 14 and 16, Scorpion/Sunfish, Laser, and Cal 20 teams. The size of each team will vary according to interest and the number of boats available. All team members will be able to participate in regattas as OCC representatives.

In addition to local competitive sailing, an important objective of the sailing team program is to develop sailors to race as representatives of the Outrigger Canoe Club in state, and national regattas.

Teams will be organized in July. All qualified sailors in the Club, especially those in the younger generation, are invited to participate. Watch the Athletic Bulletin Board and The OUTRIGGER for details.

Club Scorpion Qualifying

by Marilyn Cowan

Qualifying to solo in OCC's Scorpions is a goal of many members—but most of them never get around to it. This year the going is simpler. The Qualification Committee, with Pete Wheelon in charge, has planned a regular schedule for June: Scorpions and qualifiers will be on the beach every Saturday from 12:00 noon to 1:00 P.M.

A complete list of qualification requirements is posted on the Sailing Bulletin Board beside the Men's Locker Room. When you feel you can meet the standards (either by attending the Sailing Clinic or because of prior experience), just come down to the beach and the Club's ten instructors will take it from there.

Represent OCC in HYRA Races!

by Marillyn Thompson

One of the Sailing Committee's goals for 1976 is to increase OCC participation in the Hawaii Yacht Racing Association. We would like to see OCC members who now race with HYRA through other yacht clubs list OCC as their sponsoring or parent club.

We also hope to see OCC yachtsmen in the winner's circle and at awards banquets. An OCC burgee is being considered for those who will race for the Club.

We would appreciate all HYRA racers contacting either Harold Hutchings (471-0933) or John Langenheim (946-6460/9910) regarding your boat and class so we can get an idea of how many racers we do have in the Club.

OCC Regatta Season

by Frances Pearson

The 1976 OCC Regatta season will comprise a series of six Saturdays in September and October, with two races per Saturday afternoon.

Hobie 14, Hobie 16, Scorpion/Sunfish and any other class with three boats or more, such as Laser and Cal 20, will be included with "A" and "B" fleets in each class.

Season points will be accumulated and will be used to determine the Club Champion in each class. The last two of the twelve races will count double for a total of fourteen. Each sailor's four worst scores will be dropped and the ten best counted for a total point score.

Saturday mornings preceding the official regattas will be devoted to fun-type races, such as relay, couples, and wahine.

All races will be held off Outrigger Beach with many of the finishes off Outrigger Channel. The Sailing Committee hopes that all Club members who enjoy sailing will enter. Members of the committee are happy to offer assistance to beginning competitors.

The regatta season will culminate with a Sailing Banquet and awards presentation for winners in all classes.

OCC To Host Hobie 16 World Championships

by Marilyn Cowan

November 1 through 6 will see Outrigger Beach alive with Hobie 16's. During that week, the OCC will host the First Hobie 16 World Championships.

The Club has had a long association with Hobies. In 1970, the First Annual Hobie 14 National Championship races were held here and in January of 1973, the OCC hosted the First Hobie Cat 14 World Championship Races. The Hobie Class Association wrote: "... a very successful and smooth running event... due to the cooperation of the OCC."

In 1973, 50 boats from 20 countries were entered. This year about 125 entries (2-man crews) are anticipated. Countries to be represented so far are: Japan, Australia, South Africa, France, Germany, Brazil, Puerto Rico, Tahiti, American Samoa, Canada, and the Virgin Islands. Hawaii will have its own group of entrants and the Outrigger should be represented by one or two entrants.

RIGGERS

by Frances Pearson

RUNNERS' RECORDS: OCC runners **Jan Newhart** and **Sue Stricklin** took home the gold from the 3rd Hawaiian AAU International Masters Track and Field Meet. Sue Stricklin (35-39 age group) placed first in the 15 kilometer run on a course from Kapiolani Park to Hawaii Kai with a time of 1 hour, 7 minutes, 14 seconds. **Mort Mandel** (50-54 age group), running in the same event, placed sixth in his class. His time—1 hour, 14 minutes. Three gold medals went to Jan Newhart (45-49 age group) for winning the 10,000 meter race in 48 minutes, 15:02 seconds, the 5,000 meter in 23 minutes, 19 seconds, and the 1,500 meter in 6 minutes, 30 seconds. Among well over 2,000 entries, Honolulu pediatrician **Dr. George Starbuck** finished the Boston Marathon April 19th in 6 hours, 40 minutes. He believes he is the only ex-cardiac physician over 60 to complete the entire 26-mile, 385-yard course. Dr. Starbuck, who suffered a coronary in 1969, runs with a large heart on his uniform... **GETTING THE RUN AROUND ON HIS WEDDING DAY** will be Marathon Clinic head **Jack Scaff** who will marry jogger **Donna Tengan** June 27th at sunrise on the slopes of Diamond Head. The 1,000 members of the Marathon Clinic are invited to attend and join the bride and bridegroom after the ceremony on a nuptial run to Kapiolani Bandstand for the clinic's usual Sunday fare—a run around Diamond Head and through Kahala... **JOGGING JOTTINGS:** **Jan Newhart** has info on a new "Presidential Sports Award in Jogging." If you feel up to logging 125 miles in a four-month period—that averages out to only eight miles a week—you're eligible. Call Jan for details at 732-5377. She and children **Tracy** and **Twain Newhart** will also be in on the "Spirit of '76 Jogging Challenge." There's a 76-mile course for the novice, a 200-mile jog for the seasoned runner, and for someone with real Bicentennial fever there's a 1776-mile run. Enrollment closes July 4th with a year to

complete the pledge... Already qualified for the pre-Olympic trials and a very good bet to represent the United States in the Olympics, Tornado sailor **Ted Crane** took second in the Hawaii Regionals held May 2nd. He's now on the mainland practicing for the key trials... Congratulations to **Dave Shoji**, named Head Coach for the OCC volleyball program... Recent guest of honor at a cocktail party co-hosted by the OCC Board of Directors and members who have enjoyed Peruvian hospitality was **Carlos Dogney**, internationally known surfer and founder of Club Waikiki.

H. Carlos Dogney, of Club Waikiki, Peru, accepts a plaque from OCC President Kesner and Fred Hemmings, Jr. Photo Scoop

... Rumor has it that his fellow Peruvian "**The King**" **Eduardo Arena** of Lima will be here to protect his 4th place Makule surfing position this year... At the request of **Herb Kane** of the Polynesian Voyaging Society a number of OCC sailors are volunteering their Hobie Cats and their time to give final practice to the crew that will sail the **Hokule'a** back from Tahiti. Apparently handling a small catamaran is invaluable experience for sailing a double-hulled voyaging canoe... **RED, WHITE, AND BLUE OUTRIGGER BICENTENNIAL PADDLING T-SHIRTS** will be available at all regattas for those in the cheering section... Marathon runner **Thad Eckstrand** is unfortunately out of training and into a third cast. But he expects to be running in the Honolulu Marathon in December... Would you ever guess that OCC Director **Bill Capp** once bombed—or almost bombed—Mauna Loa? It happened back in 1935 when the volcano erupted and sent a large lava flow moving toward Hilo at the rate of a mile a day. Bombing was rec-

ommended to interrupt the flow and **Bill Capp**, then a Second Lieutenant in the U.S. Army Air Corps, took off in a Keystone bomber with 300 and 600-pound bombs bound for his primary target at 10,000 feet. He remembers he had engine trouble and couldn't gain his planned altitude. He suspected that Hilo residents, afraid of meddling with Madam Pele, had added water to his fuel. So he headed for his secondary target—which happened to be located behind a viewing area for dignitaries. Despite the unexpected explosions the mission was rated a success for the 23rd Squadron of which Capp was a member and was recently recalled by Capp and **Brig. General William G. Mac Laren, Jr.**, current Pacific Communications Area Commander and former head of the 23rd's parent Bombardment Wing.

Bill Capp (Center) and flag rank friends. Air Force photo

... Many inquiries on the proposed OCC Athletic Complex have been directed to **Fred Hemmings, Jr.**, a member of the *ad hoc* committee looking into purchase possibilities. These are more than welcome, Fred says.

Linda Buck (Mrs. Mark E. Buck) and infant daughter Shelley, whose advent was noted in the May RIGGERS column. As a result of some frustrating circumstances, however, the photo did not make it in that issue. At her birth, Shelley weighed in at a healthy 7 lbs., 6 1/2 oz.
