OUTRIGGER CANOE CLUB

HONOLULU, HAWAII

FEBRUARY, 1975

Athletic Awards Banquet February 17th—and You are invited to attend!

All Club members are invited to attend the annual OCC Athletic Awards Banquet on February 17th, at 6:00 p.m. Price for the buffet is \$2.95. RESERVATIONS, PLEASE.

For almost a decade, this annual banquet has been an appropriate time for all Club members to recognize the accomplishments of Outrigger members and teams in surfing, sailing, tennis, golf, running, volleyball, surfboard paddling, swimming and canoe paddling.

The coveted Winged "O" Award, which is given on merit rather than an annual basis, is customarily presented at the Banquet.

Management announces new and higher Initiation Fees

Initiation fees for Regular and Non-Resident membership in the Outrigger Canoe Club have been raised to \$1,500 and for Service membership to \$400. This action, taken by the Board of Directors, became effective December 20, 1974 and applies to all Regular and Service membership applications received after this date. All Non-Resident applications now in process, regardless of date received, will carry a membership fee of \$1,500.

Sponsors will please note that applications are not dated until they are complete, including all forms, signatures, and a photograph of the applicant.

The Winged "O" Honor

It was the intent of the founders of the Outrigger Canoe Club to create a club for "the purpose of promoting athletic sports and activities in all their forms and branches." It therefore seems appropriate that members who have made outstanding contributions to the perpetuation of that spirit should be singled out for special recognition.

The Winged "O" honor was established in 1966 to pay tribute to such Club members; members who have given unselfishly of their time and effort to promote our athletic program, either as outstanding performers or as back-of-the-scene organizers and backers of various teams within that program. It is not an honor to be taken lightly, for it relates directly to the future of that program as well as to its past. Its existence should function as a continuing reminder of the special camaraderie that Outrigger teams have enjoyed for over a half of a century. Even more, it should serve to inspire our young members to continue to maintain the high standards of sportsmanship which the founders hoped to foster when they established our Club in 1908.

Nominating Committee names Slate of 14 for seven Board Seats

The Nominating Committee of the Outrigger Canoe Club has selected fourteen voting members as candidates for seven seats on the Board of Directors. These names will appear on ballots which will be mailed to all voting members of the Club. Results of the election will be announced at the Annual Membership Meeting on February 24th.

Named by the Nominating Committee as candidates for two-year terms are: Robert Alexander Anderson, Jr.,* Roy C. Kesner, Jr.,* Dr. Stanley James Beardmore,* Frederick M. Hemmings, Jr., Theron W. Bean, Richard H. Rodby, Ronald G. Sorrell, William J. Eggers III,* John J. Grymes, William C. Capp, Paul C. MacLaughlin, William M. Wilson, Charles J. Heitzman, and Campbell Palfrey. (Asterisk (*) indicates present Board member running for re-election).

The Membership Meeting, open to all voting members in good standing, will be held in the Club's main dining room. Ballots must be in the hands of the Club Secretary not later than 12:00 p.m. Sunday, Feb. 23. Ballots sent by mail must be postmarked not later than 10 p.m., Feb. 20.

New Parking Decals

New Outrigger parking decals are now being mailed to members with their statements. All those who have applied for the new decals but have not yet received them will be sent them with their February statements. (See also Management message on Parking Regulations).

Rosa Invitational II—it was beery exciting!

By Tim Guard

You won't find the final event of the canoe racing season listed on the HCRA's calendar of events, and the recorded order of finishers isn't tallied in the history books. Perhaps half a hundred spectators view this race of which we speak and a few score more are on the beach at the Outrigger to commemorate the finish of one of canoeing lesser-known challenges. But to the paddlers who participate in this pre-Christmas race, the annual "Rosa Invitational" is a notable challenge, pitting men against the sea and men against the bottle—of beer, that is.

This year's annual was held Sunday, December 22nd. As luck would have it, team captain and steersman Brant Ackerman was graced with a crew which included Molokai competitors Mark Buck, Milt Beamer and Tim Guard, plus Lanikai race veterans Paul MacLaughlin and Walter Guild. Ackerman's crew was immediately tabbed the favorite over crews captained and steered by Bruce Ames and Tom Conner.

True to pre-race predictions, the Ackerman team jumped into an early lead, and by the time the fourth beer was downed, led the field by 300

At the finish (l/r): Mowat; Siegfried; Austin; Ames; Ackerman; unidentified.—Tsuzuki photo

The Rosa Invitational was conceived a year ago for the purpose of bringing together for a year-ending day of good fellowship the participants and helpers in October's Molokai-to-Oahu canoe race. The race itself is an eight-mile paddle from the Rosa Hilton at Portlock Beach to the Outrigger, and crews for the event are chosen by lot, the luck of the draw determining who sits in each of the three competing canoes. Naturally the race is won by the crew first crossing the finish line but there are several intermediate stops along the way which have been shown to have a profound bearing on the outcome of the race.

At six more-or-less prearranged points along the course, the canoes must glide to a stop and may not again proceed until each member of the crew has guzzled down a beer. Stress and exertion, plus the heat of the day, take a predictable toll. By the time the sixth ale has been quaffed, distinct signs of functional disharmony have set in.

yards. But injudicious use of a following sea caused the leading entry to swamp, and as Ackerman and his men lay wallowing in the water, steermen Conner and Ames navigated their boats past the furiously-bailing lead entry. A valiant effort to catch up by the Ackerman crew led to an unexpected collision with Conner's crew at the windsock off the Outrigger and as the two lead boats remained

locked in an unholy embrace, tail-ender Ames made his erratic way to the beach, leaving in his wake several dented Hobiecats, a dozen or so irate swimmers, and a punctured plastic porpoise.

An impartial decision of the judges, rendered on the spot, awarded first place to Conner's crew, the ruling having been made that Ames' boat was so intent on reaching the beach that the crew members failed to drink their final beer. Members of the winning crew were, in addition to Captain Conner, Bill Mowat, Donny Mailer, Kimo Hugo, Tuck Siegfried, and Barry Hall. Ackerman's crew, which came out second best in the collision at the windsock, was awarded the runner-up position. Ames' crew, made up of paddlers Bob Moore, Marshall Rosa, Bill Bright, plus novices Kimo Austin and Tommy Holmes, was relegated to third place.

As a footnote to the race, a special commission of judges empaneled for the occasion awarded Tommy Holmes the beer-dribbler-of-the-year award. Certainly he spilled more down the front of his chest than ever reached his gullet.

RIGGERS

By Frances Pearson

Congratulations to **Evie Black**, 1974 Hawaii State Surfing Champion, Women's Division, a title she won in both 1971 and 1972. In 1973 she was rated second among women surfers in the state. . . . Rated fifth statewide by the Hawaii Surfing Association in the Men's Division—OCC member **Buzzie Kerbox**. . . . The Outrigger Canoe Club, along with the USVBA, will co-sponsor the **National Volleyball Championships** scheduled May 14-17 in Reno, Nevada. . . . Writer of light verse, author of the OCC History, and co-author with Member Alex Castro of "The Hawaii Almost Nobody Knows," **OUTRIGGER** Editor **Harold H. Yost's** latest rhyming effort appeared in a recent issue of HONOLULU Magazine. Had to do with a certain Lady Godiva and mod trends in feminine attire or lack of it. . . . Aired on Channel 4 on the 17th of January—a one-hour special on **Tennessees Ernie Ford's** recent State Department-sponsored singing tour of Russia. . . . Identified—one more member of the OCC's Championship Gridiron team of 1920, pictured in the January issue of The **OUTRIGGER**. Seated between **J. Gall** and **J. Hart** in the middle row in the photo,

he is **Dan McLean**, deceased uncle of OCC member **Jack Sheehan**. . . . Much more entertaining than the time-worn question, *What's in a name?* is *What's in a nickname?* A bit of history? A famous or infamous anecdote? **Bill Capp, Waldo Bowman, Tommy Thomas, and Francis King** recently spent an afternoon "full of fond memories" recalling the nicknames of past and present Club members and how they got so tagged. Thanks from this writer for supplying her with the list, long enough for two installments in the "Riggers" column. Finding out the who, why, and wherefor of each handle is up to you. For starters, who are: **Louie The Clutch, Burrhead, Bubbles, and Haile Selassie?** If your taste in nicknames runs to birds, mammals, crustaceans, and reptiles, try to fit these tags and titles to their proper owners: **Iole, Papai, Mongoose, Ox, Rabbit, Duck Neck, Hookworm, Shark Bait, Beaver, Bull, Canary, and Turkey**. Or perhaps anatomy is destiny. One of these Club members may know. Ask **Brains** or **Pin Legs, Banana Nose, or Apron Gut. Or Muscles. Or Meathead. Or Fanny**. Next installment—March.

Christmas Day Paddle Board Race Results

The traditional Diamond Head Buoy Paddle Board Race was conducted on Christmas Day under new sponsorship and over a new course, and as usual, most of the competitors and winners were Outrigger members. The start this year was at Kai-mana Beach, and the 10 racers rounded a channel flag to the Diamond Head buoy, then to Wreck buoy, and returned to the channel flag and finish.

Kiki Spangler, son of member Earl Spangler, showed the same form he did in winning five years ago by paddling his sleek racing board over the 7-mile course under very windy and rough conditions in the fantastic time of one hour, 8 minutes, 54 seconds. Second to finish and repeat winner in the stock board division was Outrigger member Dale Hope with a time of 1:23:57. Winner in the Malibu board division, and 6th overall, was Outrigger member Mike Fox in 1:47:02.

The complete race results: 1. Kiki Spangler (racing); 2. Dale Hope (stock); 3. Bruce Ames (racing); 4. Donny Mailer (stock); 5. Burt Gordon (stock); 6. Mike Fox (Malibu); 7. Brant Ackerman (racing); 8. John Hedlund (Malibu); 9. Loyd Meissenburg (Malibu); 10. Mike Spalding (Malibu).

Winners in a run-swim-run relay were the team of Kimo Austin, Walter Guild, Fred Hemmings, Jr., and Kisi Haine. Rod Muller, Dale Hope, Mary Fox, and Burt Gordon placed second and Tom and Marilyn Haine teamed with Mike Spalding and Loyd Meissenburg to take third.

Waikiki Surf Club belatedly cancelled its 20-year sponsorship of this event. Many thanks to Federated Insurance Agency for coming in at the last moment to provide the handsome trophies. Thanks also to Club members Fred Hemmings, Jr., Cline Mann, Paul MacLaughlin and Outrigger beach captain Wayne Faulkner for conducting the race.

Ten OCC Members in Rim of Pacific Marathon

Among the 297 entrants who officially completed the 1974 Rim of the Pacific Marathon were ten OCC members, including men, women, and children. (If we have inadvertently omitted the name of any member who ran, we are sorry.)

Jan Newhart placed first in the Women's Veterans Division. Her time of 4 hours, 2 minutes, 16 seconds set a new national record for 46-year-old women. Overall she finished 174th.

Sue Stricklin, with a time of 3:51:46, placed second in the Women's Masters Division. Overall, she was 149th to complete the 26-mile, 385-yard course.

OCC member Morton Mandel placed 11th in the Men's Veterans Division and finished 192nd overall. His time was 4:14:22. Dr. Jack Scaff finished 69th overall with a time of 3 hours, 22 minutes, 22 seconds.

Bill Stricklin IV, eleven years old, came in 277th overall with a time of 5:31:56. His brother John, eight years old, finished 292nd in six hours, seven minutes, 41 seconds. Father Bill Stricklin came in 70th in the Open Division and 203rd overall with a time of 4:18:32.

Outrigger members Bill Burgess, Fred Hemmings, Jr., and Bruce Ames finished 161st, 241st, and 286th respectively.

OCC Marathon Team starts training for '75

The OCC will compete in the 3rd Annual Rim of the Pacific Marathon scheduled for December, 1975. Training begins this month for a team that will be representative of OCC membership, including boys and girls along with men and women runners.

Team Captain Bill Brooks is coordinating an overall training program to include talks on different phases of the sport—nutritional, physical, historical—as well as individual running and training programs. There will be special exotic Sunday morning trial runs in different parts of Oahu followed by breakfast at a jogger's table on the Hau Terrace. Credit toward 1,000-mile plaques will be given for training mileages to all members of the marathon team.

Training is aimed at competing in Hawaii's marathon, but the main objective is for every Outrigger runner to finish the long-distance race. Twenty-one runners have signed up to date. Those interested in joining the team are invited to add their names to the roster at the front desk of the Club. For additional details see or call Bill Brooks. Tel.: 734-8306.

An Urgent Message from our Management to YOU

Our Management again calls the attention of Club members to the rules that govern use of the Club's often overcrowded parking facility. With the issuance of new decals for identification of those who have parking privileges, we must, in order to protect those who are permitted to use the garage, continue to enforce the following rules:

OCC PARKING REGULATIONS

1. No cars shall be parked in the garage unless they bear current, duly issued and properly displayed decals on left front and right rear bumpers and are driven by members in good standing or special guests carrying current cards duly issued to spouses. The only exceptions to this rule are:

- a. Members temporarily driving substitute vehicles which shall be logged in by the parking attendant;
- b. Members using company owned cars and carrying a current, duly issued detached decal;
- c. Guests whose member-hosts have made prior arrangements with the manager and who are logged in with the parking attendant;
- d. Persons having legitimate business with the Club and who have been authorized to park by the manager;
- e. Employees approved by the manager and whose cars also satisfy the requirements as to decals.

2. Except as follows, overnight parking is prohibited except to those members who have made prior arrangements with the manager in accordance with the Club policy, and who pay the monthly charge therefor. The only exception to this rule is emergency overnight parking (24 hour limit) which must be authorized by the manager. There shall be no overnight parking on the main parking level. (C Deck).

3. Authorized employees shall park on the uppermost deck only.

4. Motorcycles, scooters and bicycles shall be parked only in the area designated therefor at the Mauka end of the main level.

5. Junior members and Associate members (students), and their guests,

shall not park on the main level at any time. On Saturday, Sunday and holidays, these members shall park on the top level.

6. No parking is allowed in the driveway area except by authorized service or delivery vehicles.

7. Every car shall be parked straight in a marked stall so as to render usable each marked stall on either side.

8. Cars shall not be double parked unless as directed by the parking attendant, who is authorized to move said cars as conditions dictate.

9. Children under ten years of age are not permitted in the parking and driveway areas unless accompanied by an adult.

10. *Maximum speed limit in parking area is five miles per hour.*

11. The use of automobile horns and other sources of noise is prohibited.

12. The Club is not responsible for articles left in cars.

13. Persons driving extra high cars or who are transporting surfboards or other objects on the car roof shall maintain proper clearance to the ceiling, and especially to the lights which are a source of danger if broken.

Use of Club by children under 10

Children under 10 years of age are not permitted to use the Club unless they are with their parents. We ask that parents help us to enforce this Club rule by accompanying their under-10 children when they are on the premises.

At the age of 10, children become eligible for Junior membership and can then use the Club independently. The children of members between the ages of 10 and 14 do not have to pay an initiation fee for Junior membership status. Monthly dues are \$2.50.

Sponsoring A Guest

When ordering guest cards, members are asked to please indicate whether they wish to have themselves or their guests charged the \$20 fee for issuing guests cards for a minimum two-week period.

Editorial Comments

When I am at our Club some of these beautiful winter mornings we have been enjoying lately, I wonder how many of our members realize what an exceptionally charming spot we have on the Diamond Head end of our crescent-shaped beach. If you haven't been there lately, and if your mornings are sometimes free, try it. It's hard to imagine a more beautiful sweep of shoreline, with its palms and distant mountain backdrop, anywhere in the world.

And what a delightful place for lunching and dining. Whether you eat in the dining room area or more informally on the Hau Terrace, you find it hard to concentrate on either food or talk, the surroundings are so charmingly Hawaiian. We are lucky people, fellow-"Riggers"!

Two-thirds of this page are devoted to a message from our Management; a message labeled "Urgent", and rightly so. As Americans, we seem to have an inbred dislike for rules or regulations of any kind. Older people get used to them but still tend to resent them. The young sometimes appear to delight in flouting them. But unless we have rules and make at least a reasonable effort to abide by them, we don't get along very well in our complex social structure. So, however you feel about "regimentation", we urge reading of Management's current message, plus the kind of cooperation Management needs to run a good club.

Fred R. Kingman
—a belated tribute

Bob Miller (below), attended his 33rd Outrigger Christmas Open House and sat at Table 50, his favorite table at the Club. Here he works on a manuscript about Lee Teg, who rediscovered the lost Italian art of painting on black velvet. Bob is almost a fixture at the Club and says he can't think of a better place to relax.

(Above) Mr. and Mrs. Fred R. Kingman were in the lobby of the Kahala Hilton when this snapshot was taken almost a year ago, in March, 1974. Mrs. Kingman recalls that her husband had many and varied interests. A dog fancier, he was first president of the Doberman Club of America. He was active in politics and worked for schools, parks and better housing.

When Fred Kingman passed away last October, few of his Club contemporaries of the World War II era and on into the sixties were around. As a result, his passing did not receive the attention it should have received.

Mr. Kingman came to Hawaii in 1939 and was a Club member for 35 years. He was the head of a company which sub-leased some 14,000 square feet of land fronting on Kalakaua Avenue adjoining the then newly leased Club premises at 2335 Kalakaua. The arcade building which his company built there provided an easement for use of Club members entering and leaving the new clubhouse. Without this arrangement, the 1941 Outrigger clubhouse might not have been feasible.

Although Mr. Kingman never sought office in the Club, he was involved in many of its activities. He was also a leader in numerous civic enterprises. He is survived by his wife, Lucile Kingman, three sons, two grandchildren and other relatives.

Looking for Committee Work? Here's how . . .

If you wish to serve on a Club committee in 1975, be sure to fill out the card sent to each voting member along with ballots for election of new Board members. Return the card, indicating your preference for a particular committee, to the Business Office.

Committee appointments are made following election of the new Board of Directors. The Board appoints Coordinating Directors to act as liaison between the Board and various club committees. Coordinating Directors select committee chairmen who then appoint the members of their committees.
