VOLLEYBALL TEAM HEADS FOR NATIONALS

As this issue of the FORECAST goes to press our volleyball contingent, headed by coach Ron Sorrell and Co-captains Tom Haine and Colin Chock, are in St. Louis, Missouri for the two-day National AAU tournament May 3-4. Outrigger is the defending champion in this tournament, having won last year in Seattle, and also at Detroit in 1967.

The team then moves to Knoxville, Tennessee, for the U.S. Volleyball Association championships May 7-10. In the Open division our team has taken runner-up honors three years in a row: at Grand Rapids in '66, Detroit in '67, and Portland, Oregon in '68. Our team in the Masters division (age 35) was also runner-up last year.

We regret that both our Open and Masters teams will be without the services of Co-captain Tom Haine. The 1968 Olympic captain suffered a torn knee tendon shortly before the state tournament and has been in a cast ever since. He is on the trip as an assistant coach.

On April 26 in the State double A volleyball championships held at the U. of H. gym, Outrigger defeated its arch rival Church College of Hawaii two games straight in the winners' bracket and by scores of 15-8, 15-10 in the finals, to win the title for the 5th consecutive year. The OCC masters took 4th place in the 8-team contest, while a congregation known as the "Outrigger Spirits," consisting of Mike Holmes, Mike Lemes, Jug Holt, Jon Haneberg, Bob Arnott, Mike Wilson, Tom Conner and Billy Cook captured 5th place.

The state title was actually an anti-climax for our boys who only three days earlier tangled with Church College at Laie in a well publicized exhibition game. Outrigger was hard pressed in that match to win 3 games to 2 over the '68 runner-up in the national collegiate division. The Church College team, now led by Pete Velasco former Outrigger star and 1964 Olympic captain completing his education, has been a very formidable foe of the Outrigger during the regular season tournaments.

In the SubPac, Waialua, Haili (Hilo) and State tournaments, OCC captured first with Church College second. The Collegians reversed the order in the Church College and Outrigger tournaments.

In the single A tournament at U. of H., the Outrigger team took 2nd to Central YMCA.

The end of March brought the defending Masters National Champion team, the Pacific Coast Club of Long Beach, to Hawaii for a series of exhibitions and one tournament. Our Masters team gained revenge for its defeat by this same team in last year's nationals by outplaying them in an unofficial match. The Pacific Coast Club climaxed their stay here by playing in the Haili tournament April 3-6 in Hilo. They finished a respectable third behind Church College.

Members of our open team are co-captain Colin Chock, Chris Crabb, Tony Crabb, Fred Hiapo, Paul MacLaughlin, Chris McLachlin, Mike McMahon, Dodge Parker and Jim Pietsch. The masters team consists of Ron Sorrell, Bill Baird, Colin Chock, Roger Clissold, Bill Heilbron, Mark Lawson, Al Lemes and Fred Noa. Wally Young continues his yeomen service as team manager for the sixth year.

**DR. HUFFAKER ALMOST DEFEATS ALENUIHAAHA CHANNEL**

Dr. Harry Huffaker, a channel swimmer super-extraordinary, battled and lost by only a few miles in his gallant attempt to become the first person to swim at 32 mile Alenuihaha Channel.

Huffaker’s 17 hours and 7 minutes in the chilly water was a heart-breaking prelude to failure. But, swimming in the tradition of the Outrigger Canoe Club, Huffaker was even more valiant than the day he conquered the Molokai Channel.

To have accompanied him was an honor; but, to witness his ultimate defeat brought a lump to the throat. Our hopes and prayers had mentally pulled him through the gray waters.

Outrigger is proud of you, Harry Huffaker. We salute your courage. And we predict your ultimate triumph over the Alenuihaha Channel.

Overall direction of the channel swim effort was by John Marshall assisted by Ron Haworth, Dr. Bob Smith and Bruce Ames. Special thanks go to Zander Budge, owner-skipper of the escort boat “Spooky Luki,” and his sons Peter and Alexander.

A more complete story with pictures will appear in next month’s FORECAST.

**CANOE RACING**

The 1969 canoe racing schedule has been announced by the Hawaiian Canoe Racing Association. The first regatta, commemorating Kamehameha’s birthday, will be held at Kailua Beach Park on Sunday, June 15. Since the Kaneohe Marine Corps Air Station K-Bay Karnival, normally held the following weekend has been scheduled later in the summer, a new regatta will be held on Sunday, June 22. The new event will be sponsored by the Leeward Kai Canoe Club and held at Pokai Bay. The annual OCC-sponsored Walter Macfarlane Regatta will be held at Moana Hotel beach on Friday, July 4. The Oahu championships will be held at Keeki Lagoon on Sunday, July 13 and the State Championships at Kaneohe Bay on Saturday, August 2 in conjunction with the K-Bay Karnival.

Of interest to paddlers is the addition of a new event in the regatta program. That is the boys 12 years and under. Other rule changes include lengthening of three races: senior men to 2½ miles, junior men to 2 miles, and freshmen men to 1½ miles.

Mark Buck will be head coach for the third year, assisted by Fred Hemmings, Jr. and Mike Lemes. Training has already begun. All paddlers, either experienced or novice, are urged to tryout for the team.

**Sports Notes**

**ARMED FORCES VOLLEYBALL**

Congratulations to club members Jon Haneberg and Bob Arnott who in March played in the U.S. Army Pacific Regional Championships in Korea. Their Schofield Barracks team won the title and both our boys made the all-tourney team. Jon was selected to tryout for the All-Army team at Fort Sheridan, Illinois where he just missed making the team.

**KARATE**

In the second annual U.S. Invitational Karate Tournament of Champions to be held at the Honolulu International Center Arena on May 3, OCC paddler Mike McAndrews will be competing as a member of the team representing Hawaii against the Mainland squad.

**KIMO AUSTIN NAMED SKEET ALL-STAR**

The 1969 All-America skeet team selected by the magazine Sports Afield includes OCC member Kimo Austin. The former Punahou School swim star won the World Champion of Champions event at Kansas City last August with 100 straight. He ranked fourth in the nation with his 20 gauge score and eighth for his four-gun total. He is Hawaii state 20 and 28 gauge champion.

By the way, Skeet Chairman, Dave Hendrickson is appealing for more participants in the monthly tournaments. The matches for April had to be called off, but one is definitely scheduled for May. Sign up at the front desk of the club.

**JOGGERS PONDER CONTEST WITH YMCA**

Bill Brooks, head of the OCC joggers, reports that he has received an inquiry from George Fox, physical fitness consultant at Central YMCA, regarding a proposed jogging contest between the two organizations. Bill has answered to the effect that he will call a meeting soon to discuss the project.

**OLD TIME VOLLEYBALL**

A program of old time volleyball, beer and beef stew commenced on Wednesday, April 30 and will continue each Wednesday evening through the summer months. Those who recall those good fun tournaments at the old club site where relaxed rules and good fellowship were the order of the day, will want to participate in this event resurrected by Bill Capp. And the rest of you, be you novice or expert, come on out to play, watch, drink or eat.
The 5th annual summer program for junior members will begin Monday, June 16 and continue for six weeks, ending Friday, July 25. Sessions will be from 9:30 a.m. to 3:00 p.m.

Participation is restricted to (1) junior members 10 to 15 years of age, (2) persons in the 10-15 age bracket whose applications for junior membership are in process, and (3) children of members 9 years old who are already water-safe. Only full-time participants will be accepted, and there will be a limit on the total number of participants.

The cost for the program will be $85 for the first child in a family; 2nd child $80; 3rd child $75.

The director will be Brad Yates of the physical education staff at Punahou School who holds a B.S. degree in industrial management from Georgia Tech and a professional certificate in Physical Education from the U. of H. Assistant directors will be Lance Mann and Sharon Peterson, also of Punahou's physical education staff. Additional persons will be engaged to instruct in the various sports involved.

Mountain Ball

The Mountainball League games will start on June 1 with eight teams playing two rounds. Play will run through the month of August.

Our team is open only to members of the club. Chairman Dave Pierson says practice will start in mid May, and he encourages those interested to sign up now for there will probably be a limit to the number of uniforms available.

Practice sessions and league games will take place in Kapiolani Park right across Kalakaua Avenue from the club. Game time is 5:15 p.m. on certain weekdays. The full league schedule will probably be published in next month's FORECAST.

Sailing

Members will be pleased to learn that the club's four Sunfish sailboats, which have been out of commission for so long, will be replaced with brand new boats by about the middle of June. The Sailing Committee will re-publish the rules and regulations as well as the qualification procedures governing the use of the club owned boats. It is also planned to reestablish the Saturday morning sailing classes sometime in late summer.

Meanwhile the club is being affiliated in the Hawaii Yacht Racing Association so that members owning boats in the Sunfish, Scorpion, P-Cat, Cal-Cat, Hobie-Cat, and cruising classes will be able to compete in certain open regattas. The first such race is the annual Maritime Day race into Pearl Harbor sponsored by the Propeller Club of Honolulu scheduled for Saturday, May 17.

The following weekend May 24-25 the OCC sailors will make their 3rd annual invasion of Kauai to take on the Kauai Yacht Club in Nawiliwili Bay. Our skippers are determined to atone for their humiliating defeat last year after their smashing victory in '67.

WHAT'S NEW!

For those of you who haven't dined at the club recently, you've been missing a treat. You will find a special feature on the menu—an item called the "Kamaaina." The Chef prepares a different item each day with a touch which should appeal especially to the island-resident, popularly priced at $2.95! Among the popular items which are regularly scheduled are a seafood newburg and laulau, salmon and poi.

We understand that beef stew, for many years a popular item at the old club site, will soon be added to the list of Kamaaina items, as well as other dishes designed to appeal particularly to members and their families.

JOHNNY HOLLINGER'S PASSING MOURNED

Long time club member and water sportsman Johnny Hollinger passed away on April 6 after a long illness. His death saddened the host of members who were taught the art of surfing and canoe steering by that fine gentleman. Our deepest sympathy is extended to his widow Mrs. Winona Hollinger and family.

SAD NOTE

Friends of past president Tommy Arnott were saddened to learn of the recent death of his mother, widow of Thomas A. Arnott. Besides Tommy, Mrs. Arnott is survived by another son Bob and three club member grandsons: Tom, Bob and "Winkie."
