National Volleyball CHAMPIONS

Volleyball

AAU AND THE NATIONALS

By Mike McMahon

The Outrigger Canoe Club's Volleyball Team made an excellent showing on their recent trip to the mainland to defend their National AAU Championship and play in the United States Volleyball Championships. Our trip started in Seattle, Washington where the AAU Championships were held at the University of Washington. This is a two-day tournament and its entries included the sixteen top teams in the U.S.A. The Outrigger went through the first day undefeated and then Sunday lost only one game on its way to the Championship, defeating Westside Community Center of Los Angeles in the final match. We not only defended our title, we won another National Championship. Members of the winning team were: **Tom Haine, Paul MacLaughlin, George Sarantos, Dodge Parker, Pete Velasco, Colin Chock, John Stanley, John Alstrom, and Carl McGowan.** Selected to the tourney's All-Star Team were: **Tom Haine, Pete Velasco and John Stanley.**

We next moved to Portland, Oregon and Portland State College for the U.S.V.B.A. Championship. We entered three teams in the two divisions and came home with second place in the Open Division and second place in the Senior Division (men 35 years and older). This was truly the finest Nationals of them all, with every team and team member doing his best to win a spot for the tryouts to pick our Olympic Team.

In the Open Division the Outrigger Whites (same team that won the AAU) won all their matches quite easily and moved into the finals of the Winners' Bracket to meet again Westside Community Center. The Outrigger won the first game in a best 2 out of 3 series, but Westside made a key switch in personnel and strategy and won second and third games. Thus the White team dropped into the finals of the losers' bracket there to meet again another Westside Team called the Reds. In this match which was quite exciting, Outrigger won in three games. Now we are in the finals of the Tournament again to play Westside Blue Team. In this match Westside was really playing terrific volleyball, and the Outrigger team played great also but seemed somewhat tired and got a couple of bad calls from the referee which took some of the fight out of the team. The Outrigger lost to Westside 15-5, 15-5. Every member of the White Team played well and certainly deserves all the credit due them.

We also entered a Green Team in the Open Division and this team was composed of members of the Senior Team and three players from the Varsity. This team lost to L.A.Y.M.C.A. (4th seeded in tournament) in its first match, but gave the L.A. team all it could handle before losing 13-10, 15-10. They played Beach State College in their first match of the losers' bracket and defeated Long Beach 15-6, 15-8. Then they played the Dallas Y.M.C.A., a strong national contender, and lost to them, 14-11, 15-6, thus they were eliminated from the Open Division. Members of this team were: **Pat Wyman, Ron Sorrell, Bill Baird, Bill Heilbron, Mike Holmes, Fred Noa, Dave Hendrickson, Dan Oredson, Mike McMahon and Cole McFarland.** This team and every member played their hearts out.

In the Senior Division, the Outrigger Team moved through the tourney quite easily and into the finals of the Winners' Bracket to play Long Beach Y.M.C.A.'s team. The Outrigger Seniors were really playing terrific volleyball in this match and won in two straight games. Long Beach then won the finals of the losers' bracket and came back to play the Outrigger Seniors again in the final

match. In the finals the Long Beach team was "red hot" and won two straight games thus forcing a one-game play-off for the championship. In the final game Long Beach, paced by Jim Montague (just elected into volleyball's Hall of Fame) and Dick Hammer (member of U.S. Olympic Team 1964), were too tough for Outrigger and won, thus capturing the Championship, and our Seniors were second. Members of the Senior Team and a real great team, were: **Bill Baird, Ron Sorrell, Fred Noa, Pat Wyman, Dan Oredson, Bill Heilbron, Wally Young** and the Iron Man of the tourney playing in both the Open and Senior, **Tom Haine.**

The Outrigger placed two men on the First String All-American Team, **John Stanley** and **Pete Velasco**, two on the Second Team, **John Alstrom** and **Tom Haine** in the Open Division.

In the Senior Division—First String All-American were **Tom Haine, Pat Wyman** and **Fred Noa.** On the Second Team were **Bill Baird** and **Ron Sorrell.**

A truly outstanding record and performance by all the players and they are to be congratulated.

Selected for tryouts for the U.S. Men's Olympic Team to be held in August were: **Tom Haine, Pete Velasco, Jon Stanley** and **John Alstrom.** The coach of Outrigger team, **John Lowell,** has been selected as the manager of the U.S. Olympic Team.

Selected as an alternate for the tryouts was another Outrigger member, **Tony Crabbe,** who played for Church College of Hawaii, and they came in second place in the Collegiate Division and were the "Cinderella Team" of the Nationals. Tony did an outstanding job for that team and deserves much credit for their success.

All in all, a great year for the Outrigger in volleyball, and certainly appreciated are all those who gave us support, and we hope to capture both National titles in 1969.

John Stanley has left Honolulu for six weeks of training with the Air Force in Texas. John will then go to Lake Tahoe to train with the U.S. Olympic Volleyball team.

VOLLEYBALL SCHEDULE

The following is a schedule of the summer sand volleyball tournaments. In an effort to eliminate some of the usual tournament confusion this summer we would appreciate all participants showing up on time for their games and to be available for two full days of volleyball.

Entries will close and the tournaments drawn up at **5 p.m. on Fridays preceding the tournaments.** Playing times will be available from the front desk on Friday nights.

Awards for all the summer tournaments will be given at a dinner the Sunday evening of the 4-man tournament.

The Volleyball Committee looks forward to seeing our new members, young members and the old guard on the courts this summer.

Sept.	1	4-Man Open

California Honolulu Catamaran Race 1968

By Cline Mann

Only a few days more and the 3rd Biennial Multihull Trans-Pacific race will start off Point Fermin Buoy at San Pedro, California, at noon, July 4. It appears now that the following eight boats will make the 2,225-mile race:

Imi Loa, 43-ft. catamaran, Dr. Vic Stern and Freeman Odum; sole finisher in '64 and 3rd to finish in '66;
Glass Slipper, 50-ft. catamaran, Jay Johnson and Chuck Gardner; winner on corrected time in '66;
Auriga, 38-ft. trimaran, Dr. Robert Cameron;
Lani Kai, 46-ft. catamaran, Dr. Martin Crumrine;
Manu Iwa, 50-ft. catamaran, Lance Reventlow;
Polynesian Concept, 36-ft. catamaran, Buddy Ebsen;
Sea Smoke, 58-ft. catamaran, James Arness;
Illusion, 43-ft. catamaran, Gordon Cann.

Of the eight entries, six boats are racing in this race for the first time. One of the newcomers is **Sea Smoke**, owned by TV star James Arness, first to finish in the Ensenada yacht race earlier this year.

The race is under the sponsorship of Ocean Racing Catamaran Association, Outrigger Canoe Club, Seal Beach Yacht Club and Waikiki Yacht Club. Outrigger has been a sponsor beginning with the first race in 1964. The executive committee on the Honolulu end is headed by OCC's Cline Mann, assisted by Peter Dillingham, Dan Feltham and Dan Wallace of both OCC and WYC, and Buck Ashford of Kaneohe Yacht Club.

Depending upon weather, surf and beach conditions, boats finishing between 7:00 a.m. and 9:30 p.m. will be brought into the Outrigger lagoon, there to be greeted suitably by club members and friends and moored overnight. On Thursday, July 18, the crews and their friends and families will be entertained at a no-host cocktail party at Waikiki Yacht Club. The next night, Friday, July 19, will be a trophy awards party at Outrigger Canoe Club. The OCC Entertainment Committee, assisted by Manager Peter Van Dorn, is in charge of this one, and it should be loads of fun, just like the parties for the **Kamalii** in '65 and '67. On the program will be catamaran skipper Buddy Ebsen, veteran entertainer and star of TV's "Beverly Hillsbillies."

The Honolulu committee appeals for assistance from the members in the categories listed below. Those who want to join in the fun of working on this race are asked to leave their names, addresses and phone numbers with the club manager.

As in previous years a large chart at the entrance into the club will show the daily position of each yacht so that members can follow the course of the race and be ready to receive the racers as they finish, beginning about July 13.

If everybody pitches in, this biennial event will be a sporting and social affair not soon forgotten.

Information Center

Lou Schilling is in charge and needs a host of helpers, both male and female, for a multitude of tasks. The information center will be adjacent to Miller Marine Sales at the Ala Wai Yacht Harbor. It will be manned about six hours a day until the yachts approach Oahu. The last few days it will be manned 24 hours.

Towing and Mooring

Dan Feltham is in overall charge, assisted by Wally Young and Tom Reiner. Volunteers are needed from the club membership to man committee boats and handle lines and stern anchors at Outrigger.

Hosting

At this printing there is no chairman. We want, however, at least two sponsors for each yacht to take care of the greeting duties and the other numerous courtesies normally extended to the crews and their families.

Sailing

Photo by Wally Young

The Annual Kauai Regatta between Outrigger and Kauai Yacht Club was held in May. Outrigger won last year but did not fare quite so well in the return engagement, going down a close second to an inspired Kauai club in their home Nawiliwili Harbor. Here is the lineup on the beach before the first race.

Mountain Ball

By Dave Pierson

The Outrigger Mountainball team moved into a tie for second place with a thrilling 7-6 extra inning victory over the Park Engineering Co. **Radford Small** delivered the key hit which scored **Billy Baird** with the winning run in the ninth inning.

Returning volleyball stars **Baird**, **Colin Chock** and **Mike McMahon** have bolstered the Outrigger to its third win in four games. Only a heart-breaking 4-3 loss to perennial powerhouse Bishop Estate has slowed the pace of our team.

Bob Rediske, coach **Dave Pierson**, **Henry Ayau**, **Bill Erwin**, and **Johnny Mounts** have led a potent hitting attack which, after a slow start, ranks among the league powers.

The second round continues next week with Outrigger attempting to avenge an earlier loss to the Towill Construction Co. The game is at 5:30 on Wednesday, June 12. Come out to watch this game and the others that will follow. **Support your team, just walk across the street to the back stop and have a ball.**

Boys 14

The 1968 Outrigger canoe paddling season got off to a great start for our club at the Annual Kamehameha Day Regatta held at Kailua Beach Park, Sunday, June 9th.

Outrigger placed second in the regatta. This is up from fourth place in the same regatta last year. Traditionally, Outrigger gets off to a slow start in the early regattas of the season. This is due to the fact that most of the paddlers in the older age groups have not yet returned from their mainland colleges. This year, however, coach **Mark Buck**, most ably assisted by **Mike Lemes**, has worked with superb success to get the most out of their available crews.

The Outrigger posted three first places, the 14 and under crew with **Skipper Barnes, Mark Teele, Richard Blackburn, Dale Hope, Johnny King**, and steered by **Keoni Downing** in his first year with Outrigger Canoe Club. The Boy's 18 crew took our next first place win over a single entry, Healani. The 18's are **Marty Wilson, Johnny Mounts, Tommy Arnott** (in his first canoe race ever), **David Alexander, Mike Driscoll** and **Brant Ackerman**. The 18's ran a perfect race and took and kept the lead throughout the one mile race. Our last win for the day, and also a record, was by the Freshman crew. The Freshmen ran their one-mile event in the time of 8:54.5 in very windy, choppy seas. The Freshman crew: **Jody D'Enbeau, Tom Connor, Tony Crabbe, Bill Eggers, Tom Bean** and **Butch Ledford**. These were the winning crews; they were backed up by some fine paddling on behalf of the Boys 13 who, because of an unfortunate mistake of finishing out of their lane, lost what was a solid second place. The 13's will no doubt make up that place as the season progresses. Our Novice men put in another excellent performance in their first outing, taking a second place in an excellent race. Our Boy's 16 crew took a fourth place in what was really a photo finish of the second, third and fourth place canoes.

Our Freshmen girls really put in a splendid performance with a second place finish. The girls paddled with great ability and will no doubt improve that one spot with a bit more training. Our Novice girls took a fourth in their first outing but that placing is not an indication of their ability; a little more practice will have them on top. Our Junior and Senior crews both came home with third place. Both were victims of rather unusual lanes and, for this writer, a rather casual and inconsistent interpretation of the rules by the Racing Association. Our Junior men drew lane one, closest to the shore, a lane that appeared to be somewhat longer than the others by the performance of those who paddled in it from the various clubs. When in the Senior event the officials allowed Healani to turn short of their flag they virtually assured Healani of its final second place. Why weren't the other crews who used this lane allowed that advantage? One would think that after many, many years of setting lanes that the task could be undertaken in a more accurate and durable form.

Most active paddler of the day award must go to **Jody D'Enbeau** who came to the races at 8 in the morning, stayed through all the events until noon, then back over the Pali to the University to not only graduate but also to receive his commission in the Army in full dress uniform, then a quick trip back to the races to set the pace for the record breaking Freshman crew. Jody's wife Nancy put club and paddling before ceremony and stayed with her Freshman women's crew to paddle to their second place. It was Nancy's debut in canoe paddling and a very active day for the D'Enbeau family.

This was in all respects a great opener for the Outrigger Canoe Club and what we all hope will be the beginning of a fine season.

Remember your club sponsors and puts on the Annual Macfarlane Day Regatta July 4 at Waikiki. This is but a short walk from the Outrigger Canoe Club. This is one of the finest spectator races of the season. It is particularly thrilling if the surf is big. Be sure to go to your club's race on the 4th of July.

Boys 16

CANOEING "K-BAY DAY" RESULTS

Outrigger places strong second overall in the "K-Bay Day" Regatta. Following our strong initial race at Kailua Beach Park, the club continued to build its strength with excellent showings in all events. Every crew finished with at least one point to their credit. The club posted four first places: Boys 14, Boys 16, Boys 18, and Freshmen Men. Three second places went to Boys 13, Novice Men, and Senior Men, theirs a splendid race in which first place was traded many times in the closest race of the day. The seniors lost out to Waikiki Surf Club by less than a boat length. Third place positions were made by Novice Women, Freshmen Women, and Junior Women. We did not enter a Junior Men's crew nor a Senior Women's crew.

Pictures of the races and the victorious crews will appear in the July issue of the FORECAST.

Left to right: M. Buck, S. Fleming, K. Graham, S. Petit, S. Reiner, H. Hemmings.

Novice Girls

Tennis

OCC Singles Tennis Tournament has been scheduled for **Saturday and Sunday, June 22 and 23**. All matches will be played on the two mauka Kapiolani Park Tennis Courts and each match will be the best two out of three sets.

There will be competition for men and women and the tennis committee has selected handsome trophies that will be presented to the champions and runners-up in both divisions.

Entry fee is \$1 which is to be paid at the front desk when signing up. Deadline for signing up on lobby Bulletin Board is **Sunday, June 16**.

Tennis Committee: **Chairmen**

Men—**Peter A. Balding**

Women—**Marilyn Haine**

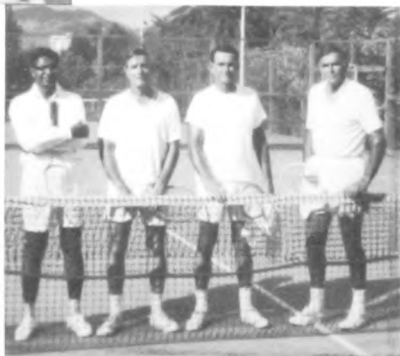

Shown here are the February winners of the first Outrigger Tennis Tournament:

Men's winners in doubles: **Jim Beardmore, Gulab Watumull**.

Second place in doubles: **Leith Anderson, Harry Berger**.

Women's winners: **Billie Baird, Sinclair Guard**.

Second place: **Gertrude Berger, Shawn Washington**.

The FORECAST regrets to hard-working Tennis Committee **Peter Balding** for this late issue. The results of the tournament will appear in the July issue.

Historical

The Historical Committee, under the chairmanship of **Mariechen Jackson**, is in the process of assembling pictures of the club's activities—particularly of our "Old Timers," and any scenes of the club in its history at the old Waikiki site. The committee will be delighted to have any pictures which our members would care to donate to the club's archives. Just leave them with **Viki** at the front desk. They will be treated with care. If you want them back that's fine, as arrangements are being made to micro-film all items submitted.

By Maile Buck

Four of our Junior members let loose with their adventurous spirits and, accompanied by **Dr. Straeley**, hiked twenty miles into Haleakala crater last week. **John King, Mark Osmun, Doug Strehley, and Mike Wilson** enjoyed their stay in Maui immensely and proved to be quite experienced hikers.

Linda and Debra Albrecht, accompanied by their parents, **Mr. and Mrs. Ernest Albrecht**, are on a tour of the Orient. They will be returning in three weeks.

Quite a few graduations have taken place in the past month and stepping into a new world of college are these Junior members:

Brant Ackerman and **Tina Berger** have chosen the State of Colorado as their destination. **Brant** will be attending classes at the University of Colorado, while **Tina** will be at Denver University.

John Baird and **Cole McFarland** will be off to Utah to attend classes at Brigham Young University.

Doug Bechert and **Laura Pettit** have decided to stay in our fair State. **Doug** will be attending the University of Hawaii, and **Laura** will be at Leeward Community College.

Our spirited **Noel Black** will be off to New York to attend Briar-Cliff Girls' College.

Patti Grosjean will be leaving Hawaii in two weeks for California for a head start at Cal-Western.

Larry Langley, Natalie Johnson and **Steve Wilcox** have chosen to further their education in the State of Oregon. **Larry** will be at Oregon State, **Natalie** at the University of Oregon, and **Steve** has been accepted into Lewis and Clark.

Jayn Montz will be attending classes at Temple-Buell. (It was formerly known as Colorado Woman's College.)

Garry Ostrem has been accepted into Arizona State College, and our smiling **Dodge Parker** will be off to California to attend Santa Monica City College.

Peter Stanley has chosen the State of California as the location to further his studies and will be attending the University of California in Santa Monica.

On behalf of the **Outrigger Canoe Club**, I would like to send the Best of Luck to all the above-named and wish them the best in all their endeavors.

Travel

The Grasshopper/Outrigger Charter Flight is now only a memory. It is a happy memory for those who were able to make this splendid trip. It was indeed a happy group that assembled at Brussels National Airport on May 30th for the return flight to Honolulu. The International Departure Lounge looked for a moment like the Hau Terrace there were so many Outrigger members about along with many familiar faces of the Grasshopper group.

The variety of experiences had by the charter members was due in fact that no required tour or itinerary was imposed upon the members of the flight. Some people visited relatives, others good friends and temporarily displaced Outrigger members. Many bought or rented automobiles and just went as they pleased. This spring in Europe was for the most part bright and sunny alive with color and notably absent of hordes of tourists. A delightful spring except perhaps for those who had the misfortune to become involved in DeGaulle's dilemma.

Judging from the great pleasure most members enjoyed on this trip there are sure to be more groups in the future to a variety of destinations.

While on the subject of international travel, the subject of the once proposed travel restrictions comes up again. The taxes are all dead issues at this time. The public and the airline industry, both domestic and foreign, all made it quite clear that this restrictive policy was grossly unpopular and very unfair to the many carriers of all nations who fly to and from United States ports. The foreign carriers were indeed hit the hardest by adverse publicity, they became victims of U.S. policy while at the same time purchasing a vast number of goods and services in the U.S. Mr. Eric Emberson, Honolulu representative of BOAC, supplies typical information that might be similar of many of the foreign carriers. The statistics are quoted here—they are very enlightening.

"Each week, BOAC spends nearly \$1 million in the U.S.A. on running costs—payroll, rent, advertising, hotel bills, air catering, etc. Hundreds of American industries benefit from this expenditure. These bills, which rise every year, do not include capital spending.

"In ten years, BOAC has spent nearly \$200 million on Boeing 707s and spares, and on its New York cargo terminal.

"In the next five years, BOAC will spend over \$400 million in the U.S.A. on capital equipment—Boeing 747s, IGM computers and on its passenger terminal at J. F. Kennedy Airport.

"BOAC has also paid down \$600,000 for U.S. SST delivery positions.

"American travel agents earn over \$5 million every year in commissions from BOAC.

"Britain is America's biggest source of overseas visitors. In 1967, over 250,000 Britons came to the U.S.A.—twice as many as from any other European country, and as many as from Germany and France combined.

"America has a favorable balance of trade with Britain. On the last available figures, the balance was over \$500 million in favor of the U.S.

"In 1968, BOAC plans to spend nearly \$1 million in Britain alone on promoting travel to the U.S.A. Hundreds of thousands of dollars more are being spent in other parts of the world."

Charter flight or regularly scheduled flight, Europe is a bit more open this year due to all the speculation of this past spring. It's a good year to go.

Club Notices

TO OUR MEMBERS FROM THE GENERAL MANAGER:

There's a new look at the club now on weekends!

Believe it or not—tables are to be had at any time on the Hau Terrace and there is plenty of room in the dining room, bar and beach.

Why? As of June 15, 1968 last summer's policy will be effected whereby reciprocal club members may not use the club's facilities on Saturday and Sunday. This should result in a very noticeable change for the better in the usual weekend congestion. Your club is not overcrowded anymore on these play days and it is a real joy to be able to move around unhindered or not to have to fight for a table on the Hau Terrace. There is lots of room now to leisurely relax in your favorite spot wherever it may be, or to indulge in your preferred pastime.

This pleasurable condition could only be made possible by a substantial sacrifice of revenue from patronage by reciprocal club guests on these days. It was felt worthwhile to afford our members the opportunity to really enjoy their club on the weekends.

In order to maintain economic equilibrium it is necessary that our own members **use the club** at every opportunity or this new guest policy may have to be rescinded.

Come and enjoy this new spacious atmosphere. We know you will approve. You'll find good food, pleasurable dining and all types of relaxation among your friends.

SEE YOU AT THE CLUB!

MESSAGE FROM THE MANAGER: BEACH EROSION

We have been waiting for our sand to return to the club beach through natural conditions but it appears that Mother Nature is not cooperating fast enough and the Board is eager to have sand on the beach as soon as possible in view of the summer activities. Therefore, I am happy to report that in the very near future we will once again be a beach club with a beach!

Club Events

Albert Lemes has recently joined the staff of the First Insurance Company as a Sales Representative. Albert is well known to all of us as the club's paddling coach for the Annual Molokai-Oahu Canoe Race. Albert is a very active member of the club for many years.

Graydon M. Woolaway of Honolulu has joined First Insurance Company of Hawaii and is now licensed to write all general lines of insurance.

Young Woolaway is the third member of his family to join First Insurance. He joins his father, James who has been with the Kamaaina firm for the past 34 years and brother Kim who has been with the company since 1960.

Woolaway, 32, was formerly with Bank of Hawaii.

He is a 1955 graduate of Punahou school and attended the University of Washington and the University of Hawaii.

Active in the Republican party, he is also a member of the **Outrigger Canoe Club** and Sigma Chi Alumni Association.

Congratulations to **Grandpa Rand Potts!**

Daughter **Julie Camp** gave birth to a Memorial Day Boy. Statistics: Name—David Cooper Camp II, 7 pounds.
