The Outrigger Canoe Club finished 1st and 3rd in the Haili Tournament this past weekend, the 13th and 14th. The Outrigger Red team won the championship the hard way by coming from the losers' bracket and winning the finals and thus forcing a playoff . . .

In the playoff game, Outrigger was in complete command all the way as they defeated the Westside Jewish Community Center team from Los Angeles who finished second 15-5. The Outrigger Red team was paced by **John Stanley, John Alstrom, Tom Haine, Paul MacLaughlin, Dodge Parker, Carl McGowan, Mike Holmes** and **George Sarantos**.

This team was really playing together and hustling at all times and was the big factor in their coming back and beating Westside, after Westside had beaten them in the finals of the winners' bracket.

The Outrigger Blue team finished a strong 3rd place and had an outstanding match with the Outrigger Reds in the losers' bracket finals. The Blues were really scrappy and hustling throughout the tournament. After losing to Westside in their first match, the Blues won four straight matches before being eliminated by the Red team by scores of 5-15, 15-10, 15-8.

The Blue team was composed of **Ron Sorrell, Bill Baird, Colin Chock, Dan Oredson, Fred Noa, Dave Hendrickson, Mike McMahon** and **Cole McFarland**.

This team, although physically short by comparison to our Red team and Westside, gave both teams all the volleyball they wanted by good defensive play and smart spiking and all round hustle.

So in all, an outstanding tournament for the Outrigger Canoe Club.

AWARDS

At the conclusion of the Haili Tournament, awards were presented to **John Lowell**, winning coach of the Outrigger Red team; **Tom Haine**, coach of the Outrigger Blue team, 3rd place; **John Stanley**, outstanding player of the tournament; **John Stanley, Dodge Parker** and **Mike McMahon**, selection for All State Team.

The 60th Anniversary LUAU June 15th

Huge celebration being planned for the celebration of the club's 60th Anniversary.

By Margery Noe

It will be a sad day for many when at 4:30 p.m. on June 15th the Outrigger bar will serve its last drink!

But, it will be a happy moment when at 5:30 p.m. on that same day the bar and club will reopen to those who hold tickets to the biggest birthday party the club has held in ten years. It's a big beautiful Luau to celebrate the Outrigger Canoe Club's 60th Anniversary.

Members will want to purchase tickets early when they learn of the special effort being made to make this Hawaiian feast worthy of Maui himself. **Mr. Van Dorn** is heading a committee to visit the imu farms throughout Oahu to select the best imu for the occasion. **Eva Pomeroy** will be sampling the poi herself to be sure it is just right for the members she has taken such good care of all these years. Anzai and Pete have been working for weeks preparing a special brand of Okolehao to please the members. The ladies of the office staff will be stringing leis far into the night on the eve of the celebration. Of course there will be Hawaiian music and to add something special to the evening's entertainment, **Shannon Silvernale** is at the typewriter right this minute planning something with the real stars of the evening, namely our honorable past Outrigger presidents who will remind us of good times in years past.

Because this is such a special event, and the price is so special at \$5.00 per person, the club is limiting the number of tickets available to members and spouses and of course to single members' lady guests only. Tickets will be on sale starting May 1st. Tickets may be arranged by phone or in person at the front desk. In any case, once a member has requested tickets his account will automatically be charged. Because of the size of this event and all of the planning and advance commitments that must be made there will be a no refund policy. Any tickets unsold after June 8th, until time of the party, will be made available for members who wish to bring guests who are not club members.

If the best imu can be found, if Eva approved the consistency of the poi, and if Anzai and Pete get the Okolehao distilled properly, then the celebration will proceed on Saturday evening, June 15th, as follows:

5:30- 7:30 Happy Hour special prices
7:30 Hawaiian blessing
Kau Kau

8:15 Entertainment

9:00-12:00 Music for dancing

Keep the following in mind:

Hawaiian dress of course!

Club closed to all except those holding tickets

Tickets available to members and spouses only

Tickets available are limited.

The 60th anniversary chef and junior helper prepare the imu for the big night, June 15th.

Surfing

By Mark Hemmings

NOTICE to non-surfers and old timers . . . those are not "Paipo" (body surfing) boards you see the younger set carrying down to the shore lately. They are "mini-boards" . . . the latest trend in surfboard design ranging from 6 to 9 feet long and weighing between 14 and 18 pounds. With their minimal surface area, narrow tail, and deep fin they have opened new dimensions in performance and techniques. Although much smaller, these boards retail at \$175 to a high of \$200 for the "Lotus" model such as **Brant Ackerman** owns. If you want to avoid these prices, you might strip down, reshape your present board as **Mike Driscoll** has done. Or if you are really stoked, you can build your own mini-board from scratch. Ask **Tom Bean** for expert advice on this method.

The mini-board illustrated, left to right: **Corky Cruver**, **Steve Williams**, **Keoni Downing**, **Fred Hemmings, Jr.**, **Brant Ackerman** and **Tom Bean** with the "Kidney Bean."

The Kui-O-Hawaii Surfing Meet at Chun's Reef on April 6-7 was the setting for top surfing competition in which Outrigger surfers once again performed excellently. This time **Steve Williams**, **Brant Ackerman** and **Rusty Starr** placed well in the finals.

Joey Cabell

"**Joey Cabell** is the Best Surfer in the World Today," so says the lead caption for an article by **Dick Graham** in **SURFING Magazine** for April 1968. **Dick Graham** is the editor of **Surfing**. In his article he points out many of Joey's abilities and his versatility in both large and small surf. The article is abundant with high quality photographs of Joey in action. **Graham** points out that these photographs and others enable one to appreciate the quality of Joey's technique.

The first big surf of the summer season came up during the weekend of April 13th and many of our surfers were out taking advantage of it. Here pictured by **Cline Mann** is **Fred Hemmings, Jr.** screaming down a good wave at "Old Man's" in one of the two man canoes.

Canoeing

Don't forget, paddling training gets under way May 6th with a meeting at the club at 5:30.

The first races are already scheduled, the first to be on Sunday, June 9th, at Kailua Beach Park at 10:00 a.m. and the next on Sunday, June 16th, at Kaneohe Bay Marine Air Station at 8:00 a.m., yes 8:00 a.m.

Let's have a terrific turn out and outdo last year's efforts.

The Callup

Outrigger's athletic program as well as the lives of several of its consistent performers has been affected by the recent call up of the National Guard units here in Honolulu. Among those we will soon lose are **Glen Perry**, an outstanding paddler, **Jon Haneberg** of the 1967 Senior crew and the Lanai-Kaanapali and Molokai-Oahu Races, **Bob Arnott** of the Freshman crew, **Bruce Clifford** of the Lanai-Kaanapali and Molokai-Oahu crews, **Bruno McClean**, a fine volleyball player, **Duncan MacNaughton**, a dedicated tennis player, and **Walter Macfarlane, Jr.** It is highly regrettable that the world situation must deprive these members of the life they enjoy so much.

California Honolulu Catamaran Race 1968

Here is the "Patty Cat" as she arrived in the club lagoon in the 1966 race.

Sailing

The Kauai Yacht Club has announced their first annual Statewide Sun Fish Regatta. All members of the Outrigger Canoe Club who own or sail Sun Fish are invited to participate in this event. The Regatta will be held in Nawiliwili Harbor, the home waters of the sponsoring Kauai Yacht Club. There will be a Commodore's Ball (dinner and dance) on Saturday. The attire will be informal. A no host cocktail party will be held on Sunday at which time awards will be presented.

The Kauai Surf Hotel will extend kamaaina rates to all participants.

Tom Reiner will handle arrangements for the race and provide information for interested Outrigger members.

It might be remembered last year that our Sun Fish sailors went to Kauai at the invitation of the Kauai Yacht Club and not only had the time of their lives, but swept up the majority of events to take home to the club a handsome trophy which now graces the club's trophy case.

Watch for details, it will be a great regatta and good fun.

Date to be announced.

Tennis

Peter Balding will announce another tennis tournament for Outrigger to be held in May. Peter is working on a date that will not conflict with the many events scheduled for the busy month of May. Keep this tournament in mind and watch for an announcement on the bulletin board.

Plans are rapidly taking shape for the 3rd biennial California-Honolulu Catamaran Race which starts at San Pedro on July 4 and finishes at Diamond Head beginning about July 12. Held under the auspices of Ocean Racing Catamaran Association (ORCA), the race is co-sponsored by Seal Beach Yacht Club of California, which conducts the start, and Outrigger Canoe Club and Waikiki Yacht Club who handle the tasks at the finish.

This year eleven boats are entered, in contrast to five boats in '66 when **Patty Cat** was 1st to finish and **Glass Slipper** was winner on corrected time. In addition to these two boats and **Imiloa**, veteran of the '64 and '66 races, entries include TV star Jim Arness' new 55-ft. **Sea Smoke**, which from all indications is the favorite to finish first. Another new boat, relatively untested, is owned and skippered by auto racer Lance Reventlow.

It was in 1955 that **Waikiki Surf**, skippered by OCC member **Rich Muirhead**, who has since passed away, sailed along unofficially in the Transpac Race. In 1957 another OCC member, **Kenny Murphy**, skippered his famous **Aikane**, again unofficially, and was first to finish. Eventually ORCA was formed to conduct a special race for multihulls to be held during even-numbered years between the years of the Transpac Race for monohulls, now 62 years old.

Outrigger Canoe Club was appropriately chosen as a co-sponsor inasmuch as the modern catamaran is a descendent of the ancient Polynesian double and outrigger canoe. Moreover the new OCC location has lent itself to a spectacular and romantic site for the finishing boats to be received in colorful Hawaiian fashion in the lagoon.

After finishing, the boats will be moored at OCC for one night and then taken to Ala Wai Yacht Basin for the remainder of their stay in Hawaii. This arrangement, of course, will be dependent upon favorable surf and wind conditions.

A no-host cocktail party will be held at the Waikiki Yacht Club; the awards banquet will be held at Outrigger Canoe Club, dates to be announced later.

The executive committee handling the affair on the Honolulu end is headed by **Cline Mann**. Assisting are **Pete Dillingham**, currently vice-commodore of Waikiki Yacht Club, **Dan Feltham** of OCC and WYC and **Buck Ashford** of Kaneohe Yacht Club. **Dan Wallace** is handling publicity while **Wally Young** and **Tom Reiner** are in charge of towing and mooring at OCC. **Lou Schilling** will head the information center, the job she had held for 20 years in the Transpac Race. Members are asked to volunteer as assistants to Lou in this most demanding but interesting job. Also, as soon as the list of boats and crews is made available, members will be asked to volunteer as hosts.

President of ORCA this year is **Jay Johnson**, co-owner of '66 winner, **Glass Slipper**. Jay is a cousin of OCC member **Gordon Dickie** and has been a frequent visitor to the club during the past two years.

Club Events

The many friends of **Timmy Guard** were most pleased to have him back at the club on a brief visit between assignments for the Navy. Tim has been aboard the Iwo Jima, an aircraft carrier in Viet Nam waters. Tim will undergo specialized training on the mainland and be back with us in August before returning to Viet Nam.

It was a most happy **Maile Buck**, writer of the "Junior Jabber" column for the Forecast, when she announced her first place in a recent Freshman Sophomore Speech contest at her school, the Sacred Hearts Academy. Maile's first place came in the story, telling portion of the competition. Now we know why Maile is so adept at her job of Junior Jabber writer.

An announcement from Phoenix, Arizona, tells of the marriage of **Dick McClellan** to **Muriel Smith** on the 10th of April. Dick is well known to us for his canoe paddling and his interest and participation in the club's sailing programs.

Outrigger member **Cole MacFarland** distinguished himself in the recent annual Cornell relays. Cole took second place in the high jump and third place in the discus throw. Cole is a very active volleyball player and member of the 18-year category in the summer outrigger-canoe races.

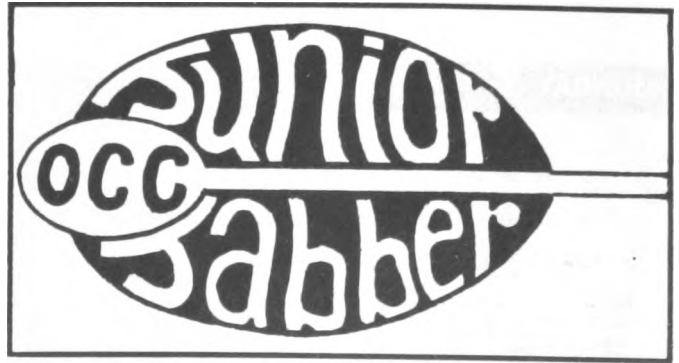

Marty Wilson, after his highly successful season in basketball for Kalani High, is now a key pitcher for that school's baseball team.

Did you know that...

Leslie Webber is the State champion backstroke and 500 meter swimmer and that she is the granddaughter of one of the club's old-time members, **Kenneth Makinney**... that **Mark Buck** just got out of the hospital after having an operation on his foot and had his leg shaved all the way up to his knee and got it sunburned... that several junior members of our fine club did very well at the surf meet at Chun's Reef last week, among them were **Brant Ackerman**, **Rusty Starr**, **Steve Williams**, and **Tomi Winkler**... that **Brant Ackerman** placed 6th in the 1967 Hawaiian Surfing Association Junior AAA division... that **Johnny King** wanted his name in this column so badly, so here it is... **Johnny King**... that all the paddlers in the 1968 Outrigger crew are really going to rrrriipppp... that I inadvertently left **Scott Haneberg** and **Doug Ostrem's** names out of the last column about Punahou wrestlers, sorry about that... that **Mahealani Martin** was selected as one of the last column about Punahou wrestlers, sorry about that... that **Mahealani Martin** was selected as one of the "68-69" Punahou cheerleaders... that there have been quite a few funny scenes on the junior courts (volleyball) during the past few weeks... that there has been a noticeable improvement in the junior members' volleyball games lately... that the sand is taking a little longer to return than expected but have no fear, one day it shall return... that I need more information for this column.
