The cover of the FORECAST features some of the outstanding performances by the athletes of the Outrigger Canoe Club in the year 1967. It was perhaps one of the most illustrious years in the Club's history in the field of athletics. The Outrigger was a force to be considered wherever it entered into competition. The athletes of 1967 distinguished the Club and carried it forward in the finest tradition. Your athletes won the National AAU Championships in volleyball in Michigan, they won the Hawaii State Championships, they placed **Tom Haine** and **Pete Velasco** on the U.S. team which won the Pan American Games, they named **Velasco** to the First Team and **Haine** to the Second Team All American. One of your athletes, **Harry Huffaker**, swam the Molokai Channel in record time the second time in history it has been done. Your Club fielded the finest Outrigger Canoe teams in recent Club history, they won all three major regattas in the summer racing season, the Club sponsored Macfarlane Day Regatta on the 4th of July at Waikiki, the Oahu Championship Regatta and the most important of all the State Championship Regatta held on Kauai this year. The paddlers in post-season races took second place in the newly established Lanai-Kaanapali Maui Race. They won the gold cup blue ribbon Annual Molokai-Oahu Canoe Race only 7 minutes off the existing record. This was the second win for Outrigger in the past three years. More than 80 of the Club's members participate in the annual canoe racing season, providing splendid character building and physical conditioning for our younger and active members. Outrigger surfers entered the Duke Invitational Meet, the honor was accorded to **Paul Strauch, Jr.** who took third place, **Fred Hemmings, Jr.**, **Butch Van Artsdalen** and **Jeff Hackman** who won the meet three years ago. A great many members entered the Annual Makaha International Surfing Championships and performed well for the Club, **Joey Cabell** winning the championship for the second time. The year 1967 saw tremendous activity with the growing number of sailing enthusiasts with their Club-based Sunfish, Cal-Cats and P-Cats. The Sunfish contingent was so enthusiastic they paid their own way to Kauai to accept a challenge from the Kauai Yacht Club. They won an overwhelming victory. In 1967 participation by members in tennis, which has become a daily affair for many of the members and their spouses, increased and friendly rivalries have become a source of enjoyment to many. Your Club sponsored an enthusiastic and successful touch football team which played in the city league. The Club's Mountainball Team played very well in its summer season and provided a lot of fun and enjoyment for its players and spectators. Kapiolani Park has become the scene of a tremendous running program which finds a wide variety of our members running or jogging around the park. The weight room is the scene of much body conditioning, whether it be a boy preparing for a particular sport or the man who just wants exercise. All this athletic activity, be it an individual spear fishing or a member of a competing team, is in the spirit of the founders of the Outrigger Canoe Club who thought of the Club as a place to perpetuate Hawaiian water sports and gain rest and relaxation through athletic endeavor. This was 1967, let's keep that spirit alive for 1968 and participate or support the sport you like, and share the thrill of your Club.

Special Awards Dinner

ATHLETIC AWARDS DINNER, MONDAY, JANUARY 15

The entire Club will be turned over to this special evening to honor all those members who participated in Outrigger's outstanding 1967 athletic year. All members are not only invited to attend, they are urged to attend. There will be movies of the championship Molokai-Oahu crew featuring beautiful slow motion shots and some of the fast action of the race shot by **Jim Colvin** from the start at Hale-o-lono to the sands of Duke Kahanamoku Beach. There will be movies of the AAU Championship Volleyball game in Detroit. The awards evening will feature the presentation for the first time of the "WINGED O" award for exceptional achievement in all phases of athletic endeavor at the Outrigger Canoe Club. The trophies won by the Molokai-Oahu crew will formally be presented. The crews of the summer canoe season will be honored with special presentations. The National AAU Championship volleyball team will receive special awards, as will **Dr. Huffaker** for his record swim of the Molokai Channel. Dinner will be served at 7:00 p.m. A very special rate will prevail so make table reservations now. The presentations and showing of movies will follow the dinner.

Volleyball

Outrigger "A" team, ably and actively trained by the Club's head coach, **John Lowell**, captured the Red Vest "A" Tournament on Friday, November 24. The Outrigger team won over Central Y in the finals to take the honors. The "A" team members were: Fred Noa, Cole MacFarland, Dodge Parker, Ron Sorrell, Bill Baird, Tony Crabb and Mike Lemes.

The FORECAST's apologies to **Marty Wilson** whose name was inadvertently left off the list of those who play for both Kalani High and the Outrigger Canoe Club.

Canoeing

The annual University of Hawaii Inter-scholastic Canoe Regatta, held on November 26 on the Ala Wai Canal, saw a team comprised of Outrigger members, **Glenn Perry, Tom Holmes, Jon Hanneberg, Bruce Clifford, Hal Burchard** and **Jody D'Enbeau**, sweep all honors. The race was a measured half mile event with the various competitors running against time.

Club Events

The return for the Christmas holidays by **Ron and Vicky Durand** marked their return after an absence of five years. It was great to have them back with us and we hope the next visit will be much sooner.

Special thanks to **Mitzi Schiess** whom you all know in the dining room for her splendid Christmas decorations. **Mitzi** decorated the entire Club and is to be commended for her excellent taste in combining the traditional Christmas decor with the contemporary style of our Club.

We will soon suffer the loss of an active and well-liked member, **Bernie Ellierts**. He will be transferred by his company to the mainland in January.

Gary Blaich and **Beryl Bailey** have announced their engagement and plans to be married in August.

The "Prying Eye" would like to know who runs off with the latest issue of "Playboy" the day it arrives.

Kudos to **Miss Ellen Reimel** who put on the one hour show of Hula and Tahitian dancing for the Club recently during happy hour; it was a great show. **Miss Reimel** teaches Hula, Tahitian, Cotillion and Social Dancing and will hold classes in dancing at the Club if there are enough interested members. If you would like to have a dancing class at the Club, please leave word with the girls at the front desk.

The January 20th sailing of the ORIANA saw the departure of **Nick and Pam Beck** with their three week old son **Hobie**. **Nick and Pam** are off for a year's stay in New Zealand where **Nick** will teach at Otorohanga College.

Geoff Avery and **Lauren Howell** have announced their engagement and will be married in Hawaii in July. **Geoff** and **Lauren** plan a honeymoon in Tahiti.

BULLETIN

Mike Holmes won the annual Waikiki Diamond Head Buoy paddle board race Dec. 25th, taking honors in the stock board division. **Mike** paddled a great race in choppy wind blown seas to bring Outrigger another win in this great Outrigger "sports year."

REGULAR MEMBERS

Don't be surprised if **Viki** points the club camera at you some day. Last year the House Committee asked that a picture and information file on Regular Members be set up. The pictures have been slow in coming so, please, just grin and bear it for a minute if we do not have your photograph yet. We need pictures approximately 2½" x 2½" (suggest passport). This file is available to Regular Members for business or social reasons. Mahalo!
