Outrigger Sweeps State Regatta

The State Championship Canoe Races held at Nawiliwili, Kauai on Saturday, August 5th should go down in the history of the Outrigger Canoe Club as perhaps one of the most glorious in the history of canoe racing for our Club. This was a day of almost total victory for the individual crews in their events. It was a total victory on behalf of sportsmanship of the Outrigger Canoe Club and most particularly by our coach Mark Buck. The Outrigger Canoe Club won 8 events out of 12 offered to give us a team total of 45 points as compared to 29 for the next closest club, Waikiki Surf. The race was carried out under the most bitter of circumstances. Due to a false start in the Novice event, our crew was virtually left out of the competition, a broken paddle being the reason. Outrigger filed a protest which was accepted by the racing officials. A rerun of the race was scheduled and our crew paddled it alone. The rest of the clubs, in the poorest display of sportsmanship, refused to paddle against us because they did not like the decision of the judges. With this they said they would pull out of the regatta like little children who couldn't have their way. Our coach Mark Buck in a most magnanimous decision offered to withdraw the protest over the Novice race in order that we might have a regatta and most particularly to provide the races all the paddlers had come to Kauai to participate in. Even then the attitude toward Outrigger by officials of the other clubs was disgusting and they did not have the decency to announce that coach Buck had withdrawn his Novice crew for the sake of canoe racing and the running of this regatta. If there was any doubt in the minds of the other clubs about who was going to win the regatta, it was very short lived. Our tremendous crews went on to take 5 more first places and one second and one third, to sweep the competition out of the harbor one right after the other. We came prepared to run and win in fair competition and that is just what we did in spite of the apparent vendetta against Outrigger Canoe Club and the officials who ran the race.

The results of the various events were most impressive. Starting right off with the 13 year old boys' crew who won an impressive race, the 14 year olds went out and won their 5th race of the season to give them a clean

sweep for the 1967 race series. These two races were followed by the Novice girls who did a nice job of it with a second place position. The Novice Men's race of course became the most notorious of the day's events and on our part was run twice. Congratulations to our Novice crew who were forced into embarrassment by the unsportsmanlike action of the other competing clubs. Following hours of disagreement, our 16 year old boys' crew went out and provided a beautiful first place win. In what might be described as an upset, our Freshman Women's crew went out and took a first place and did so by boat lengths. These girls are to be especially congratulated as only three regattas back, they were a 7th place crew. To come that far up in such a short time is a testimony to the girls' ability and training by Mark and Cynthia Harbin. Following the Freshmen came the Junior Women, they too brought us a first place with a fine performance. The Junior Men repeated their performance of the Oahu Championships and moved to a fine victory that left no doubt in anyone's mind about their ability. The Senior Men again placed third in their event, losing to two veteran crews, Healani and Waikiki Surf Club. Our crews resumed their winning ways with the 18 year boys crew who took a first place in a hard fought race. To end the day's events, our Freshman crew went out and produced a fine finish with a well earned first place in a hard fought race. It has indeed been a canoe racing season of which every member, whether he knows he belongs to a canoe club or not, can be most proud. Mark Buck in his first year as coach has produced the strongest field of competitors this club has seen for years. The spirit of the crews and the attendance at the races by members and parents has been encouraging and every paddler is proud of his or her achievement for the club. The paddlers, one and all, express their gratitude to President Tom Arnott and the Board of Directors for providing the official backing needed and for providing the means to keep our equipment at its very best condition. I believe the results of the State Championship Races are the very best way of thanks to the directors from the crews. There can be nothing more gratifying than to support a group of winners.

the *Managers* column

Members, please use and enjoy the services of the Club on Saturdays and Sundays. There is plenty of room now that affiliated clubs are not allowed to use the Club on weekends. This provision was made to answer the complaint of many that they could not get service because of people from affiliated mainland clubs. Support this decision as it was made at the request of many members. The Club needs your patronage.

NOONTIME ATHLETIC CONDITIONING SESSIONS

Join the active group of members who are taking advantage of this plan to eat and stay healthy with noon exercise and a proper lunch served at a reserved table all designed not to keep you away from the office too long. This is a designed and supervised program to keep you fit and happy.

NEW CLUB CAPTAIN

Welcome and good luck to Doug Kilpatrick, your new Club Captain. Doug will act as the coordinator between the board of directors and the Club members who participate in the competitive and or support aspects of the athletic programs of the Club. Doug will endeavor to organize, promote, and publicize the various athletic activities and keep the total membership aware that the Outrigger Canoe Club is basically sport and activities oriented. Give Doug all the help you can, the position of Club Captain is perhaps the most demanding of all those chairmanships of the various committees.

Volleyball

Tom Haine and Pete Velasco of Hawaii's AAU championship Outrigger Canoe Club team played key roles as the United States won the men's volleyball gold medal in the recently completed Pan American Games at Winnipeg, Manitoba.

In winning the Pan American Games the U.S. also qualified for the 1968 Olympic Games, capping a tremendous comeback in international competition.

John Lowell, Outrigger coach and head coach of the U.S. squad, said that both Haine and Velasco are two of the top players in the country today following their performances in taking the Pan American title.

Haine was the big reason the U.S. won its two toughest games against Cuba and Brazil, according to Lowell.

"Tom dominated with his backcourt play and his spiking," said Lowell. "He won those two games and played the best volleyball of his career."

Unfortunately, Velasco was sidelined by a sprained ankle until the final two matches. "He (Velasco) played a beautiful game in that final key match against Brazil," said Lowell.

Lowell, who switched from the American style to European in preparation for the U.S. for the Pan Am event, was elated by the progress and improvement shown in winning the gold medal.

Lowell first employed the European technique in coaching the Outrigger team and enjoying instant success winning the National AAU championship earlier this year.

VOLLEYBALL

The "NOON LEAGUE" of volleyball players, composed of several "old timers" Dr. Bill Parker, Thad Ekstrand, Barry Pritchard, Neal Ifversen, various Pan American pilots and whoever is available, like Chuck Heitsman and Wally Young, welcomes anyone who feels like a little exercise to join them. Anyone can play.

OUTRIGGER CRIBBAGE GROUP

The cribbage players will resume their pegging sessions on Tuesday evening September 12 at 7:30 p.m. Sessions will continue every second and fourth Tuesday of each month.

Games won will be an important factor in deciding who will attend the Kauai Tournament in November, and whose name will be engraved on the Outrigger Cribbage Group Trophy in January.

Gladydes Lyons may very well be the person to challenge this fall as she walked away with the money and a blue ribbon when the group played on Club Day June 25.

Your board carrier will be setting up eight tables come September 12 so come on strong all 16 of you!! We will be delighted to welcome new players.

Kakina

THE RETURN OF THE KAKINA TO RACING

The Kakina, pictured here with the winning 16 crew at Kauai, returned to active racing at the Macfarlane Day Races the 4th of July. The Kakina was recently refinished by George Perry who rebuilt Leilani last year. She has been lengthened and straightened, has new gun-wales and manus. The KAKINA started her new career with an impressive series of wins at Waikiki July 4th, continued her excellent record at the Oahu Championships and at Kauai outdid herself with 7 win record. The Racing Canoe Committee as well as the paddlers themselves, are indeed grateful to President Arnott and the Board of Directors for realizing and approving the refinishing of this fine boat that has so well proved its value. For those of you who are interested in seeing our fine canoes, they are located on the first lower level of the garage in the makai corner.

The Beach Scene

Leslie Webber, holder of three Hawaiian swimming records is a third generation Outrigger member, her mother, Jan Makinney Webber, is the daughter of "old timer" Enay Makinney.

"Peti" Block, championship auto driver of South America and a member of our South American affiliated CLUB WAIKIKI in Lima, Peru is enjoying the Outrigger this summer. Peti has been the perfect host to Hawaiians visiting Peru.

Winning Freshman Men—L to R: M. McAndrews, R. Arnott, K. Raymond, J. Ober, B. Jackson, P. Spencer.

Winning Boys 13 and under—L to R: R. Blackburn, G. McPheeters, M. Teele, D. Hope, A. Barnes, J. King.
