OUTRIGGER CANOE CLUB 3RD ANNUAL JUNIOR ATHLETIC SUMMER PROGRAM AGES 10 TO 16

The Board of Directors, the Outrigger Canoe Club, and I are pleased to announce the 3rd Junior Athletic Summer Program will commence on **Wednesday, June 14 from 10 a.m. to 4 p.m. for eight weeks ending Wednesday, August 2, 1967.**

Again we are very fortunate to have Dave Pierson as our program director. Dave did an outstanding job last year and we look forward to this program as one of the leading Outrigger events of the year.

Activities will involve:

1. Sailing
2. Surfing
3. Body Surfing
4. Paddling
5. Volleyball
6. Softball
7. Swimming
8. Water Appreciation

Qualifications: Your child must be a member of the Outrigger Canoe Club to participate in this summer program. We are sure you are aware your child, age 10 through 19 years, is exempt from paying an initiation fee until May 17. After this date children of Regular members, age 10 through 13 years, are exempt. This program will give you the opportunity to introduce your son or daughter into the full athletic activities of the club as outlined above, plus a special course in water appreciation.

Cost: The total charge for this 8-week program is \$100 per child, including luncheon and an official Junior Athletic Summer Program shirt. In order to make it easier to enter this program the total fee for each child entered can be charged to your account and split over a 2-month period—June and July at \$50 per month.

Evaluation: Your child will be evaluated at the end of each week; also, at the end of the total program an award system will be in effect recognizing the individual as well as team effort during the program. After daily roll call a program will be given to each child in advance

so that interested parents will know the activities of following days ahead of time.

Naturally there will have to be a limit to the total number of children participating in this summer program. This will be made at a later date in accordance to the response and interest for such an outstanding activity. We enclose an application and ask that you return it to the club as soon as possible. We really expect a tremendous turn-out.

As stated above, Dave Pierson will direct the program and his assistants will be Butch Hemmings, Mark Buck and Thomas Holmes. We anticipate that no more than ten children will be under the direction of a leader. There will also be junior leaders to fill the capacity.

THOMAS M. ARNOTT, President

the *Managers* column

Your attention is invited to this list of clubs with which the Outrigger Canoe Club maintains reciprocal privileges. When you have a trip to the mainland use one of these fine clubs, many have overnight accommodations and fine athletic facilities. Only regular members are entitled to use these clubs. Request a card of introduction from the front desk prior to your departure. There will be a service charge of 25¢ for each card issue. You must carry your current Outrigger membership card with you.

*Men only, †Overnite accommodations.

SPECIAL NOTICE

Inactive members: When you return for the summer please check in with the front desk and be sure to give them your current address. Please kokua.

A new movie screen has been ordered and will soon be installed in the Board Room. This room is ideally suited for the showing of the many sporting movies often available to the club. The new screen will allow wide screen projection compared to our previous 50-inch screen.

Jimmy Naniolo, our beach and water safety man, has a new assistant, Val La Nore. Dickie has left the club and is with the City and County.

It is not unusual on most any weekend for one family to bring as many as three automobiles to the club at the same time. As you know our parking facilities are limited and any means that will cut down the congestion will be appreciated. If you can plan your family visits in one automobile your thoughtfulness will be very much appreciated by those members who might not otherwise find a space. Your kokua will be appreciated.

Dining room reservations are a sound business principle. They save your club money, make it possible to plan meals and staff needs ahead of time. Most impor-

tant to you as a member and user of the dining room is of course the assurance that you and your party will be served when you wish and if at all possible at the specific table you wish. Again, plan ahead and have a much more enjoyable dinner or luncheon. With the anticipated summer visitors soon to arrive, choice time and tables will be at a premium.

Book Review

There will be a book review at the club Tuesday, June 20, at 10:30 a.m. The reviewer will be Mrs. Chester E. Frowe. Her subject will be Reading Around the Pacific Rim. She will review briefly one of the finest new books about each of the following countries: Alaska, Canada, South America, New Zealand, Australia and Russia. All members are welcome to attend. There will be no book review meetings in July and August.

The Beach Scene

Your editor, **Jerry Ober**, will leave shortly to attend the Expo 67 in Montreal, then to Boston, New York, Washington, Mexico City and San Francisco. This is a business trip that will be a complete pleasure. I will give a report of the Expo from a designer's point of view and will hope to have pictures with it.

Tom Wells just returned from the mainland and was able to spend a short time at the Expo and says it is quite exciting.

Walter Collins has just returned from Ceylon where he is engaged in planning for their government. Walter was enthusiastic in his descriptions of Ceylon.

Weddings and engagements still dominate the scene. Priscilla Jardine's wedding to Jim Growney May 5 was a beautiful occasion and was followed by a fine reception at the home of Priscilla's parents on the beach at Kahala.

To the surprise of many of their friends, Tom Bean and Momi Naughton have announced their marriage, the date to be set later.

Joey Cabell and Lisa Starr have returned from Aspen and some late season California skiing. Joey and Lisa will be married later in the summer.

News has been received that Ash Hartwell was married in Washington, D.C. earlier in the year.

Glenn Perry has been accepted in an officers candidate school for the National Guard to be held this summer at Fort Benning, Georgia.

Fred Lowrey has returned from his flight training school in Santa Barbara, California.

Hillary and Bill Eggers are the proud parents of another boy. Loch Erich Eggers was born April 20.

Mark and Linda Hemmings have returned from their VISTA station in Arizona, it is great to have them back with us after a year's absence.

Watch soon for the introduction of Phil Edward's new book on surfing, titled "**You Should Have Been Here An Hour Ago.**" Phil's book is illustrated with photos by Bruce Brown, it takes in a wide range of the surfing world from instruction to good fun surf humor. The book and Phil will soon be subject of an article to appear in the **Post** magazine.

The Outrigger Athletic page

ATHLETIC SPONSORS PRESENT THE OUTRIGGER CLUB FUN AND GAMES DAY, SUNDAY, JUNE 25

This is a fun day for the whole family, all kinds of sports, games and surprises. This will be the Outrigger version of a good old mainland summer picnic if you have ever seen one, you will never forget it. There is something for everyone and fun for everyone. The entire club will be turned out for this event and it will be the talk of the season. Among events planned are club competition in volleyball, sailing, cribbage (something for everyone), a junior surfing contest. Award presentations will be followed by a teriyaki steak bar-b-que, \$2.00 for Regular, Intermediate and Associate members and \$1.50 for Junior members who will probably eat more than anyone else. For the elder set, Happy Hour prices will prevail. Events chairman Fred Swartz will have entry blanks sent out in June, which should be returned by June 20 to help facilitate the organization and running of events. Entries will however, be accepted up to the 25th. The front desk will accept reservations for dinner, the tickets should be picked up by June 20.

MOUNTAIN BALL SEASON

The Mountainball season opened for the Outrigger on May 26 with their first game against the Bishop Estate. After several hard practice sessions the team has been trimmed down to a hard core of fighting veterans and hustling rookies. Local Kapiolani Park experts have tabbed the Outrigger as the team to beat.

Mainstays of the team are: Henry Ayau, Peter Burdard, Scott Gaffney, Bob Corboy, Bernie Eilerts, Bill Baird, Gary Vietsch, Kim Berg, Kent Whitman, and Peter Balding. Heading up a strong bench are Doug Kilpatrick, Fred Lowrey, and Bill Erwin.

All games are scheduled for 5:15 p.m. at Kapiolani Park across from the club. Please go over and give your club's team the support it deserves and see a great ball club in action. The schedule is as follows:

May 26—Bishop Estate
June 2—Aina Haina AC
June 9—Towill Corp.
June 16—Park Engineering
June 28—Bishop Estate
July 7—Aina Estate AC
July 14—Towill Corp.
July 21—Park Engineering

EXECUTIVES' LUNCH HOUR FITNESS PROGRAM

The following program has been discussed with Dr. Peter George and Dr. E. L. Chesne, heart surgeon at the Straub Clinic. The doctors agree that the planned program would be most beneficial to the participants.

The program itself would consist of about 15 minutes of simple exercises, followed by approximately 20 to 30 minutes of jogging and walking. These figures represent

ultimates, and would have to be worked up to. Initial times might be somewhat less. The exercises and running would take place in Kapiolani Park right across from the club entrance. A special table for members of this group will be set up for luncheon following the exercise with quick service assured. There will soon be a sign up sheet posted on the bulletin board. A doctor's certificate stating that the individual is physically able to participate in the program will be required. The program will start June 5 and will be conducted Monday, Wednesday, and Friday of each week from 12:15 to 1:00 p.m. A 100-mile chart will be posted to record the distances run by the participants.

NEW FACILITIES AT THE CLUB TO PROVE YOUR ATHLETIC PROWESS

A rope for climbing has been placed in the corner of the Volleyball court nearest to the telephone and stairs to the front walkway. Its a good view from the top, try it.

We have a basketball backboard on the upper level of the parking lot. Good chance to improve your shooting skill and your game. The board is mounted on the backside of the volleyball bleachers.

There is talk here and there of starting an Outrigger SCUBA diving class. In order to sample interest on this project leave word at the front desk. If enough are interested in learning in a safe sensible fashion a course can be started.

Canoeing

Paddling has started and the initial turnout is the best ever. The competition for seats in some of the age groups is going to be tight. We should have some all time crews as a result. It is really gratifying to see this interest in paddling the sport of the Outrigger Canoe Club. We have fine equipment this year. In years past we have talked about our equipment, this year we have it. The Leilani has never looked better in its jewel-like condition. The Kakina is back from George Perry's shop and looks and is for sure a new boat. She is six inches longer, has a V shape in her bow and stern, new manus, seats, cleating and higher sides and gunwales. John Jenkins will soon give her his magic touch and she will be hard to distinguish from Leilani.

The first race of the season is JUNE 11, THE KAM DAY RACE. It will be held at KAILUA PARK AT 10:00 A.M. Be sure to be there, particularly if you have never seen a canoe race. The following weekend will be the ANNUAL K-BAY DAY RACE. This is held at KANEOHE BAY MARINE BASE, SUNDAY JUNE 18 at 8:30 a.m. This is a water carnival in addition to the races all the more reason to attend.

Volleyball and the Nationals

The AAU and the Nationals are now history. The Outrigger team helped write that history and brought further athletic glory to the Outrigger Canoe Club, helping us on a national basis to preserve our heritage as an athletic club of importance. Our State championship team returned from Detroit on Sunday, May 7 where they accomplished the following:

1. They captured the AAU National Championship against 22 teams entered. Among the teams defeated by Outrigger were Fresno in three tight games, and Westside in the finals, including a playoff game. These two outstanding teams eventually went on to win first and third in the U.S. Volleyball Association Championships just concluded. Our first place trophy is over the desk by the front office. The large red, white and blue AAU pennant flies from the Ewa wall in the cocktail lounge.

2. Outrigger tied for 5th place in the U.S.V.B.A. tournament against 40 teams. Pete Velasco, one of our stars and captain of the U.S. team in the 1964 Olympics, said

the competition this year was the best in 11 years. The team we beat last week in the AAU won the championship. Both Pete Velasco and Captain Tom Haine were selected to try out for the U.S. TEAM for the PAN AM GAMES to be held this summer in Canada. Shown here is our team at Honolulu International Airport prior to their departure. First row, from left to right, Dodge Parker, Colin Chock, Ron Sorrell, Pete Velasco. 2nd row, Tom Haine, Mike Holmes, Tony Crabb, John Lowell, Dave Hendrickson (coach). Not shown, Carl McGown and Mike McMahan, Wally Young (Manager). Action shots from the NATIONALS taken by the Detroit News.

Sailing

The first annual home and home race will be held at the Kauai Yacht Club in Nawiliwili Harbor on the weekend of June 3 and 4. Jere Smith has been the force behind this event and inquiries should be directed to his attention. This should be an all time event for those who wish to participate. It should be mentioned however, that the members who are in this race are competing at their own expense which demonstrates a real spirit on behalf of these members.

A new sailing class started on Saturday, May 13. The new class has 45 members, an overwhelming amount of interest a lot of it no doubt stimulated by the most successful first class. The interest in sailing continues to grow and grow. Not long ago, a fleet of four boats in a race was about average. Now it is usually a matter of at least eight boats, often more. There are now enough Calcats to start racing in their own class. Paul Cassidy, Don Avery, Jack Stanford and Gordon Bradley are the latest new owners. The racing committee places course flags on the weekend out in front of the club and there are races right on through sunset.

Surfing

"The purpose of the club shall be the promotion of athletic sports and activities in all their forms and branches."

Sound familiar? Probably not.

Down through the years the idea behind Section II of our By-laws has tended to melt away with the lulling clink of ice against frosty glass.

Hopefully, this "happy hour" has had its hour. A new dawn approaches.

A very important step in this direction was taken at a luncheon meeting, May 15, when the newly formed Surfing Committee sat down together for the first time.

It was agreed that the initial phase of the committee would be to develop inter-club talent by staging inter-club competition. But a more ambitious program is seen by year's end.

The committee feels the Club has an abundance of youthful talent, who, with the skilled guidance of experts, can bring merit both to themselves and the Outrigger Canoe Club in the competitive field of surfing.

Committee members are: John McMahon, chairman; Bill Brooks, Mark Hemmings, Fred Hemmings, Jr., and George Downing.

Our member and noted artist Bob Wagstaff will have a one man show of his paintings at the Pacific Savings and Loan Association office at 1215 Hunakai at the Waialae Shopping Center. The show will start Friday, May 15 and run for several weeks. Bob is a serious fine artist. Several of our members have his fine paintings in their private collections. Bob will be well remembered for his splendid painting the "Drummer Boy," done for the Bank of Hawaii.

Jack Stanford will leave on June 1 for the Million Dollar Round Table meeting in Switzerland and following the meeting will tour Europe for a month.
