ALOHA FORECAST; HELLO NEW FORECAST

This is the last issue of the Forecast in this format. As mentioned in the November issue, the Forecast committee recommended to the Board of Directors that the 16 page booklet be discontinued and some other means of communicating with the membership be devised.

Main reason for this suggestion was that not enough news was forthcoming each month from various committees to supply enough material to fill 16 pages. Therefore, in order to stick to copy and mailing deadlines it was frequently necessary to go to press with material that was not of general membership interest.

Hereafter a newsletter, also to be called Forecast, will be mailed monthly. If there is only enough news for one page that's all that will be mailed. However, if there are many things that should be related to the membership the newsletter will contain as many pages as necessary to give the information general circulation. Harold Yost of the Forecast committee, and I have volunteered to edit the material, on alternate months, and see that it gets to the printer with proper instructions. Plans now are that there will be no pictures in the newsletter, but there again, if a particularly interesting or newsworthy picture is brought to our attention there is no reason why it cannot be reproduced for enjoyment of the membership.

I want to particularly thank our advertisers who have been so faithful to the Forecast and helped us to become solvent. Mahalo . . . Mahalo Nui Loa.

COMMITTEE CHAIRMEN TAKE NOTE

It is the understanding of the Forecast Committee that responsibility for on time publication of the Forecast Newsletter rests with you. Items for each issue must be submitted to the office by no later than the 25th of each month. They must be complete and not demand re-writing before going to the printers. This is not the Saturday Review of Literature you're writing for. So if you can understand what you've submitted I'm sure the rest of us will get the message, too.

Remember now, no news . . . no Forecast.

Forecast also received a nice note from Mrs. Paul (Margery) Durand who said "its arrival was eagerly anticipated every month." Cmdr. and Mrs. Durand have just returned to Honolulu where he will be on duty with the Navy for the next few years.

And don't forget about OCC's traditional Christmas dinner. The beautiful buffet is a gourmet's delight to behold and even better to eat. Served during regular dinner hours.

THAT'S OUR 'ARRY

Harry Robello, major domo of Beach Services vacationed on the Mainland recently, mostly in San Francisco where he visited his parents. Was due back December 1st, but sometimes Hawaiian time makes dates seem unimportant so we'll believe he's back when we see him. Anyhoo, 'tis said that Harry has an early December I Do appointment with Barbara Kahanamoku, so no doubt Barbara knows the exact date and moment when he will return.

Harry, by the way, did remarkably well in the recent Hawaiian Open golf tournament. With hardly any practice at all, really, he finished with a 76-80, ahead of such stars as Jimmy Ukauka, Buzz LeTourneau and Guinea Kop.

KRUSES HAVE FUN CRUISE

On Sunday, October 29th, Alan, Clarice and Carleton Kruse sailed on the P & O liner Canberra enroute to Vancouver. The family also visited Seattle, Portland, San Francisco and Los Angeles. Alan went on to Chicago for the U. S. Savings & Loan League convention while Carleton visited with his grandmother in Newport Beach. He later met his parents in Vancouver for the trip home aboard P & O's Oriana and arrived back in Honolulu November 29th.

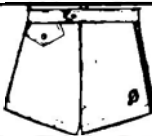

Forecast received a card from the Kruses showing Lloyd's Shopping Center in Portland . . . the largest shopping center in the world. (But just wait until we're through with Ala Moana Center!).

CARR-NIEMAN

Doug Carr, veteran canoe paddler and active in other club sports will be wed on December 16th to Jacqueline Nieman of Alameda, California. The ceremony will take place at Holy Nativity Church on Kalaniana'ole Highway in Aina Haina.

Buffet luncheons have been discontinued and the dining room has returned to its normal schedule of lunches as selected from the menu.

Assistant Treasurer Bill Cross is piling up the tax deductions. And now comes Lance, third son for Bill and Alice, who was born November 4th. Volleyball anyone?

6:00 P.M.-2:00 A.M. NEW YEAR'S EVE

This is THE night of the year and from what Jake says it's really going to be a ball at the Club. Everything's planned for your rarin' to go mood and there are not many Sunday nights in the year when you can go way out and not regret it the next day.

Cocktails will be served from 6:00 on. At 8:00 Marian Diamond and her group will stroll from table to table making with the booful native songs. At 9:00 Rollie Wray will appear with her five piece combo and strike up the band for your dancing pleasure. There will be favors for all and a real good party style dinner. It is urged that you make your reservations early as they will be limited to 200 and this affair is always a sellout. Dress for the festive occasion is formal and the whole bit is only \$17.00 a couple.

2:00-5:00 CHRISTMAS DAY

Hope to see you at the Club's annual and ever popular Open House. This is the one day in the year when most all club members get to see other members that they haven't seen since *last* year's open house. There'll be all sorts of things to make the gathering a merry one. First off, usually the weather is beautiful on Christmas day. Then there will be Anzai's famous Banzai Punch, plus egg-nogs and delectable pupus. Better plan on being there so you will have added happy memories of your Christmas day. And, oh yes, Marian Diamond and her gals will help to keep a festive air with their sweet Hawaiian music.

ATTENTION, PLEASE

Those of you who want to attend the Open House but are not current with your account at the Club are reminded of a section of our By-Laws which states: "Any delinquent indebtedness at the end of each month shall be increased by a penalty of 5% and *shall cause automatic suspension of all Club privileges of the membership owing same.*"

MAKAHA SURFING CHAMPIONSHIPS

The now famous International Surfing Championships sponsored by Wai-kiki Surf Club will have their 9th meet commencing December 9th and 10th when all participants must take part in the qualifying trials at Makaha Beach. The semi-finals and finals will be held January 6th and 7th.

Entries are expected from Peru, Australia, the continental United States and Hawaii. Both guys and dolls participate in these championships which always draw huge crowds, even if it is a long haul out to Makaha and back.

THANKSGIVING DAY was blustery and rainy and only one stalwart member showed up for his daily visit. That one is Kelly Henshaw, sitting on the bench reading and pretending like it's a beautiful day.

BRIDGE PLAYERS ALMOST NEEDED A BRIDGE

Every Wednesday night at 7:30 there is a bridge tournament on the Sundeck where participants play for blood, points and "free rides." During one of the recent tournaments a cloudburst produced torrents of rain which high winds caused to take a crazy path. Cards went flying and players scurried for shelter in the main dining room as rain poured through the canvas roof over the Sundeck.

Jake Tudor directed Operation Mop Up and gave not only shelter but also sandwiches and coffee to the "storm victims." After a forced intermission because of the foregoing, the players continued with their match play. Emerging as winners after all this were Mrs. Cara Morgan and Pete Petrowski, North and South, and Mrs. Sarah Heinz and Charles McCormack, East and West. The over all winner for October was Mrs. Clara Ludders.

You should plan to turn out for bridge on Wednesday evenings. Sounds like it might turn out to be anything but a dull evening!

THANKSGIVING NIGHT there was a big turn out for the traditional buffet dinner, strolling musicians and fun for everyone. Appetites were soon appeased and some morsels were even taken home to Bowser whether there was a Bowser home or not!

CALLING ALL KEIKIS! IT'S CHRISTMAS AGAIN

Your night at the Club will be Friday, December 15th. That's when the popular annual Keiki Christmas Party will be held. There's going to be all kinds of excitement and you don't want to miss out on it. So have your Mom or Dad make reservations for you right away.

Marian Diamond will be there to play music for you and she's bringing with her some talented young folks who will dance and entertain you. Then at 6:30 Santa Claus will make his appearance and have gifts for all the children present. That's why it's important that you make reservations because Santa doesn't want to overlook any of his young friends at the Outrigger.

The dinner menu will appeal especially to keikis attending the party but we know your folks will enjoy the specially prepared fare also. So save the night of December 15th. Santa is looking forward to seeing you and this will be a wonderful way to get into the Christmas spirit.

OF INTEREST TO VOLLEYBALLERS

Club captain Tom Haine has been named the outstanding volleyball player of the year in the state of Hawaii. In recognition of this honor he was honored at the A.A.U. banquet held at Lau Yee Chai November 20th.

Pat Wyman, Billy Baird, Ron Sorrell, Fred Noa, Tom Haine and Bill Heilbron were participants in Central Y's recent annual turkey 3-man tournament. Playoff for the series of games was held November 22nd and guess who won turkeys? Yup . . . Pat Wyman and Tom Haine.

Indoor volleyball season opens January 6-7 with the State Doubles Championship play. Our boys have always made a grand slam showing in this competition . . . and no reason why they shouldn't continue to do so.

You guys who would like to play on the 6-man team should get in touch with Pat Wyman or Ron Sorrell.

FRIDAY NIGHT FUN—Dancers are enjoying themselves on the Sundeck to a peppy combo playing for their Friday night enjoyment at the Club. Don't think any of these folks have mastered *The Twist* yet, but give 'em time and they will.

Outrigger Canoe Club has two members who are outstanding players in the senior league football competition. Jeff Avery, speedy and elusive end for Punahou has earned several touchdowns for the Buff and Blue and he's only a sophomore. Lookout when he's a senior!

Warrior star halfback Pat Spencer scored a few touchdowns for Kamehameha, thus helping his school to a second place tie with Roosevelt in the Inter Scholastic League. Pat's latest

touchdown of the season was made when his team blanked Iolani 19-0 on the afternoon of November 18th.

Mrs. Hans Zimmerman returned from the Mainland November 11th almost immediately following an operation in San Francisco. No place like home for a speedy recovery, eh?

Bar closes 10:00 p.m. Tuesday, Wednesday and Thursday.
