## NEW CLUB PLANS

Architects are working on the finalizing of the schematic studies and the present tentative time table calls for program and preliminary plans to be completed by the end of September. The membership will then be called upon to approve them and authorize the board to proceed. It will then be the job of the New Club finance committee to solve the financing problems.

It is hoped that satisfactory arrangements can be completed by the end of this year at which time the membership will again be consulted. Assuming approval by the membership, the architects will proceed with working drawings, a job which will carry them to the end of June 1962. The award of a contract will follow and construction will continue through August 1963. It is hoped that furnishings will be completed in time for the club to assume occupancy at least one

*On the far court Gary McClure and Steve Fearon get set to return a shot to John Glessner and Billy Cook in the recent Junior Volleyball Championships. See story below.*

## McClure-Fearon Jr. Volleyball Champs

In the Junior Championship volleyball tournament held at the Club this summer there were many eager-to-win participants and much interest in the series. By July 26th, when the play-off started, it looked pretty much like Gary McClure and Steve Fearon were on their way to the championship... which they were. Only July 28th they played Billy Cook and John Glessner and emerged as the winners over all, with Billy and John placing a good, strong second place.

The players participating in this junior league and known by most of us as The Gremmies, were coached by Not Norfleet, Jr. Club medals will be awarded to the champs and runners up.

## MORE SALUD

In the last issue recognition and thanks were given to those advertisers who had faithfully been in the Forecast every month for a year. Because the bit was too long one of the main advertisers "dropped off the page" and we'd like to put him back on. That's Spencecliff, who has come in with a full page ad every issue for more than a year. Hip Hip Hooray, three cheers and Thank You Spencecliff.

## HEMMINGS-HARBIN VOWS TAKEN IN S.F.

On August 4th, Cynthia Hemmings, daughter of the Frederick M. Hemmings, Sr., and Earl Harbin, were married at St. Teresa's church in San Francisco. Both are longtime OCC members and for the past nine years Cynthia has been one of the mainstays of the wahine paddling crews.

A luau honoring the new young couple was held at our Diamond Head club site August 6th and a grand reception it was. There were many Hemmings there, of course, plus many well wishing friends who were on hand to congratulate Cynthia and Earl and to welcome them home for a visit.

Earl attends Oregon State College and Cynthia, until recently, was an airline hostess with The Flying Tigers. Prior to that she'd been with Aloha Airlines and between these two assignments Cynthia has been just about everywhere, including Tahiti, Alaska, Madrid, Portugal, London and lots of other places.

## LEDFORD-EGGERS

Hillary Ledford, daughter of Mr. and Mrs. Allan Ledford, was married in Berkeley July 22nd to Wm. Jacob Eggers, III. Hillary, a graduate of Punahou, has been active in the club's activities for many years, particularly paddling. She has competed in many races as a member of the senior women's crew. William is a graduate of the University of California at Berkeley and soon as he finishes law school he and Hillary will establish themselves in one of those little white cottages with a rose covered picket fence.

Don Waggoner's brother, initials H. E. and known as Dutch, recently visited from St. Louis, Mo. with his wife and a real good time was had by all Waggoners all the time during the visit.

\* \* \*

Betty and Bill Newport have been vacationing at Waikiki with their three youngsters, Jimmy, Johnny and Julie. They also visited Hawaii and Maui before returning to California where Bill is with Pan American Airways. Many of you will remember Bill as a champion swimmer and surfer.

\* \* \*

Sally Lacey won the women's jumping competition in the Western regional water ski championships held in Mission Bay, San Diego the weekend of August 5-6. Jake Urner was also there and took 4th in the senior men's skiing.

\* \* \*

Pat and Janet Wyman became a family of five as of August 11th, with the arrival of their third child and second son who weighed in at 8 lbs. 4¼ oz. His first present from Pa was a volleyball.

\* \* \*

It's always good to see old friends back at the club. Like Helen Poin-dexter Morgan, for instance. Mrs. V. at a farewell luncheon August 11th at a luncheon farewell August 11th for Helen who was visiting from her home in England. During her stay she was the houseguest of Mrs. Jabulka. When Helen's father was governor of Hawaii she was his official hostess at Washington Place.

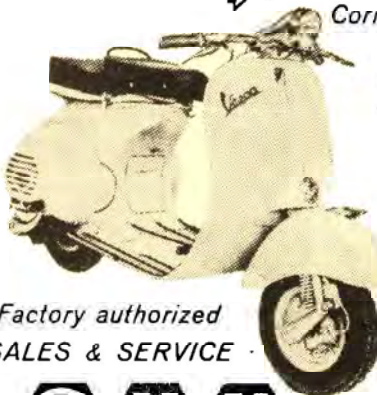

*Earl and Cynthia (Hemmings) Harbin are shown greeting guests at their luau-wedding reception held August 4th. Jackie Burnett greets Mildred Minvielle as Earl welcomes Toots.*

## OCC LOWERS ANOTHER RECORD

Did the strong crosswind during the canoe races on Maui, August 5th throw us a curve that we just couldn't seem to conquer? Of the eleven races run off we were "almost first" in seven of them. However, the boys 15 and under paddling the half mile raced home with first place honors and in doing so broke the 1960 record of Kona's Kai Opua crew, lowering it from 4:33.7 to 4:14.4. You'll all remember this "everytime champion" crew of Jon Sutherland, Gary Blaich, Jeff Avery, Don McKay, Bill Jackson and Freddie Hemmings, we're sure.

Races in which OCC placed second were the 1/4 mile boys 13 and under; 1/4 mile boys 14 and under; 1/2 mile novice men; mile, boys 17 and under; mile, freshmen men; 1 1/2 mile junior men and 1/2 mile senior women.

It was a real exciting day for both paddlers and the 3,000 spectators who cheered for their favorite crews in the State championship regatta held in Kahului Harbor and sponsored by Maui's Hawaiian and Kahului Canoe Clubs. The Big Daddy of the events

was Waikiki Surf Club who won the two mile senior men's classic. For their efforts they earned the right to keep the Maui HVB perpetual State Championship trophy for at least one year. (We're going to try to get it back next year!)

William Bowman, who organized the HMSA in 1937, has been appointed vice director of State Civil Defense by Maj. Gen. Fred W. Makinney. Bill lived in Honolulu for a long time before returning to California to make his home. But he returned in 1958 again and says he's here to stay for sure now. Many of the old timers will remember Bill's surfing prowess.

\* \* \*

It was good to see Bill Prange at the club again. He and Mrs. Prange were visiting from their new home in Yokohama, which they really like very much. The Pranges have been away for two years.

## **LUAU HAPPY SUCCESS**

There was lots of good food, plenty of music, people and good old Hawaiian hospitality at the luau held at our Elks Club site August 10th to raise money for the Catalina races.

Almost 500 people turned out for the affair which was held in a real luau size tent, and guests in multi hued muumuus, holukus, sundresses, and aloha shirts added much color to the colorful evening. The music was grand and many will remember for a long time the performance by Iolani Luahine and the luau type happy music and dancing of Bill Crawford and his trio, Lei Collins, Bill Lincoln and Flora Hayes. These talented entertainers appeared for aloha but were richly repaid by the enthusiastic response from the guests who would hardly let them have a moment's rest.

Toots Minvielle and his committee worked very hard to put this event over the top and their hard work paid off. Also plugging for the luau from the Front Desk every chance they got were Eva, Malia, Florence and Jeanette who were responsible for the sale

of many, many tickets. And we mustn't forget the crew members who went to Catalina. They helped to wait on table . . . as part of their training exercise, of course. And a worthwhile project it was indeed for it netted \$666.83 for the cause.

## **OUR TEAM IS RED HOT**

Our team had a little trouble getting away because the original airline they were booked on just wouldn't get off the ground. So everyone changed to another plane and arrived at Manhattan Beach with but a couple of hours to spare before race time.

This didn't seem to daunt our crew for they took first place in the Santa Monica-Manhattan Beach race Saturday, August 18th, completing the distance in 1:23.8. Balboa Club was second and Santa Monica third.

In the Catalina race held Sunday the 19th we placed second . . . and boy, was it a hard earned second. OCC crew was leading by a  $\frac{1}{4}$  of a mile

*Cont'd on page 11*

*Crewmembers who paddled in the Catalina and Santa Monica races dined at the Club just before their departure. They're Coach Rabbit Kekai, Nick Beck, Butch Hemmings, Bob Beck, Bob Moncrief, Tim Guard, Bob Daniels, Paul MacLaughlin and John Lemes. Missing: Fred Lowrey and Mike Givens.*

up to one mile from the finish when they swamped! After bailing out and continuing on their way they came in only about *that* far behind the winning Balboa crew. Santa Monica was third and Hawaii All Stars fourth.

\* \* \*

Making the trip as crew members were John Lemes, Tim Guard, Fred Lowrey, Bob Beck, Bob Moncrief, Paul MacLaughlin, Butch Hemmings, Bobby Daniels, Mike Givens and Nick Beck. Rabbit Kekai is coach and Toots Minvielle OCC liaison and coordinating representative, plus being the Pappy who started the whole thing in the first place.

Ken Brown, captain and runnerup of the Kawaihae Fishing Club team boated the largest billfish in the August 8-12 Billfish Tournament held off Kona, Hawaii. His catch, a Pacific Blue Marlin, weighed in at 596 pounds. Duke was one of Ken's helpful crewmembers.

Jake Urner also caught a marlin, fishing as the Outrigger Canoe Club entrant. His fish weighed 135 pounds.

On the Diamond Head court are Bill Heilbron and Pat Wyman who placed second in the tournament. On the Ewa court Ron Rima reaches for one as Ron Sorrell prepares for the return. This pair took third place. Sitting in the foreground watching the game are Peter Velasco and Tom Haine, the winners over all.*

### **VOLLEYBALL ADDENDA**

In addition to the above captioned statistics, nineteen teams participated in this highly successful tournament in which players always had an enthusiastic audience. Outrigger won the top four places, the fourth place itself going to Bobby Daniels and Paul MacLaughlin. Best showing for non-club team was made by Bill Whaley and Neil Eldredge who took fifth place. Also an interesting team to watch was Col. Robert Jones, USA and his son Bob. They really played the game.

\* \* \*

The Lil' Tiger group of Asian newsboys, representing many countries of the Orient, were guests at OCC on August 9th and had a whirl when they went out for their first outrigger canoe ride as arranged by Knute Cottrell. Hawaiian hospitality style, the waves were real good that day.
