*This is how our Elks Club site looks from the ocean. We're not a landmark yet, like our big brother neighbors, or maybe we are a landmark by being so dwarfed. Anyway, it's nice to know we're surrounded by other folks who like the ocean too.*

## PLANNING COMMITTEE

Your Planning Committee is really hard at work and the work will get harder as time goes on.

A steering committee comprised of Cline Mann, Ward Russell, Hal Whitaker, Wilford Godbold and Link Moore has been formed. This committee is charged with organization of the planning committee, direction and coordination of the various sub-committees, and establishment and maintenance of a time table for the next two and a half years. The committee has begun the task of developing of a program for the architect-associates, Val Ossipoff and Pete Wimberly, to use in preparing preliminary plans and estimates. Three facilities sub-committees will assist in studying and recommending various facilities and area requirements. The club facilities sub-committee is composed of Cliff Melim, Jr., chairman. Barbara Cook, Clarence Philpotts, Don Schmuck, and Ernest Thomas. The athletic facilities sub-committee is composed of Mark Auerbach, chairman, Tom Haine, Ron Sorrell and Aileen Soule. A residence facilities sub-committee has not as yet been complemented, and members willing to serve are urged to leave their names with Jane Lewis, club secretary.

The present tentative time table calls for program and preliminary plans to be completed by the end of June at which time the membership will be called upon to approve the plans and authorize the board to proceed. It will then be the job of the

new club finance committee to solve the financing problems. As reported at the special membership meeting in January, this committee is composed of Tom Singlehurst, Les Hicks, Ed Schneider, Dan Dorman, Bill Curlett, and Buzz Rainalter. It is hoped that satisfactory arrangements can be completed by the end of this year at which time the membership will again be consulted. Assuming approval by the membership, the architects will proceed with working drawings, a job which will carry them to the end of June 1962. The award of a contract will follow and construction will continue through August 1963. It is hoped that furnishings will be completed in time for the club to assume occupancy at least one month before the termination of the lease at our present site, October 30, 1963, to insure smooth transition.

The beach development committee composed of Keith Wallace, chairman, Bob Bush, Jack Cross, Douglas Johnston, and Wakefield Ward will study this important phase.

The membership will continue to be appraised of all developments each month through the Forecast. Meanwhile all members with observations, comments, or suggestions should contact a board member or Miss Jane Lewis.

## **RABBIT KEKAI NEW CLUB COACH**

Surfing and paddling expert and champ Rabbit Kekai has been appointed OCC Club Captain. Rabbit is very well qualified for his new post having racked up many years of captaining paddling crews to championships. He's also surfed his way to many blue ribbons both at Waikiki and at the International meets at Makaha.

Rabbit has made his first call for all kanes and wahines interested in paddling in canoe events scheduled for the near future to check in with him or Tom Haine, club captain. Lots of training in connection with these races so sign up early to get in tip top condition for the competition.

Past, present and future paddlers will be happy to know that the Kaki-na is going to put into A#1 shape and will be ready to go for the big summer races. This fine canoe has raced home with the bacon for OCC in many events and we look for her to do it again.

If you have youngsters in your family, there are two superior recordings that can go a long way toward building an understanding of music. One is for tots, called *A Child's Introduction to the Orchestra*, directed by Mitch Miller (Golden Records). And for kids 10 years and up, there's a two-record album, *"The Instruments of the Orchestra,"* narrated by David Randolph (Vanguard Records). This latter album can also provide enjoyment for adults.

## MORE ON THE MAUI RACES

As mentioned in the April Forecast, our paddlers won three races in the Kuhio Day Regatta held at Kahului, Maui. We had to go to press before the members of the teams were known so we'd like to identify them for you now.

Crewing in the one mile men's senior race were Albert and John Lemes, Thomas Rietow, Ron Durand, Danny Smith and Butch Hemmings.

Winning paddlers in the boys under 15 and the boys under 17 races were Fred Hemmings, Gary Blaich, Tommy Austin, Jan Sutherland, Bruce Clifford and Jeff Fitzsimmons.

## 10½ HOURS LATER: THE CHAMPIONSHIP

On Saturday, the 8th of April the OCC volleyball team went to the gym at Hickam Field to participate in the Hickam Invitational tournament. It took them 8½ hours of actual playing time to complete the 14 games which were necessary to determine the championship, and they were at the gym 10½ hours. This strenuous day earned another first place trophy for the Club.

Members of the team were Ron Sortell, coach-player, Tom Haine, Pete Velasco, Pat Wyman, Bill Heilbron, Bill Baird, Dick Watkins, Pete Balding and Bill Tackaberry. The teams they played were Central Y, Nuuanu Y and Pacific Air Force.

Some tired, boy.

## OCC WINNERS OF STATE CHAMPIONSHIP

Our full of fight and earner of points Volleyball team served and slammed and played tough competition on their way to the State Championship which they won at Otto Klum gymnasium Sunday, April 23rd. They took the top honors from Central YMCA, defending champions who were in number one spot last year.
