WARD RUSSELL RE-ELECTED PREXY

At a special Board of Directors meeting held Thursday, March 2nd, Ward Russell was re-elected president of the Club. I think all of us will agree that Ward's accomplishments in this post during the last year certainly are deserving of his being so honored with re-election. He and his board and committees have many problems to cope with during their reign of office but there is no doubt that these problems will be solved as they arise.

Other officers elected at the meeting were Cline Mann, vice president; Harold Whitaker, secretary and Herbert Taylor, re-elected treasurer.

Because of the burden that the secretary's and treasurer's jobs will have to carry during the next year or so the need for an assistant to each of those officers was pointed out. In the light of this Jim Muirhead was elected assistant secretary and Bill Cross assistant treasurer.

President Russell re-emphasized that the year ahead was a crucial one in OCC's history and he stressed the importance of committees being formed and becoming active immediately.

* *

The banner of OCC will be given wide publicity soon and in rather rapid fashion. Gidget Goes Hawaiian has scenes taken just off the club and with our canoes and Beach Services staff. Blue Hawaii will be filmed here soon and we're "written into" their script.

Be more than a spectator in the battle of life. Without taking foolish chances, be willing to risk your own comfort when the plight of other people demand it.

BOARD OF DIRECTORS MEETINGS

A special Board meeting was held on February 7th for the purpose of further discussing future plans of the Club.

A regularly scheduled Board meeting was held February 16th which was the last Board meeting for this particular group. New board members, who are listed elsewhere in this issue, will sit with the next Board.

JR. EDITOR NEEDED COULD THIS BE YOU?

Your editor is looking for a Junior Editor. Most of the news in the Forecast is about the big folks and yet most of the members of OCC who take advantage of all the club's facilities, such as the locker rooms, surfboard lockers, canoes, volleyball courts, snack bar and like that are of the younger set.

Here's all you have to do to become the Junior Editor. Get one ad per month, one 1/2 page picture and enough material for one page of copy. For your efforts you will be paid \$10.00 plus a 10% commission on the ad you get. You needn't get a different ad every issue. If you get the same ad for any number of issues you still earn your 10%. Contact me either in writing or by phone. I'm looking forward to hearing from you.

And before you know it they'll be shooting Diamond Head in which the OCC banner proudly will wave in Waikiki scenes.

Now and through the June 13, 1961, sailing of the LURLINE from Honolulu, you and your family can sail Matson to the mainland and back for less than you'd pay for round trip tourist air fare... simply by taking advantage of Matson's two "travel savings" plans.

NOW IS THE TIME TO GET ON A COMMITTEE

The next meeting of the Board of Directors on March 16 will be the beginning of a new year for OCC as far as officers, directors and committee members are concerned. The OCC has 16 committees and four sub-committees to which chairmen will be appointed by the president. These chairmen will in turn select their committee members. Look over the list below and see if these isn't some committee you'd like to serve with. The chairmen named here were appointed for 1960 and it may be that many will be reappointed. Their names are given so that you may contact them to determine the purpose of their committee if you think you might be interested in being a member. Some of these committees have been fairly inactive during the past year and we'd certainly like to see them once again become an important part of OCC's activities. Now is the time to let us know of your desire to become a committee member.

300 ATTEND ANNUAL MEETING

The Sheraton Meeting House was abuzz with activity Friday, the 24th of February when some 300 regular members gathered for the Annual Meeting and to welcome the seven newly elected directors. It was good to see that so many of you are keenly interested in your club's present and future activities.

President Ward Russell, in his annual report, once again reviewed for those who were not present at the special membership meeting January 24th events that have taken place concerning the possibility of our accepting offers and proposals from interests desiring to see us remain at our present club site. However, by meeting time no firm proposals had been made by OCC or received by us. It's a big decision to make and will take lots of meetings and lots of figuring before the answer is before us.

In this respect an Advanced Planning committee has been formed whose particular concern will be the new club site. Tom Singlehurst is chairman and will be assisted by Bill Curlette, Dan Dorman and U. J. (Buzz) Rainalter. The lease on our present site expires October 30, 1963.

Ward also reminded those present of the new membership drive of which Lou Bingham is chairman. During this drive the initiation fee for regular members is \$250, but on June 30th the \$300 normal initiation fee will be restored. So get your friends in now, folks. The membership presently is made up of 996 regular members, 168 juniors, 186 non-resident and 36 military.

* * *

Treasurer Herbert Taylor presented his annual report and in essence it pointed out the need for more patronage of OCC by the membership and guests. (Ed. Note: If only the club could be "jumping" like it was after the Annual meeting! Wasn't that a happy sight to see!)

COMMITTEES REPORT AT ANNUAL MEETING

John Linkie, chairman of the Entertainment Committee reported that his committee had planned the Shipwreck Party, Hallowe'en get-together, Ladies' style show, which was a sell-out, and the Christmas and New Year's Eve parties which were both well attended. He gave particular credit to Mae Borthwick of the Decorating committee for her efforts in making the club attractive for these events.

Toots Minvielle, Coordinating Director of Athletic and Sports Activities reported that the Club had had a full schedule of athletic participation and named a few of the successes including winning the Oahu and State volleyball championships, and coming second in the Walter MacFarlane and Molokai canoe races.

Mariechen Jackson, chairman of the *Forecast* committee happily reported that in January of this year the *Forecast* was produced at no expense to the Club, for the first time in many years. She thanked the membership for

their kokua when the *Forecast* went on a subscription basis.

Martin Anderson, chairman of the Sheraton Negotiating Committee reported that Sheraton Hotels have agreed to lease the Club 25,000 sq. ft. of land on the present site of the Uluniu Swimming Club when their lease expires in 1963. The Sheraton group also expressed the hope that OCC would be able to accommodate the Uluniu group if at all possible. The Bishop Estate says that if Sheraton does not renew its lease on the property with them that they (Bishop) will offer the space to OCC in the hope that the club will find it economically feasible to accept their offer.

* * *

Following reports from the officers and committee chairmen the resolution seeking authorization of the employment of an architect or architects for the preparation of plans for a new club (Diamond Head) site was discussed and then put to a vote by the membership. It was unanimously passed.

After a job well done at the Club Thursday evening, February 23rd, the Judges of Election for the voting of new Board members enjoy a moment of relaxation for our cameraman. Seated—George Bustard, S. E. Gilman and Joe B. Stickney, chairman. Standing—Karl Heyer, Neal Iversen, E. Thomas, Bill Barnhart, Harold Lishman and Clarence Philpotts.

Continued from page 8

The second part of the resolution, to authorize and empower the Club's Board of Directors to borrow money and/or to expend funds for the purpose of employing an architect or architects, was also unanimously passed.

After adjournment of the meeting traffic was held up on Kalakaua for some few minutes as members streamed across the street on their way to the dining room (and cocktail lounge).

Re John Chamberlain Resolutions

The membership has received several letters recently from member John Chamberlain who strongly contends that OCC should remain at its present club site. In Mr. Chamberlain's letter of February 17th he proposed three resolutions which were read and voted upon at the Annual Meeting. Since you have all had the opportunity of reading these resolutions we shall not

repeat them, but we would like to report on the voting of them.

Resolutions number one and two were tabled, and resolution number three was pronounced out of order.

* * *

It was announced by Cline Mann at the Annual Meeting that OCC will start a Scrap Book. Wonderful idea. Wonderful. What a way for the club's history to simply write itself.

BRAND NEW FUTURE MEMBERS

Kristin Haines has joined the Big World Outside as of January 25. First thing she did was to weigh in and found out that her original 7 pounds and 14 ounces could easily be the head start she needs to become a cracker jack volleyball player like Daddy Tom is. Mommy Marilyn doing just fine, too.

Checking in to Kapiolani Hospital on February 10th at 6 lbs. 10½ ozs. was Ross Allen Watkins, now the main attraction in the home of his parents, Dick and Gail Watkins. For a Welcome To This World present Pop got him a volleyball. There are now 4 living generations of RAW's.

OCC MEMBERS ELECTED TO COMMUNITY CHEST

At the recent annual meeting of the Honolulu Community Chest Frank Crum was elected president for 1961. Mr. Crum is Hawaii state general manager for the New York Life Insurance Co.

Mariechen (Squeaky) Jackson, was elected assistant secretary. She presently is assistant executive secretary for the Community Chest with offices in the Trustco Bldg.

At Long Last!

And now club office secretary Jane Lewis doesn't have to try to "file" papers on the top of her desk, on the top of the file cabinet, in her desk drawer or in her head. She now has a new filing cabinet. So if you see her desk all cleared off it doesn't necessarily mean it's the end of the working day. Just the end of the Stack It On The Desk days.

Busy, Busy

When not conducting Board meetings, club president Ward Russell puts on his senator's hat and hustles off to the Legislature which is presently in session. Retiring Board member Rep. Fred Rohlfing is busy with legislature work, too, and the newspapers state that he's giving lots and lots of thought to future zoning changes, such as that which was made for the Hilton Hotel in Waijalae-Kahala.

We've Heard From N.G. III

Norman Godhold writes from Australia that he's enjoying his little flat on Watson's Bay at the mouth of Sydney Harbor. In his TV work he's produced a couple of half hour shows, lots of commercials and has even been before the camera a couple of times himself. Blimey!

SOUTH SEA ISLAND MAGIC

By Rusty Thomas
Food Editor

Club member Granville D. Abbott, known to most club members, as 'Granny,' serves up some mighty good vittles at his public dining room on Ward Street.

As general manager of one of Honolulu's popular restaurants, Trader Vic's, Granny has long promoted the reputation of the original Trader Vic's in making oriental food not only sound enchanting but also extremely edible.

And of course specializing in the world of rums, or any other spirits, is a forte synonymous with Trader Vic's.

Along with these exotic cocktails, comes wonderful desserts made with the spirits also.

Of course, Granny has a treasure of recipes that would fill a book. When we asked him for one to pass on to club members, he reeled off suggestions of sauces, salads, and such that really made us want to start that book. But we settled for this South Sea flaming sweet that is quite simple yet so delicious and fun to serve. Try it and agree.

TAHITIAN FLAMBE

(Serves 2)

- 1 pint ice cream
- 2 teaspoons jam (may be peach, apricot, boysenberry, blackberry, guava, or other favorites)
- 1 ounce curacao
- 1 ounce cherry brandy
- Fresh grated coconut
- Brandy to ignite

Heat jam, curacao and cherry brandy in a chafing dish. Place ice cream in two large dessert or supreme dishes. Sprinkle with coconut.

Heat a large spoon of brandy and ignite. Carefully stir into jam mixture and ladle over ice cream while flaming.
