

OUTRIGGER CANOE CLUB forecast

SEPTEMBER, 1960

ALOHA TO OUR NEW MEMBERS

Fourteen new members were recently voted into the club and this time the Juniors outnumber all other classifications. Most all of the youngsters joined because of their interest in canoeing and surfing so it looks like some more State Championships may be in the bag for us.

NEW REGULARS

David Bartholomew, a sales representative with Honolulu Construction & Draying Co.

Rear Admiral H. G. Corey (Ret.) who we're happy to say will be spending some of his leisure hours at the Club.

Dana D. Kolling is Hawaii and Far East Director of Sales for Pacific Military Bases for C. Johnson Co. His title indicates that he'll probably be off the island on frequent trips, but when he gets back he'll no doubt enjoy relaxing at the Club.

JUNIORS

Candace (Candy) G. Corey of Punahou joins up the same time as her dad, Adm. Corey.

Thomas S. Austin, Jr., of Punahou will be heading for the Club right after school each day no doubt.

Jeffrey Taylor of Punahou wants to become an expert at swimming and surfing.

Robert Hogan Jr. also of Punahou. S'pose *Bob Sr.* has already given him some tips on the right way to play volleyball?

Patrick Spencer will be in the "Imua Kamehameha" camp this football season. He's also most interested in canoeing and paddling.

Maria Hemmings brings the Hemmings family membership in the Club up to five. Preceding her were poppa Fred Sr., Fred Jr., Cynthia and Butch. Just one more to go and we'll have a boatload. Maria is going to Punahou.

Other students who will be seen around the Surf and Sand more frequently are:

Matthew A. Cabot, Jr., who'll be at the University of Kansas this year. (So guess *he* won't be seen more frequently, will he?)

Robin King of Punahou. Robin is the daughter of the *W. H. D. Kings, Jr.*

Caroline K. Lundquist, also of Punahou. Her dad is the Lundquist part of Jacobsen & Lundquist, millwork specialists.

NON-RESIDENT

Dr. Edwin C. Hoodless is an orthopedic surgeon at Kaiser Hospital.

Sumner Bates is a resident of La Grange, Ill.

It took place a little more than a month ago but the memories linger on of the gay evening enjoyed by those at the Club's Shipureck Party. In the photo on the left are first prize winners Donald C. Smith and his date. I think Lumumba was also at their table. On the right we have Jewel Osorio dancing with Bob Harnish and in back of them is Bob's wife Dorothy with South Sea Islander John Chamberlain. Who has more fun than people.

By Gosh! Beef is good!

And no wonder. It's chilled U.S. Prime and Choice Beef.
Plus all chilled beef is cut and fabricated in Honolulu.

BARNHART TO COOK

Bill (Whiskey) Barnhart has gone for broker. No kiddin'. He's gone and gotten his real estate broker's license so now you may call him Realtor Barnhart. Whiskey has joined *Barbara Cook* as a real estate salesman after 8 years at Hawaiian Trust in the real property management division. And we think it's real good that realtor Whiskey is going to sell real estate. Now what he's looking for, folks, is buyers. So give him a jangle when you're in the "I've got a downpayment" class.

BUSH TO COLONY

Jeanne Bush is carrying calling cards with her name on them which identify her as "General Manager — The Colony International — 2310 Kuhio Ave., etc." And at just the slightest hint that you'd like to see one, she'll

produce a most colorful brochure which gives you the whole bit, swimming pool and all. The Colonials never had it so good.

HOUGH TO RETIRE

After having been security officer at the club for the summer, Luther Hough took to retirement at the end of August. Methinks that anyone who has been security officer at the club for the summer months has well earned said retirement!

Old Soldiers Fade Away

But celebrities always return to their favorite spot at Waikiki . . . our club. Kaukaiuing and Hau Terracing during the month were returnees *Dennis Day*, *Bob Crosby* and *Red Skelton*. Bring brother *Bing* over here and we might be able to get another volleyball team going. (Just like we need one, yeh?)

2170 Kalakaua Ave.

That's where you can find members *Joyce Tackaberry* and her partner *Verna Rima* any day from now on. They've opened a shop by name of GIGI and are specializing in sophisticated sportswear with ze accent on capri outfits. They know it pays to advertise, too, as witness their ad in this issue.

Joyce, who is from Westwood, California and Verna, from Balboa of the same state, felt that there was a real need in Hawaii for sportswear of the kind that they are designing. They have a wide variety of fabrics, styles and patterns and invite you to come up and see them sometime, anytime. They're on the second floor of the building, you see, where Joy's Dress Shop used to be.

Come and Get It

By Rusty Thomas, Food Editor

The Outrigger is practically a 'second home' to the Allan Ledford family as it is to many other members. At least one or more of the family of seven can be seen daily at the club—surfing, swimming, volleyball or socializing.

Active days mean hearty appetites and Mrs. Ledford (Caroline) is always prepared for the familiar, "Mom, can Billy or Susie or Jane come home with me for dinner tonight?"

When the family moved here from Napa, California, in '56, Caroline brought her file of wonderful Italian recipes she had collected there.

Among her popular dishes that she uses for entertaining is an Italian paste called malfatti—used in place of ravioli in a section of Italy.

MALFATTI

Serves 10

- 4 cups cooked chard (cook, drain, and measure)
- 6 cups bread (use French, soak in water and squeeze dry—measure)
- 1/2 bunch parsley
- 2 cloves garlic
- 4 medium onions
- 1 cup Parmesan grated cheese
- 5 eggs
- Salt and pepper

Put onions through meat grinder. Melt 1/4-1/2 cup olive oil in large frying pan. Add chopped parsley and garlic. Let simmer. Put chard and bread through grinder. Add to mixture in pan. Cook for about 5 minutes. Remove from heat and cool. Add un-beaten eggs and cheese and season.

If mixture is too moist, add more dry bread. Heat pot of salted water. Take a teaspoon of the mixture, roll very lightly into a small sausage shape on floured board and drop in boiling water. The malfatti will rise to the top when done. Remove with a strainer. Serve on a platter and cover with

good Italian spaghetti sauce. Sprinkle cheese on top. Caroline suggests this is a good dish for the 'do-it-yourself' party in the kitchen. Or it can be made ahead of time and heated with the sauce in the oven later.

The Outrigger Canoe Club was founded on May 1, 1908 and started out with a membership of 200. The first "club house" was two grass shacks that had been removed from the zoo.

* * *

When singer Charles L. Davis was in town recently he, and his brother Francis, were luncheon guests of Johnny Gomez at the club. Others in the party included entertainer Billy Dare, Jack Sheppard, Celebrity Service's Earl Blackwell, Mel Medeiros and Dick Jones.

* * *

In Dec. 1908 the Outrigger Club's 40x40 dance floor was completed and the occasion was celebrated with a surfing regatta, chowder dinner and a ball!

Swimming News

BUT WHERE TO TRAIN?

When club swimming coach *Barry Yap* was asked for the latest on the sport he said "Well, we stopped swimming during the paddling season and there was no training at all. We'll probably resume training in November in preparation for the AAU sponsored meets in January. So tell anyone in the club who is thinking of entering those meets that it's not too early to be giving some thought to cutting down on hamburgers and malts and the late, late show on TV."

Barry has not been idle this summer, however. He has been busy with

young son *Bret* and his duties as representative for New York Life Insurance Co. Then on July 27th along came son *Blayne*. *Bret* is quite sensitive about being so much older than *Blayne* and ended the interview with:

"Just say that I'm around two." *Barry* hasn't said yet whether he'll enter his sons in the January races, but if he does it's a cinch that the club will have at least two swimmers who won't break training.

Barry's wife is the former *Joanne Kekuewa* and they're living at Kaaipau St. in cool *Manoa Valley*. "Close to *Punahou*," *Barry* says.

CASTLE SWIM TEAM TO BE REVIVED?

In talking about swimming, *Barry* mentioned that there is a possibility of getting the *Castle Swimming Meet* going again. For many, many years it was held on *Thanksgiving day* and sponsored by the *Club*. Men con-

testants swam the mile from the *Castle home* (later the *Elks Club*) to the *Club*. The *wahines* swam the half mile or so from *Public Baths* (about where the *Aquarium* is now) to the *Club*.

I didn't have time to find when the first meet was held because it isn't catalogued at the *Library*, which would have meant going through that many newspapers. However, I did find out that our own director, *Mariechen Wehselau Jackson*, won the *gals' race* in 1922, 1923 and 1924. In 1923 *Helen Moses Cassidy*, her still good friend, was second and *Janice Lovett* third.

For the men, the 1924, '29 and '32 races were won by *Toots Minvielle*. At that time he was a resident of *Molokai*. For him to win these races was an amazing thing to me, because all I've ever heard about *Molokai* is that it has "no more water." In 1934 *Toots* came in second. The winner was *Henry Sakamoto* of 40 & 8. *Olga Clark* took the *wahines' race* in 1934 and *Mildred Slaght* was second.

So you see what happens when *Barry* merely mentions that they might get the *Castle Swim* going again? I get carried away.

Here in Hawaii real folks like to know with whom they are doing business. Other things being equal, they would prefer to do business with their friends—including fellow Club members of the O.C.C.

So you know just who offers the products or services you need, the "FORECAST" publishes this directory.

SO YOU CAN MAKE YOUR SEPTEMBER PLANS

MONDAYS—(Including Labor Day) the Dining Room will be closed as usual. However, you can always get good kaukau and da kine at the Hau Terrace Snack Bar, where a real picnic spirit always prevails. Here you can sun and eat and drink and talk all the same time. Wot more you want, bruddah?

TUESDAYS—Regular club schedule. Hope to see you for lunch or dinner in the dining room. Our new chefs are really putting it out.

WEDNESDAYS—Duplicate Bridge starts at 7:30. Here's where you have to do your own bidding.

THURSDAYS—Regular club schedule. You'll enjoy the sunset from the Hau Terrace. Always different on Thursdays.

FRIDAYS—And away we go! Happy Hour from 5:00 to 7:00 P. M. On your mark, get set, ready, GO!

SATURDAYS—Hawaiian Moonlight night—Hawaiian music in the Dining Room from 6:00 to 9:00 by Marian Diamond and her gals. This is the night to bring those visitors that you were wondering how to entertain. They'll hear real Hawaiian music and see authentic hulas in a most delightful atmosphere. Suggest that you make reservations.

SUNDAYS—A real full day. Catering to all in the family and visiting firemen. Start out by having eggs benedict or something equally as delectable as served during breakfast—brunch from 9:00 to 1:30. From 2:00 'til 5:00 Bill Crawford and his trio give out with their sweet Hawaiian music on the Hau Terrace. These folks are real crowd pleasers and certainly make Sunday afternoons at the club seem worthwhile.

HARRY FISHEL DIRECTS BRIDGE

Harry Fishel, who holds the rank of Life Master which is the highest rank obtainable in the game, has been appointed director of the Club's bridge tournaments. The tournaments are held on the Lanai commencing at 7:30 every Wednesday nights and worthwhile and attractive prizes are awarded to players who get the best scores in four out of five sessions.

Bridge is really a fascinating game and if you're a combination Clairvoyant mathematician and gambler you should make plans now to sign up for a session. You can register with any of these bridge committee members:

Mrs. Donald F. Darrow — Ph. 506-381.

Mrs. Preston Moody—Ph. 78-374.

Capt. Paul Baker—Ph. 256-409.

Might just as well plan to have dinner at the club on Wednesday, too. Then you'll be sure to be there on time.

OUTRIGGER CREWS IN ALL 11 EVENTS HELP WIN '60 STATE CHAMPIONSHIP

For the third successive year coach George Downing and his paddlers have brought home the bacon by winning the canoe regatta sponsored by the Hawaii Canoe Racing Association which was held August 7. This year, for the first time, the event was held in Kahului Harbor. Apparently the locale of the races makes no difference to the Club's crews; they just paddle, paddle to victory no matter where they are.

In the senior 2 mile race the Outrigger crew earned the blue ribbon by winning over Waikiki Surf Club. Coach George Downing was steersman in this important race and he really picked a winning crew. Others on it were Nick Beck, Bob Moncrief, Henry Hollinger, Dory Carr and Timmy Guard.

This was really a great day for the Outrigger at Kahului. Our crews took four first places; came second three times. Two times we were third and two times came in fourth.

In the evening a real hoe down luau was held at Kahului Fairgrounds and they say there was dancing at the Kahului Shopping Center.

* * *

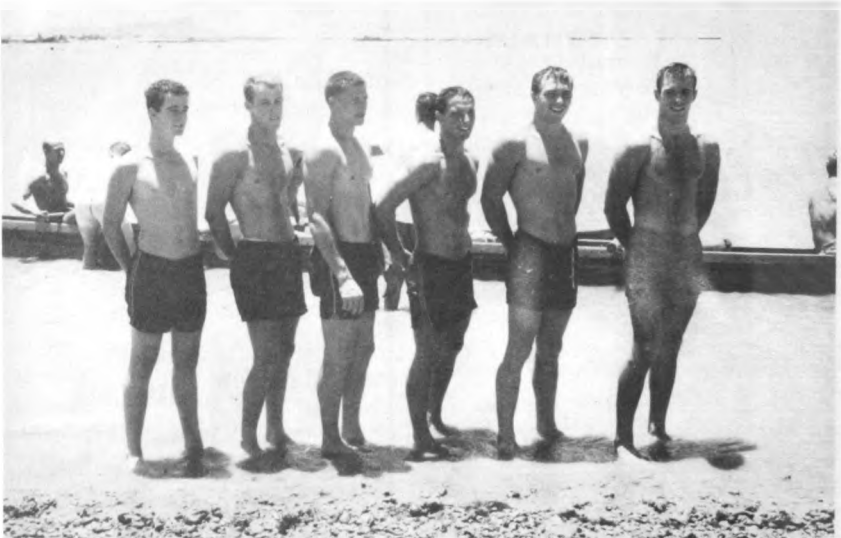

Malcolm and Mianna Maguire are back in town. For the past three years or so they've been doing Europe, mostly Switzerland, for Kodak. They'll be at the Edgewater Hotel for another couple of weeks, then off to Europe again, via Kodak's home office in Rochester, N.Y.

* * *

The Jonathan Club in L.A. had a humdinger of a luau August 5th.

* * *

Employees of Bank of Hawaii's Waikiki Branch were dinner guests of branch manager Vince Danford last month.

Here they are . . . the victorious Freshman Crew. At those big races in Kahului Harbor they paddled themselves right into first place. Bruce Ames, Mike Holmes, Ash Hartwell, Butch Hemmings, Ron Durant and Bobby Beck.

NEVER TOO YOUNG TO LEARN

These volleyballers get going real young and it seems that their pattern is to start out by winning games. Then they graduate from winning games to winning league titles. The latest title for the Outrigger Novice six man team is "Champions—Park League." This same title they have won for three years. Their championship game was played against Papakolea Thursday night, August 18 at Kapalono Park in Kaimuki. Scores were 15-5 and 15-11.

Coach Ron Sorrell has coached all three winning teams and says it's a pleasure to work with them because they're so eager to learn and have such love of the sport.

Keep your eyes on the hands, folks. These youngsters are the slammers of the future for the Club's varsity volleyball team.

SEPTEMBER SKED . . .

The *Junior Wahines* will be playing on the baby court on the 3rd and 4th.

Outrigger Senior Men's open doubles all set for the 10th and 11th.

Throw Tournament, using the old rules, to be played on the 17th and 18th.

Volleyball

Volleyball continues to be the Big Daddy at the club and the sand on the courts seems hardly to have a chance to settle before it is flying through the air again under feet of determined-to-win players.

The ever popular Kane-Wahine tournament, held August 13th and 14th produced some very interesting results. In partnership teams as assigned by the Volleyball Committee, *Carol Sorrell* and *Bill Heilbron* turned out to be the best matched. Reason for this is that they took first place. *May Balding* and *Ron Sorrell* followed them 'round the bend for 2nd place, which always means a good performance, no matter what. In this particular 2nd place, however, *Ron Sorrell* still doesn't believe the outcome is true. "My wife took me to the cleaners," he said. "She's been playing volleyball for two years and I've been playing for 14, and she beats me. How about that?"

Anita Whiting and *Bill Baird* placed 3rd in the tournament and a good time was had by all. This is the first year that the Volleyball Committee has assigned partners to each other it's the consensus from participants and spectators alike that the new look has proven to be a popular one.

Primo

THE HAWAIIAN BEER

... is the "Prize of Honor" Brew

First brewed in Hawaii's Annexation days, Primo has become the popular beer with malihinis and kamaainas, alike. Their choice knows no better endorsement than this:

At the Grand Prix de Paris, July 19-20, 1960, Primo was awarded the silver Prix d'Honneur.

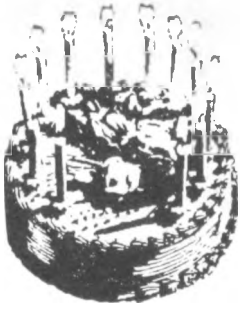

Little wonder, Primo's the islands' top brew with visitors, too! It's Primo's at-the-brewery flavor that wins popularity-plus everytime, everywhere!

Try it . . . you'll like it!

Fine quality Island products like Primo do much to enhance the fun of Island living and also aid our economy with their payrolls and tax loads.
