

Volvo League

Dear Martina,

Our second year of participation in the USTA/Volvo Tennis League (the one designed for us serious amateur hackers!) has come and gone and you'd have been proud of the strides we made. Our match win-loss record put us just one match short of qualifying for the 1986 Nationals.

Czech these highlights! Tina and Mary went undefeated in doubles this season and grand dames, Marilyn and Keanue, were 5-1 at second doubles.

At singles, Susan posted a 5-1 record against tough competition! It wasn't the Grand Prix circuit but we played with no less spirit and desire.

We're ready for the '87 season NOW!

Your Aspiring Fans,
OCC Women's Tennis Team
