

The OCC Men's Tennis Team Works Very Hard

by Fred Hemmings, Sr.

Early, early every Sunday morning since June 13, a few, very few, Outrigger men have risen to go forth and do battle against overwhelming odds on the tennis courts of Oahu. The challenge is the competition amongst the 82 mens teams in the Honolulu Tennis C League.

As of July 4th, victory has been elusive and hard to come by, with a batting average of .250.
