Dede Openshaw prepares to serve an ace.

The Kokohead Kaper

Seventy, 75, 80, 85, 90—games! We got in a lot of tennis the last week in April at the Kokohead courts. Seventeen of us played all day—men's and women's doubles and then mixed doubles. Competition was a standard round robin with everyone playing 56 games. Dede Openshaw and Dave McCoy were high scorers with 40 and 39 games respectively. Niall Scully with 34 and Helen Clarkin winning 32 were runnersup in each category. Lunch was a very substantial fare provided by the Club—with cheerful additions by Hal and Hattie Whitaker. The renewal period was obviously an inspiration since most players continued in a poi competition mixed doubles for several more hours in the afternoon. Jon Haig, Phyllis Swartz and John Michalski were among those who played close to 100 games, finally having to give up the courts late in the afternoon . . . exhaustion!

In June we hope to have a return match with one of the clubs we played in '72 and we are thinking about a tennis party. Watch the bulletin boards for more news. If you have suggestions for activities please contact the Tennis Committee.
