The starting gun will sound off at the corner of Kalakaua and Monsarrat Avenues. The course will be around the inside perimeter of Kapiolani Park, one and three-fourths times inside the Zoo, finishing in front of the OCC.

Scout down the side entry to the beach and strip off your running gear and transition on the beach to your swim gear and goggles and splash out past the windsock to a couple of buoys and back again. Finish at the beach at the Colony Surf.

Kick around with your friends (more OCC members can participate in this race) and share brunch with all afterwards for the awards ceremony.

The run course is flat, fast and scenic around the sidewalk area, the swim is exhilarating with green sea turtles spotted below you.

Start training now. We guarantee you thrills and chills, so let's spice it up. Call Chrissy or Don for details.
