

Extra Innings

The 2001 OCC Softball team kicks off its Spring Leahi League season this month. All games will be played across the street at Elk's Field at 5 p.m. on either Tuesdays, Wednesdays or Thursdays.

There will be one game each week until the playoffs start in June. Look for a posted schedule in the Tunnel near the Logo Shop.

Mike Miranda will handle all on-field duties. Newcomers are always welcome so don't hesitate to call or see Mike. Keep in mind this is a very competitive league and the play can be outstanding as most players on every team played high school or college baseball. You can contact committee member Henry Ayau, Bill Kilcoyne or Jim Gaddis for information.

Mike and Bill hope to organize an OCC team that will participate in one of the many Hawaii summer tournaments. They will need help so please let them know if you are interested or if you can do something to help them. Not all of the regular members of the OCC softball team will be able to participate in a summer tournament.

A few years ago, we began featuring players and coaches in a personal profile story. This year we plan to continue these profiles and also bring back softball memories from the past.

Score and highlights from each game will be featured in Extra Innings each month. Thank you for supporting OCC softball.
