

# Extra Innings

The OCC Softball Team cruised into August with a 2-1 league record, a two-game win streak and high hopes for a late summer sweep.

Despite two-hit games from Paki Vaughan, Randy Schoch, Jim Cavanah and Jon Whittington, OCC scored only three runs and lost to Expresso 4-3 in the season opener.

The defense played exceptionally well but the team failed to cash in on numerous scoring opportunities. All we needed was one clutch hit.

OCC rebounded against Tutukane with an 8-5 win. Paki, Randy and Jon led the team again with two hits each. Keith Letman pitched a great game and hit OCC's first home run of the year in the second inning. Fifteen OCC players got into the lineup.

The most exciting game of the year thus far was a come-from-behind victory over Maharaja. Trailing 7-5 in the bottom of the sixth, OCC strung together three straight singles to close the gap 7-6.

Head Coach Jim Gaddis ripped his third hit of the game down the left field line for a two-run triple knocking in the tying and go-ahead runs. Brian Hoernig's third single of the game knocked in Gaddis for an insurance run and OCC went on to win 9-7.

Bill Kilcoyne had two hits including a triple to join Gaddis and Hoernig with multi-hit games. Gaddis contributed four runs batted in while Jim Cavanah shined at shortstop and Jon Kiner made a great catch in right field to end the game.

A special thanks to all of you fans who come out each week to support your team. Your enthusiasm is greatly appreciated.

The post-game BBQ following each game organized by Bill Kilcoyne and Keith Letman has proved to be a great success this year with solid attendance by the players and their families. ☺

Only one kayak or canoe stall will be allowed per member.

Stalls are not transferrable; a member may not buy a kayak or canoe and obtain the right to the stall it is in. All authorized kayaks and canoes must have an identifying decal (available from the Front Desk) on their right front side.

Stalls may be reassigned on the basis of member use or non use, and members who do not use their kayaks or canoes may be required to give up their stalls.

The Business Office keeps waiting lists in chronological

order. If you would like to be placed on the waiting list or give up an existing stall, please contact the Business Office.

Additionally please be aware that the loading zone on the side of the Club's driveway should only be used for loading and unloading kayaks and canoes, not for parking. Once your kayak or canoe is loaded or unloaded, please move your vehicle immediately.

Lastly, to avoid damaging our landscaping, please do not leave your kayaks or canoes on the planted areas of the driveway. ☺

Enjoying the after-game picnic were Keith Letman, Jon Kiner, Bill Kilcoyne, Brian Hoernig, Jon Whittington, Kainoa Gaddis, Courtney Gaddis and Bill Lawson.
