

Softball Update

The 1994 OCC Softball team brushed off the dust and opened spring training with a great day of softball and BBQ on April 10. Henry Ayau organized the event which matched OCC against Hui Lanakila Canoe Club. A coed game was played prior to the men's game. Next month's softball news will offer details and pictures of the fun-filled event.

The regular season starts next month with playoffs scheduled for September. Anyone interested in participating in softball should contact Jim Gaddis at 737-7281. Check for softball messages in the Men's Locker Room or in next month's issue of the Outrigger. 🎯
