

## **BLESSING**

Dear heavenly Father, we ask thee for thy blessing for this canoe.

For love and guidance, for this canoe.

With the sailing of this canoe,

Over big waves, little waves and the swelling waves of the deep blue ocean.

Keep it safe in all kinds of weather, and bring it safely in to shore.

Give to all who may be using this canoe, your peace, love, joy and laughter.

May your blessings Lord be with us all now and forever.

Amen.
