

Open Water Swim Delayed to Dec. 29

Outrigger Canoe Club's annual Thanksgiving Day open water swim has been moved back to December 29 this year.

Fred Steers, in charge of the '56 meet, said today the postponement was made to accommodate local high school swimmers who won't start their training for the '57 prep season until next month.

The feature event will be the men's race, roughly 2,000 yards in distance. Starting point is the Elks Club to the Outrigger Canoe Club (approximate distance: 1,500 yards).

The women's senior race will start off the Public Bath and terminate in front of the O.C.C. clubhouse.

Other events will include shorter races for boys and girls in the 16 and under and 12 and under groups.
