

Outrigger Club Swims At Waikiki Beach Thursday

Local swimmers are hoping for calmer weather at Waikiki Thursday morning when the annual open water swim sponsored by the Outrigger Canoe club will be staged.

More than 30 swimmers have been signed up for the various events. The races include events for boys and girls under 16 years of age as well as several open races. There is considerable interest in the women's race, in which Gladys Slaght will

compete against her sister, Mildred Slaght Hooper. A few years ago the latter was one of the best girl swimmers here, but has been on the mainland for some time.

The ocean has been quite rough the past week or so, but in spite of this the swimmers have been working out. The swims are of various lengths, but most of them are from the public baths to the Outrigger club.

The program starts at 9 a. m.
