

LET US KOKUA!

THE Outrigger Canoe club, famous beach organization, has decided to hold in connection with its annual Turkey day aquatic carnival, a one mile open swim, in ocean water, and in the open. All swimmers with A. A. U. cards are eligible and invited to compete.

This is quite a concession on the part of the Outrigger club and should be appreciated by our swimmers. They can show their appreciation by entering the event.

The idea is to boost swimming in Hawaii and now is the time to start boosting, if the islands are to develop a team able to compete in the Berlin Olympic games, four years hence.

Any boy who thinks he can swim a mile fast enough to win a prize should send in his name to either Gay Harris or Dad Center at the Outrigger club before next Sunday. No entrance fee is demanded and prizes are offered for the men or boys who finish one two three.
