

## DAD CENTER PLEASED

**D**AD CENTER was highly elated over the results of the annual Outrigger swim yesterday morning.

"It brought every member of the club who can swim into the water and furnished just the right kind of competition, the kind of competition I wanted. Buster Crabbe's victory in the Castle Cup event was similar to the victory of Gay Harris two years ago. Buster started out at a fast clip and maintained his advantage. Had he elected to take his time at his start and then tried to catch up, I doubt if he would have won," is the way Dad talked.
