Revival of the Castle-to-club outdoor swim by the Outrigger Canoe club is exciting considerable interest in the local aquatic world with the result that there is a pronounced favorite in W. W. "Wild Bill" Harris to cop the event Thanksgiving morning.

Three cups have already been put up for the three sections of the swim. There is the men's swim from Castle's point, the girls swim from the Public baths and the swim for boys from the latter starting point.

The Star-Bulletin has put up a cup for the girls. Wall & Dougherty has put up a trophy for the men and Dawkins & Benny Co. is putting up one for the boys.
