

# RAINBOW ENTRIES CLOSE TOMORROW

## Local Track Squads Slow In Getting Started; Only Four Teams Likely

First noise in an official way regarding the annual Rainbow Relay carnival which is scheduled for Saturday, March 31, was made this morning with the announcement by David Penhallow, chairman of the meet, that all entries must be filed with the proper committee by tomorrow.

Present indications are that only four teams are certain of entering this meet. They are the University of Hawaii, Palama Settlement, the Outrigger Canoe club and the army tracksters. Thus far these teams have made little or no noise concerning the meet.
