

## RELAY MEET

The Rainbow Relay carnival at Kamehameha field tomorrow afternoon is the principal sports attraction in Honolulu over the weekend.

Much interest has been aroused in this meet due to the fact that the relay races promise to be exceptionally good. In every event there will be at least two teams scrapping for the lead with the odds very slightly in favor of either one.

The advance dope seems to be that the Outriggers will romp away with the meet. However, they will not have an easy time performing the task as Palama and the University of Hawaii will be close on the heels of the beach club athletes.

\* \* \*

Palama looks very strong in the two and four mile relays and should pile up quite a number of points in field and pit events. The Outriggers are favored in the short relays but it is expected that the University of Hawaii will make a strong bid for first honors in these races. Some records should fall tomorrow.
