

Varsity Athletes Place In 14 Events And Annex Grand Total of 73 Points

Palama Team Finishes Second With 46 Points; Army Athletes Make Fine Showing; Nather, Army 'Dark Horse,' Breaks A. A. U. Record in the Two-Mile Event

By DON WATSON

Placing in 14 of the 18 events "Spud" Harrison's University of Hawaii track team won the A. A. U. championship track and field meet at Kamehameha field Saturday afternoon.

The Deans started grabbing points in the first event of the meet and piled up a total of 73 points while their nearest opponents, the Palama athletes, collected 46.

The points were distributed among the various teams as follows: Varsity 73, Palama 46, Outrigger 36, Army 34, Y. M. C. A. 3, National Guard 2 and Unattached 2. The unattached points were won by Lindsay of Maui, who placed third in the 880-yard run.

Contrary to expectations, the A. A. U. records were not in great danger during the meet. Only one new mark was set, and that was by a "dark horse," Nather, of the Army, who established a record of 19 min. 46 1-5 sec. in the two-mile run. Nather cut 6 2-5 seconds off the old record, which was held by N. Sanders.

Not as Close

The mile run did not prove to be as close as many of the fans had figured. Burton Hooper, running for the Outrigger club, set the pace the entire distance and then finished with a sprint that gave him a good lead over Castanha, St. Louis college star running under the colors of Palama.

Castanha let Hooper set the pace the entire distance, evidently relying on a strong sprint to nose the Outrigger runner out at the tape. Hooper surprised the fans by coming through with a sprint that was much stronger than Castanha's and he hit the tape well ahead of his closest rival.

Star Sprinter

Jackson Scholz, national sprint star, easily defeated the locals in the 100 and 220 events, although his time in the 100 was given as 10 seconds flat. Scholz was clocked by three timers at 9 4-5 sec. in the century, but two other timers caught him at 10 flat.

In the 220 event Scholz finished three yards ahead of Hair, University of Hawaii sprinter. In that event Scholz was clocked at 22 sec. As Scholz was not allowed points, the second man in each of the sprint events was given the first place points, etc. This gave the Deans four places in the 220 and first and second in the century.

No Record

Kahler was expected to set a new mark in the discus, but was unable to beat his own mark of 134 ft. 3 in. set at the Rainbow Relay Carnival a week ago. He was given three throws in an effort to break the record, but his best toss was 132 ft. He had to throw against a strong wind.

De Mello also failed in an effort to break his own record of 44 ft. 11 in. in the shotput, his best throw being 44 ft. 9 in.

Great Race

The 880-yard run was a great race. Kahoiwai had a comfortable lead when he started down the home stretch of 100 yards. Medeiros proved stronger than the Kam star in the final sprint and cut down the lead, but was unable to pass Kahoiwai, the latter finishing a few feet in the lead.

The Deans had hard luck in the 220 hurdles. Eddie Fernandez was going strong and it looked as though he would beat Melim out in the final sprint. But the Dean athlete tripped on the next to the last hurdle, falling to his knees. He regained his feet and finished fourth, Melim winning the race in 26 1-5 sec.

Deserves Credit

Capt. Lehman and his Army athletes deserve much credit for the showing made by them in both the A. A. U. meet and the Rainbow Relay Carnival. The Army team led Saturday early in the day, winning places in many events.

This was the first time in years that the army has been represented by a complete team and the showing made by them should be remembered by dopesters next year.

This season the Army athletes started training late, but despite this fact they collected 34 points in the meet Saturday, only two points behind the Outrigger team.

style and Otto Klum, chairman of the track committee, and other officials who had charge of the meet are to be commended for their work.

Special Events

Several special events for girls were included on the program. Eleanor Wong set up a new island record for the 60-yard dash, covering the distance in 7 4-5 sec.
