## WILL FEATURE BEST IN HAWAII

**T**HE best athletes in Hawaii will be featured in the finals on Saturday. The hurdles will produce two outstanding speedsters; the high jump will bring together Luis, Carter and Gannon, among others; the pole vault will see Gartley, who is in real form this year; McGuire. Cooke, Correia, Harvey and several other stars, and the field events will be given class by Wriston, Lehman, Gomes, Wise, Cruickshank and others.

The relays, the main bone of contention Saturday, should be hard fought, with the honors being well divided. The four-mile should see a record fall, for either Outrigger or Palama is capable of turning in times faster than the present mark held by Kamehameha.

Look over the program and then don't miss the carnival.
