

All praise to the Hawaiian A. A. U. officials for the nifty track meet staged at Kamehameha field last week.. It seems a pity that the local fans did not turn out in numbers for the meet Saturday could not ask for better handling, better competition and better results.

There were not only plenty of new records made but the competition between the Outriggers, University of Hawaii and Palama was close all the way and as a matter of fact was not decided until the final event when a record had to be broken before the surfers won out.

The showing of some of the athletes well warrants the Hawaiian A. A. U. seriously considering the project of sending them to the national A. A. U. track and field championships in San Francisco in July.

One of the surprises was Bernard Farden who equalled the island record for the 100 by doing nine-four. In the distance events men like Burton Hooper and ("Nurmi") Sanders well deserve a chance. Johnny Morse, Eddie Fernandez, Teddy Hair, Willie Wise, the Cruickshank brothers, Herman Clark, Milton Carter, Dick Gartley and several others should also go to the coast meet.
