

OUTRIGGERS TO START AFTER TRACK HONORS; TO ENTER BOTH MEETS

Beach Club Collects Star Performers and Will Compete in Rainbow and A.A.U. Affairs
This Season

IT WAS announced last night that the Outrigger Canoe club will enter a track team in the Rainbow Relay carnival and the A. A. U. track and field meet, following the decision of the Punahou track team to participate for the beach club. There has been little talk this year of an Outrigger team entering the big meets, but since the Pun stars have decided to stick to the beach club it is a certainty that the Outrigger colors will again see service in the A.A.U. meet.

Burton Hooper, star distance man from the Pacific coast, will join the beach club ranks and run with the Pun athletes. John Watt, hurdler, who performed for Cornell, has also announced that he will attempt a comeback on the cinders. Dick Gartley, pole vaulter and Carter, high jumper, are also slated to wear the Outrigger colors. Harold Harvey, Wayson Williams and Ralph Ault will also be on hand.

Among the Punahou runners who will perform for the Outrigger club are: Bill Jones, Bernard Farden, Al Giles, Ray Melim, Charlie Cooke, Herbert DeVerill, Al Lemes, Napihaa, Mel Peterson, "Kammy" Ross, Gannon, Norman Ault, Walters Fernandez, Lloyd Smith, Danford and N. Davis.

Jack Slade will probably take over the coaching duties for the Outrigger squad. Entry blanks will be filled out this week for the Rainbow Relay Carnival.
