OUTRIGGER CLUB IS STACKED WITH STARS

The Outrigger club has a large group of track stars to pick from this year in selecting a track team. Bill Inman had been appointed again this year to coach the team and expects to duplicate last year's feat, when under his guidance the Outrigger team had one of the finest aggregations of track men ever seen on the islands and copped the championship.

The first get-together meeting of the track men was held yesterday afternoon at Alexander field.
