

WAIKIKI ATHLETES WIN FIELD AND TRACK MEET

"Flying Fish" Boys Carry Off Honors at the Territorial Fair Games—Herman Clark Breaks Record for Shot Put—Service Men Put up Surprising Good Work

G. Stanley McKenzie's rejuvenated Waikiki Athletic club pulled a big sensation at the A. A. U. track meet at Kapiolani park yesterday afternoon when the young athletes wearing the "flying fish" of that organization walked away with the big end of the score.

The men of the winged "W" covered themselves with glory at every stage of the proceedings garnering a total of 62 points. The Outrigger club came second with 49 daubers, the other

clubs and organizations being way back in the ruck.

But one record fell yesterday, Herman Clark, erstwhile of Kamehameha and now of the Waikikis, heaving the 16-pound shot 40 ft. 7 in. and smashing the former mark set by Carolinus of the 25th Infantry in 1918.

Many experts figured that "Buck" Aarona would shatter John Watt's low hurdle time, but the Cornell star's record wasn't even threatened. At that Aarona might have traveled some faster if he had had a little competition.

The work of the service men was a great surprise and somewhat of a disappointment, but five points being amassed by the four organizations represented.

Take it all in all it was a big day for the school boy athletes, about nine-tenths of the points being collected by present or former interscholastic stars.

The premier honors of the day went to Kan Leong of the Waikiki club and young Crozier of the Outrigger, with the former the big star of the meet. First places in the century and broad jump went to this lad and he also ran on the winning relay team and collected a fourth place in the high jump. Crozier romped away with the half-mile and 440 in easy style and was in beautiful form.

Lindley of the Outriggers tried valiantly to smash his own record in the high jump, but fell short by three-quarters of an inch. In this event Sam Hipa, a protege of Ben Clark and a product of Palama Settlement, came second with a leap of 5 ft. 8 in., which is some record for a lad still in grammar school.

The time in the running events was not up to former performances, but when the weather conditions and the poor shape of the track are taken into consideration the athletes did very well.

BRAINS BEHIND THE BIG BOUT

TEX
RICKARD

AD
THATCHER

CORNELL
SCHREIBER

FRANK
FLOURNOY

First, of course, comes Tex Rickard in the promotion of the big July bout between Jess Willard and Jack Dempsey. Closely associated with him is Frank Flournoy of Memphis. But Ad Thatcher, president and matchmaker of the Toledo Athletic club, which was granted the permit for the show, is officially the promoter. He will be on the job with Rickard and Flournoy helping to smooth out the wrinkles
