

SOCCER MEN PREPARE TO MEET TODAY

Rangers-Palama; Ma- rine-Outrigger Game on Program

THE Rangers and Outriggers are vitally concerned in today's soccer scraps at Makiki Field, for on the outcome of the game depends whether or not the Rangers absolutely move in on the title of the local league or whether a tie between them and the Outriggers will again be in existence.

Rangers play Palama today at 1:30 o'clock while the Outrigger club tackles the Marines in the second game of the doubleheader. The wearers of the zebra shirts, by the way, are anything but cocky over the game today. Palama has been warping into fine form of late and stands a chance of slipping one over the oldtimers.

As one Ranger player said the other day, the Palams have youth and punch to counteract their comparative inexperience at the game. The majority of the Rangers are veterans, but they're not up to so much in the way of condition and endurance. It will be a contest between canniness and strength.

The Marines have likewise been going well, although this is the first time that a gyrene outfit has been represented in soccer here. Rangers, if they lose today and Outriggers win, will once more be in a tie for first place in soccer.

A large crowd will probably be out today as soccer has drawn much interest in Honolulu this season.
