

# SOCCER MATCHES AT PEARL HARBOR

## Double Bill to Be Moved From Makiki to Naval Station Saturday

In order to give the sailors and the marines a chance to see soccer as it should be played the Honolulu Soccer association will stage its regular weekend series of games at Pearl Harbor this coming Saturday instead of Makiki field. The announcement was made this morning by the officials of the association.

There has been a nose-tilted attitude on the part of some of the athletes down in Pearl Harbor as to this game of soccer and so the association has heeded the request of the Marines soccer players for a game at the harbor.

The Rangers will play the Marines in the first game at 2:30 o'clock and the Palamas and Outriggers will follow as soon as the first game is concluded.
