

RANGERS WIN AS DO OUTRIGGERS IN SOCCER SETS

Two Games Played Saturday
at Makiki With Favored
Teams Coming in First

On a wet and sloppy pitch the Honolulu Soccer association staged a doubleheader Saturday at Makiki field when the Rangers beat the Marines 4 to 0 and the Outriggers beat Palamas 4 to 1.

The condition of the field made good soccer impossible but threw a lot of hazards into the sport which are ordinarily absent. The Marines put up a good game against the Rangers in spite of the fact that the others were favored heavily to win. The Palamas also did well against the Outriggers.

Rodrigues and Makalena were the stars for the Rangers in the game against the Marines, while the Judd boys shone well for the Outriggers. Julien Judd scored two goals, Francis scored one and Parker scored one.
