

# Soccer Teams Play Despite Mud and Rain

Rain holds no horror for the local soccer fraternity. These hardy bog trotters turned out yesterday and staged two games on a slithery pitch at Makiki field. By the time the second game was on the lot was so churned up that the ball would stick in the water and overrunning was a common occurrence.

Outriggers won the first game of the day from Palama by a score of 4 to 1. Esmond Parker, as he did last week, scored the first goal for the surfers on a kick from corner. Julian Judd scored the next one and Francis Judd the next. A little later the first named Judd got in his deadly work and scored another one.

Palama, though beaten, showed marked improvement over its last performance in soccer, and will in a couple of weeks be a strong contender. Rain made the game a slow and arduous one.

## Marines Shine

Another team that grabbed off much glory in defeat was the Marine combination from Pearl Harbor. The Gyrenes lost to the Rangers, 4-0, but made things hum all the way. Makalena scored two goals and Rodrigues two for the Rangers. The Marines showed a hundred percent improvement over last week's form and in a week or so will be able, according to local fans, to trim the Pals in spite of the team's improvement. There was no score in the first quarter of the game, but after that the greater experience of the Rangers told.
