

# OUTRIGGERS BEAT RANGERS BY ONE

## Close Game Recorded When Two Strong Soccer Teams Come Together

The Honolulu Soccer association opened its season Saturday afternoon at Makiki field when the Outrigger Canoe club eleven, last year's champions, defeated the Rangers team by a score of one goal to nil.

William Martin was the man who put in the lone goal that won the game for the Outriggers but the big star on the winning team was Julian Judd, whose playing was of a high caliber. The work of Bill Paty in goal for the Outriggers stood out. Hall Doble and O. Mayall played a fine defensive game and Parker and Chillingworth were right up to the mark. Parker and Jack Rosemond entered the game in the second half.

For the losing team Philpotts, Simpson and Cooper were the outstanding stars.

This was the first game played under the new system of allowing substitutions. The Outriggers used 15 men while the others used 14 men. Substitutions were allowed between quarters, the playing time being divided into four periods instead of two halves.
