

SOCCER CHAMPIONSHIP WON BY OUTRIGGERS

The Outrigger Canoe club won the championship of the Honolulu Soccer association Saturday by defeating the Healanis 3 to 1. Healanis played a man short and the Outriggers proceeded to run rings around them. The winner's forwards were in fine form, Matthias scoring in the first 10 minutes. After some clever short passing Andrews headed in from a corner, and before the whistle blew for half time Rosemond shot a third goal.

On resuming the Healanis played a one-man back game, and the side showed great improvement. They pressed in great style and the Outriggers conceded several corners.

About a quarter of an hour from the finish Martin crossed to Kinnear, who scored what proved to be the last goal of the match.

It is understood that both the Palamas and National Guard have withdrawn from the league, so that irrespective of the outcome of the next two games the Outriggers are champions for 1921.

Outriggers —Chillingworth, Mayall, Bailey, Patey, Parker, Davis, Matthais, Rosemond, Andrews, Wilson, Walker.

Healanis—Lewis, Jamison, Rattrey, Hollinger, Kapakui, Kinnear, McKinlay, Low, Greig, Martin.

Second Game

The second game between the Rangers and Schofield was a hotly contested match, the teams being very even.

The arrangement was that the teams play for four points, and both sides put forth every effort to gain them.

Just at half time Schofield scored from a corner kick but the point was disallowed as the whistle blew while the ball was still in the air.

In the second half the soldiers showed better combination and scored from a scrimmage in front of goal. Clark had no chance to save and the game ended in a win for Schofield by one goal to none.
