

# THIRTY-FIFTH BEATS OUTRIGGER CAGEMEN

SCHOFIELD BARRACKS, T. H., Feb. 23.—In a furious contest in which accurate passing and long distance shooting figured prominently, the 35th Infantry quintet defeated the Outriggers of Honolulu, 29 to 23, before a capacity crowd of service people here tonight. It marked the first invasion of a city basketball team in the post.

Little scoring was done in the first two periods because of the five-man defense used by both aggregations. The locals were the first to score and were leading at the end of each quarter.

Sheehy, Jones and Heffner played a brilliant style of the game for the locals, while Bivens and Nolan upheld that honor for the visitors.
