THE Dragons and the Surfriders were the ones who profited by the night's basket ball contests in the H. B. L. schedule at the Armory last night.

The A. C. A. team defeated the Luke Fielders 48 to 25 while the Outrigger Club team walloped the Marines 49 to 15 in the second session of the evening.

The Lukes showed marked improvement over recent performances and give promise of fast games to come. Their chief trouble seemed to be in the way of an inability to find the basket when good work on the floor brought them the opportunity.

Outrigger, in the second game, outplayed the Marines throughout the game although the score is no just indication of the brand of battle put up by the devil-dogs. Woloch, of the Marines, seemed to be best able for that team to find the hoop regularly, but was covered in splendid style by the surfers. Nolan, of the Outriggers, rang the gong an even dozen times as a result of excellent feeding and teamwork by the beach gang.

The attendance was good, and indicated an ever increasing interest in the game here.
