

Hilo Will Have A Series With Local Basket Ball Team

The Hilo basketball league has accepted the offer of the Outrigger basketball team for a series of games in Hilo, and have arranged for transportation and accommodations for the local men, according to a letter received by Piercy Nottage yesterday from Walter Allen of the Hilo club.

The series will probably be three games, January 12, 13 and 14.

Negotiations have also been commenced between the Oregon men here now and the Hiloites to see if it is not possible to send over an Oregon basketball team during the first week in January, the team to be made up of members of the Oregon football squad.
