
BUTTES WANT TO GO INTO 135-POUND SET

Application for entry into the 135 pound basketball league has been received from the Buttes team. The Braves juniors made application a few days ago. This makes six teams with the Palamas, A. C. A., Outrigger and University of Hawaii being the other four.

The schedule is being revamped in order to make room for the new teams. First games will take place at Palama gym on February 3.
