USAV National Team Welcomed at OCC

On the evening of July 23, 2018, the Volleyball Committee hosted the USA Men's National Volleyball team to a stew and rice, meet and greet dinner in the Koa Lanai.

Members of the USA Team sat and socialized with Outrigger members in a very informal setting. The USA Team was in town for a week of training at Punahou and Iolani. The week ended with intra-squad scrimmages at Kamehameha and Kalani.

The dinner was especially meaningful to the Club as the team included five Club members - Olympians Micah Christenson, Kawika Shoji and Erik Shoji and younger members Micah Ma'a and Larry "Tui" Tuileta.

Highlights of the evening included comments from Head Coach John Speraw as well as a question and answer session with all five local players.

What was more impressive than the incredible volleyball skills of our five Club members was what fine individuals they have turned out to be. They are great representatives of the Outrigger on the international stage and we wish them all the best!

General Manager's Corner

By David Robinson, CCM

It has been a busy summer at your Club and we are working hard on planning and preparation for a busy fall season. Most particularly, I wanted to update you on the latest improvements to our food and beverage program.

New Head Chef

To begin with, I am pleased to announce that our Interim Executive Chef Mark Gedeon has accepted the role of Executive Chef. Mark has been leading the kitchen team over the last few months, and we have witnessed many exciting changes and improvements as a result.

We are fully staffed and have a kitchen management team that combined, has over 100 years of service in the culinary industry. Chef Mark started with us in early 2017 and his experience includes the likes of The Pacific Club, Tiki's Bar and Grill, and Roy's Hawaii Kai and Roy's Waikiki. Congratulations Chef Mark!

Sushi Chef
Eiji Suda

Sushi Chef

One exciting change that Chef Mark has brought is the addition of our own Sushi Chef Eiji Suda. Chef Suda has 30 years of sushi experience in well-known restaurants from Japan to New York City to Hawaii; most recently working for Chef Morimoto, the Iron Chef!

He brings his skills and experience to provide traditional sushi favorites while developing creative presentations to dishes such as sashimi and poke. We have also been featuring him on the floor, hand crafting sushi favorites to members, under the spot light! He is also available to provide hand crafted sushi for private events, as opposed to hiring an outside source to do so.

Head Chef
Mark Gedeon

New Menu Choices

In addition, Chef Mark has been able to secure the services of a specialized fishmonger, who caters to our needs with daily deliveries. OCC is one of a handful of high-end restaurants that buy from this purveyor, and we just happen to be his best customer of snapper on the Island.

While speaking of seafood, the culinary team has been ramping up some of the entrée seafood items, particular the addition of Chinese-style steamed fish, which is a mouth-watering version of the Cantonese steamed fish, which used to be on the Club's menu. We are pleased with the variety of seafood we've been able to secure from our vendors, and pleased to provide the freshness and quality to our members.

On the Mauka side, the team has also been offering "shareable" dinners for two. For example, one offering is a 32-ounce porterhouse steak, which is the best of both worlds as it is made up of the tenderloin filet and New York strip steak, served with

potatoes and vegetables, all on one family style platter. This has been a popular feature, and the steak is mouthwatering delicious.

Food and Beverage Director Chad Yang and the team have also upgraded our Sunday brunch offerings, most notably featuring in-house prepared baked goods (thanks to our talented pastry chef Tiffany) and more healthy alternatives such as turkey sausage in addition to traditional pork fare.

We also have vegetarian and gluten-free options on both the lunch and dinner menus, well-marked, which takes the guessing out of ordering. Also, keep in mind that any items on the Koa Lanai menu are available in the Hau Terrace, just ask your server!

We had another Steak Fry last month, which was well attended and favorably accepted. Members were having fun cooking their own steaks, while many preferred that we did the cooking...which is fine! We plan to add a couple more Steak Fry's to the schedule next summer, and welcome that event back as a Club tradition.

Locker Room Renovation

We are on track with the locker room renovation project, and looking to start construction at the end of this month. The Men's Locker Room will be completely closed during the project, while wahine will have access to their locker room throughout the duration of the project. We will post notices prior to demolition, informing you when to vacate your lockers.

The Junior Boys locker room will be open and available for use, during the entire duration of the renovation.

Until next time...mahalo and see you around the Club

Share Your Memories

The Historical Committee is asking members for their best recollections of OCC... your favorite moments over the years of this special place of ours where good fellowship and Aloha prevail.

These assembled mementos of joy and laughter, good times and good friends and treasured moments together here are being collected for a Time Capsule - to be shared with those who follow us when it is opened in 2056.

Be generous with your memories. More than one are welcome. Pictures, too.

You can email your memories to occmag@aol.com or drop them off at the Front Desk for the Historical Committee.

The Time Capsule will be closed on October 31 so don't delay. Your children, grandchildren and even great grandchildren will enjoy reading about your OCC memories in the future.

Snack Shop Revisited

By Dustin Sellers, *President*

With the Locker Room project and the Lobby ceiling replacement slated for the fall, planning efforts have shifted to the “re-imagining” of the Snack Shop. An ad hoc committee of industry experts has been assembled and has already met a number of times.

The goal is to design a future Snack Shop that enhances the member experience with enhanced menu options (pre-made salads and wraps, etc.), higher order frequency at peak time and more working space for our amazing Snack Shop staff.

Already the team has come up with a host of updated layouts and materials that are in keeping with the Club’s ambiance but take better advantage of the space. Expect a membership survey in the coming months that includes a host of options that will seek member preference based on a short-list of concepts.

The goal is to have a full Snack Shop revamp before summer of 2019.

Concierge Services

We understand that you are accustomed to the very best. We remove stress from our clients’ lives to make the often-complicated process of selling or buying a home as easy as possible.

We go beyond the normal boundaries of service and connect clients with relocation services and access to members-only organizations, as well as vetted vendors to ease the process of moving into or out of your home.

We assist with everything from pre-closing services such as title insurance, to painting and utility setup. We go the extra mile to help each one of our clients have the most positive, stress free experience when going through the home buying and selling process.

Please call us for advice regarding luxury real estate sales island wide, property management, concierge services, and 1031 tax-deferred exchanges.

As the Terrace Turns

Walter Guild, Brant Ackerman, Al Serafin and Robert Linn's summer road trip adventure began with a six day motorcycle ride exploring beautiful Northern California. Walter planned the route using GPS, satellite photos, and maps for the most challenging and scenic variety of riding conditions.

BMW motorcycles were arranged from a specialty shop in the heart of San Francisco called Dubbelju owned by a motorcycle enthusiast and friend named Wolfgang.

"The start of our trip took us over the Golden Gate Bridge north through Point Reyes, and Bodega Bay towards Mendocino," said Linn. "We explored the famed avenue of the giants featuring old growth Redwoods and Sequoias, some over 2500 years old. The paved itinerary featured spectacular coastline riding with world class "twisties" or curved roads. We witnessed the majesty of Mt. Shasta and the rest of the Shasta-Trinity National Forest.

"On our way back to San Francisco we rode around various lakes and through the vineyards of Sonoma and Napa counties. After riding some 300 miles per day we peeled ourselves off our motorcycles and took shelter at the four seasons of motorcycle adventure hotels, the Best Western.

"The highlights of the trip were long days on the beautifully paved roads, no cell phones, no television, no distractions, and a mix of temperatures from hot days inland to freezing days in the mountains. We are all looking forward to another well planned road trip in 2019 in another exciting destination."

Members are invited to submit items for this column. Send items to occmag@aol.com or leave at the Front Desk. Items received by August 25 will appear in the October magazine. Items received after August 25 will appear in the November magazine. Be sure to include your name and phone number in case additional information is needed.

Julia Fiedler Kannberg got her doctorate in oceanography from Scripps Institute. With Julia are her husband Peter Kannberg and her twins, Sebastian and Ingrid. Scripps Pier is in the background.

RECIPROCAL CLUB REVIEW

Review #72 Features The Balboa Yacht Club, Corona del Mar, California

By Valerie Davis

Balboa Yacht Club (BYC) is the newest addition to our prestigious list of Reciprocal Clubs. BYC sits on Bayside Drive, overlooking beautiful Newport Harbor in Corona del Mar, the seaside neighborhood of Newport Beach.

Of interest to OCC members is that our General Manager David Robinson, left BYC after almost nine years of service, to come to us.

BYC started as the Southland Sailing Club in 1922 by a group of sailors wanting an active organization with an emphasis on family sailing and social comraderie. It started in a small structure on Balboa Peninsula, and soon became known as Balboa Yacht Club. In 1926 the Club moved to a new location on Balboa Island close to where the clubhouse is today.

A plaque was donated by the first Commodore which stated the Club's motto "A pound of pluck is worth a ton of luck". It still hangs today over the fireplace in the present Club's dining room. In 1935 dredging of Newport Harbor began and a year later the current harbor was opened, giving BYC a prime location near the harbor entrance.

In 1957 BYC signed a lease with the Catalina Island Company, giving them another location at Whites Cove on Catalina Island, just west of Avalon. Thanks to members' untold hours of work to create a wonderful facility, this location is now a treasured getaway site for members to enjoy.

The clubhouse and facilities on Bayside Drive have evolved over the years to meet the changing needs of the membership, and to provide a comfortable environment for a wide variety of social activities and family pursuits. It welcomes yachtsmen and women involved in ocean sports from all over the world.

BYC has a proud history of hosting world class sailing events, specifically the annual "Governor's Cup", the oldest international youth match racing event in the world. Ronald Reagan, while Governor of California, granted the original deed of gift to the club in 1967, and since then has included future champions in collegiate racing events, Olympics, Congressional Cup and America's Cup. In fact, the Governor's Cup is known worldwide as "the America's Cup for youth".

You do not need to own a yacht, though some OCC members do, to come and enjoy the beautiful sunsets from the Burgee Bar, and the excellent cuisine and views over the harbor from the club's Dining Room. Their hours of operation are Breakfast: Saturday and Sunday 8 a.m.-Noon (omelet bar Sundays until 1:30 p.m.); Lunch: Wednesday-Friday 11:30 a.m.-2:30 p.m. and Saturday-Sunday from noon-2:30 p.m.; Dinner: Wednesday-Saturday 5:30-9 p.m, Sunday 5:30-8 p.m.

Taco Tuesdays and post race BBQ's on Wednesday and Thursday during the summer. The Burgee Bar is open Wednesday-Thursday-Sunday 11:30 a.m.-10 p.m. and until 11 p.m. on Saturday.

Dress code states no hats on gentlemen in the dining room. Reyn Spooner type shirts and nice slacks/shorts are fine. Credit cards and cash are accepted for payment - but 4% is added on to credit cards. There is wi-fi throughout the Clubhouse and marina. Plus no cell phone usage (talking) allowed inside the Club.

BYC gives our OCC members who visit Southern California another option to enjoy a waterside venue for a relaxing drink or meal and visit with friends. Our members enjoy a similar relationship with the St. Francis Yacht Club in San Francisco, San Diego Yacht Club, and Long Beach Yacht Club, just to name a few.

If you're going for a visit, please contact the Executive Office and they will forward a letter of introduction for you. Feel free to ask David for more information or recommendations of other clubs and places to visit in the area.

If you are looking for a place to stay while in Orange County, OCC

Balboa Yacht Club

members also enjoy reciprocity at the other "Balboa Club"...The Balboa Bay Club and Resort, which is just down the street from BYC, and has luxurious overnight accommodations.

Please take advantage of this club and our other reciprocals. We have an excellent list of clubs for your usage. Whether you're on vacation or a business trip, these clubs can offer you a vast array of services and conveniences.

Many members say "I always forget about using them". But they give you the opportunity to impress a business associate, or friend, by taking them to a club that maybe they don't always get to visit. They're also useful for business meetings and other functions, such as family gatherings, parties, and even weddings. Next time you travel please remember this opportunity that is available to OCC members.

2018 Cline Mann Paddleboard/SUP Race

By Kalani Schrader

The annual Cline Mann Paddleboard/SUP Race sponsored by Outrigger Canoe Club was held on July 14 under sunny skies and moderate 15-18 knot easterly winds. Cline Mann who passed away in 1996 was one of OCC's most avid ocean sports enthusiasts noted for his contributions to ocean sports and the revival of competitive paddleboard racing in Hawaii.

Many long-time Club members and friends were fortunate to spend time with Cline on the Hau Terrace while enjoying a cold Budweiser and watching the surf and afternoon sunsets.

Consisting of both a 17-mile long course from Makai Pier to OCC and a 9-mile short course originating at Maunalua Bay, the race has become known as the warm up to the Moloka'i World Championship held later in the month and always attracts a competitive field of local and international paddleboarders and SUP entries.

This year 60 competitors would battle it out for bragging rights and to get their names on one of the prized divisional OCC trophies.

After the safety meeting and traditional pule, the long course competitors hit the water at 10 a.m. Gathered at Makai Pier and anticipating the last drop of the traditional emptying of the Budweiser signaling the start of the race was a mix of legends of the sport as well as the young men and women that are the future of the sport.

Favorable trades, tide and a moderate wind swell greeted competitors as they left Makai Pier and headed around the pali o Makapu'u. First to OCC beach and blitzing the field in the premier unlimited paddleboard division with a time of 2:29:38 was 18-year-old Matt Delahunty from Australia followed by veterans Jackson English, Mick Di Betta and Chris Owens.

Rising stars and OCC's own Hunter Pflueger and Trey Balding were the top two finishers in the stock paddleboard division. As friendly rivalries tend to bring out the best in competitors, it looks like these two young men have a bright future as they continue to challenge and push each other to excellence.

Hunter flew the 17-mile course on his stock paddleboard with an eye-opening time of 2:37:08 which garnered him third overall and first in his division. Colleen Tessler won the stock wahine division with a time of 3:19:15.

The short course competition was thick as paddlers battled it out during a typical Hawaii Kai run much to the liking of the SUP, paddleboard and junior paddleboard entrants.

First to finish overall was Travis Grant using an unlimited SUP with a time of 1:08:23. Christian Bradley won the stock paddleboard division with a time of 1:28:12. The prestigious Junior trophy went to Hobey Moss, another OCC homegrown kid with a time of 1:29:33. It was great to see the level of competitiveness and participation with the junior racers as their efforts would have made Cline proud.

At the completion of the race, all competitors were treated to a traditional Kanikapila, buffet lunch, cold drinks, prizes and the "E Komo Mai" hospitality our Club is known for.

On behalf of the Paddleboard Committee, mahalo to all competitors, sponsors, OCC Beach Services, catering and management staff, Peter Balding Jr. and Dolan Eversole for keeping this event on track. Special Mahalo to Manny Kulukulualani and his team at PA'A for the registration and timing for the event.

Until next year, a hui hou!

Top male and female finishers Matt Delahunty and Colleen Tessler.

Juniors racing were Kaimana Gentry-Balding, Hobey Moss, Isaac Blake, Jack Mauer, Izzy Ady, Max Pflueger, Jonah Johnson.

Hunter Pflueger was third overall and first in the stock division 18-39.

Outrigger Paddlers Step It UP in 2018

By Art Mallett

What an incredible paddling season we had this summer! The Club was humming for the past few months. After a few years of mixed regatta results, Outrigger re-established itself as a top competitor come Sundays.

We finished in second place in five of the seven regattas leading up to States August 4, including Oahu Championships. Of course, we won the Macfarlane, on a very memorable and exciting 4th of July, which was certainly a highlight and a great taste of what we hope to see in the years to come!

There are so many people who make summer's paddling for Outrigger such a special time. We have an army of volunteers, parents and coaches (many of whom are both), be sure to let them know they are appreciated.

There are a few people that deserve an extra special thank you. Alice Lunt, who is our OHCRA representative, does an incredible job as our liaison and her efforts often go unseen, but they are certainly not unnoticed.

Paula Crabb who is a pillar of our paddling program, spends hours strategizing and making sure our crews are in the best position to succeed come race day.

Liz Perry, was honored with the I Ali'i Award this year at the John D. Kaupiko Regatta, for the Club member who is the "Chosen Leader" as King Kamehameha was not first in line by blood to be King, but was chosen by the people, and there is no one more deserving.

Her contributions to the Outrigger Canoe Club and our paddling success are endless and her ability to mold new paddlers into strong competitors (Novice B Men and Women are State Champions!) but most importantly valuable members of our community is awe inspiring.

Finally, the ultimate thanks goes to Siana Hunt. Registration is an impossible task that requires countless hours and an infinite amount of phone calls to simply get us to race day. Then there's the actual race day, which never goes as planned. Her amazing attitude and positive energy permeated through the tent and was an inspiration to anyone who saw her (knee brace and all).

Regatta season ends with a massive competition at the HCRA Championships with a fair like atmosphere where our crews get to line up against the best of the best from the entire state. It can be humbling and exhilarating. The fireworks started early as the Novice B women won what was one of the closest races in recent history within the four top boats all finishing with one second of each other.

Outrigger got its second State champion soon after when the Novice B men strolled to a convincing first place finish. The Boys 15s and 16s followed suit with wins of their own.

Our open women, who have been incredible all year long, capped off the season with State Champions in the Freshman and Senior races (they also got third in World Sprints in Tahiti).

The Masters contributed wins in the women's 60s and 50s, continuing a long tradition of excellence.

Overall we finished with eight Golds (noted above), five Silvers in Boys 13s, Novice A women, Sophomore Women, Sophomore Men, and Senior Men, and three Bronzes in Girls 16, Junior Men, and Open 4 Men.

In the end every race contributed to our third place overall finish in the AAAA division in the State Championships! Congratulations to everyone who participated this summer. It is truly a group effort and everyone played an important role.

Now onto Distance Season!

Junior Paddlers Have Great Season

By Andrew Glatzel

The 2018 regatta season was a fun filled summer for all the Junior 'Riggers. Thanks to a mild summer of surf the paddlers spent most if not all their time practicing at the Club. They participated in various disciplines with canoe paddling, paddle boarding, swimming, beach and land based workouts. The kids were all smiles!

Both the Junior women and Junior men turned in impressive wins throughout the regatta season. Nearly every crew won a Gold medal at some time during the season.

As always, it's a challenge for coaches to field crews when your paddlers are gone on vacation throughout the summer. Many of the kids found themselves paddling in older age groups to fill seats and help crews qualify for the State championships.

As summer ends and our Junior paddlers are back to school, many will be focusing on the journey to paddle in the distance and Molokai races. We look forward to great things from the Juniors in the Na Wahine O Ke Kai and the Molokai Hoe!

Boys 15 won the Club's first Gold Medal at States: Jack Maurer, Evan Lee, Hobie Moss, Izzy Ady, Max Pflueger, Coach Alan Pflueger, James Morris.

The Boys 16s were also Gold Medalists: Adam Krivatsy, Punia Pale, Aukina Hunt, Kaimana Drago, Parker Murray, Vinny Ako.

Finishing in third place for a Bronze Medal were the Girls 16s: Madi Williams, Mimi Moody, Makana Shipman, Dillyn Lietzke, Coach Andrew Glatzel, Hayden Brown, Tasia Gentry-Balding.

This Contemporary home on Diamond Head beachside features striking architectural detail in a tropical setting, a panoramic ocean view, and is just steps to the fabulous sandy beach and Cromwell's surfing spot. Main level is comprised of a soaring entry, the living room, dining, gourmet kitchen, office and a guest bedroom suite. The upper level boasts a Master Suite and deck to capture the ocean views! The lower level Family Room, second Master Suite and large guest room, open to the impressive tiled pool, covered lanai, and BBQ area. Waikiki, restaurants, shops, and parks are nearby. Enjoy the sandy beach and water sports. A fabulous home in the best location!

OCC Photo Contest Is Nearly Here

By Mary Caywood

The Outrigger Canoe Club's annual Photo Contest, sponsored by the Member Relations Committee for Club members and their immediate families will be open October 8-31. Contest rules and the required entry form for each photo will be available at the Front Desk and on OCC's member website on October 1. The October *Outrigger* magazine will give details.

Except for OCC Clubscape, photos may be taken at any location. We encourage members who like to travel to share their unique and interesting photos when they come home.

Participants in the contest may enter up to two photos in each of the following six categories. Any person submitting an entry must have taken the photo, and content of photos must be appropriate for the magazine and Club use.

This year professional photographers will judge the contest.

This year's categories are:

- OCC Clubscape: The place and the people.
- Ocean: In or on the ocean, anywhere.
- Sports & Activities: Club members participating, may include family events.
- Travel: At home and abroad, any location.
- Nature: Flora and fauna, including animals in their native habitat.

Entries must be 8"x10" prints with entry form attached to the back of each, and you must also send a JPEG version to the *Outrigger* magazine at occmag@aol.com. The deadline for both prints and jpgs is 6 p.m. October 31. Photos will be judged on both technical quality and inspiration or feelings shown.

The grand prize photo in this contest will be featured on the cover of the January 2019 *Outrigger* magazine and the photographer will receive an OCC gift card that may be spent anywhere in the Club. Other winners will also be published and prizes awarded. In January, winning photos will be placed in the Display Case at the entrance to the Club.

ON THE COVER: Outrigger Canoe Club hosted the USA Volleyball National Team, including OCC members Kawika Shoji, Erik Shoji, Micah Christianson, Pono Ma'a, and Tui Tuileta, at a dinner at the Club. See story and more photos on page 2-3. Photo by Twain Newhart.

Boys 18 at USAV Junior National Tournament

The Outrigger Boys' 18s team competed in the USA Boy's Junior National Volleyball Tournament from July 2-5 in Phoenix, Arizona. The team competed fiercely in the tournament ending up 15th out of 40 of the best junior teams in the nation.

At the 18 Open level, the heights of players on some of the mainland teams average 6'5" and above. The Outrigger team showed its clear superiority in ball handling and volleyball intelligence against the larger, more physical teams reflecting the talent that teams from the Outrigger always possess.

The tournament was a great way for the senior members of the team to end their club volleyball careers.

The members of the team were Shea Suzumoto, Matthew Saffery, Ethan Wescoatt, Josiah Kaaa, Davis Lau, Cole Hogland, Jon Stanley Jr., Claudio Clini and Jacob Summers.

The team was coached by Alan Lau, Max Clini and Wil Stanley. Many thanks go to the members and the Board of Directors for their support through the years.

Outrigger's Boys 18 competed in the Junior Nationals: Front Row, Jon Stanley Jr., Ethan Wescoatt, Matt Saffery, Shea Suzumoto, Davis Lau, Josiah Kaaa, Jacob Summers. Back: Assistant Coach Wil Stanley, Cole Hogland, Head Coach Alan Lau, Claudio Clini, Assistant Coach Max Clini.

Girls Sand Volleyball Win More Medals

The OCC beach volleyball girls competed hard for 10 days in Hermosa Beach California. A total of 12 girls competed in the Amateur Athletic Union (AAU) National Championships and the Beach Volleyball Clubs of America (BVCA) Club Championships.

In the AAU tournament we had five teams win two rounds of pool play and make it into the gold bracket out of 80+ teams per age division.

Our 15's team of Alyssa Muraoka and Tayli Ikenaga took a Bronze medal, upsetting the number one seed that was made up of two girls committed to USC and then taking down the number 16 seed and the number nine seed. They ultimately lost to the team that won the tournament.

The BVCA tournament is the number one tournament for juniors. There were between 120-160 teams per age division. Again, we had five teams make it into the Gold Bracket after three rounds of pool play- very difficult to do!

Our 14's team of Emi Erickson and Kassidy Chun were able to battle through and take home a fifth place! Our 18's team made up of Kamalani Kekoolani and Kassidy Bates were able to beat two tough teams made up of girls that were committed to Florida State University (number two in the nation) and UCLA (number one in the nation).

It was incredibly successful overall for the Club and for the girls. They got numerous inquiries from college coaches for Division I programs including Stanford, Cal Poly, University of Hawaii etc.

We were really proud of our coaches' collaborative efforts and girl's mental tenacity at these incredible showcase events. Competing in all Gold and one Silver Bracket is huge for any Club let alone our six teams. They were incredible competitors and we are very proud of their success.

Grant Senner competed in a fun race called the Seventy48. It was 70 miles long and you had 48 hours to finish. It had to be a human powered vessel, and of the 114 entries it seemed like there were 100 different vessels, Grant says. The race was from Tacoma to Port Townsend, Washington. He finished in 46th place with a time of 22 hours, that included five hours of paddling the first day, sleeping and eating for seven hours and paddling 10 hours the second day. "It was beautiful, exciting, and challenging," he says. Grant raced in an OC-1.

EMPLOYEE OF THE MONTH Rocky Agustin

By Stephen Riede

Dining Room Attendant Rocky Agustin was chosen Employee of the Month for June. He was previously awarded this honor in December of 2014. Rocky started with the Club in October 2011.

Rocky defines a sense of urgency with his proactive approach to member service. He anticipates situations and works to correct potential problems before they happen. Food and Beverage Director Chad Yang adds: "Rocky is the "ambassador of Aloha". He truly represents OCC at its best. Always willing to help, Rocky goes above and beyond and he is adored by both members and his peers."

Rocky and his wife of 38 years operate a lunch (specializing in breakfast) wagon and a catering business on the side. They have three grown children, all college graduates.

In his limited spare time, Rocky enjoys golfing, stand-up paddleboard, and dining out.

Congratulations Rocky and thank you for your hard work and dedication.

Board Briefs

Board Briefs is taken from the minutes of the meeting of the Board of Directors on July 25, 2018.

Membership Count: The Membership Count was 4,885 as of June 30, 2018.

Admission & Membership: The Board approved Steven Auerbach to serve for the remainder of the committee year.

House Committee: The Board approved the recommendation for a reciprocal agreement with the Kitzbuhel Country Club (Austria).

Historical Committee: The Board approved Kim Heyer to serve for the remainder of the Committee year.

Treasurer: Operating financials for June were well received. Overall net income well ahead of budget for the month, and year-to-date. Food and beverage department in particular is running well ahead of prior year. . . Budget Committee is being organized and will restructure the system on working with committee chairs and staff. First step will be to establish goals and assumptions that the financial part of the budget will build around. Treasurer Foster will be meeting with each of the main committee chairs.

Bylaw Adhoc Committee: The Board approved the recommendation of the committee to adopt the revisions made to the Board Policies and Procedures (attached). One of those revisions will now allow the P and P to be accessible on the Club Website. . . The Board approved with the Committee's recommendation to use the proxy votes in favor of all the proposed Bylaw amendments, at the upcoming Special membership meeting. . . The Board reviewed a letter submitted by Gerry DeBenedetti regarding discussion from the last Town Hall. No action was taken.

ODKF: The Board reviewed ODKF's operating budget and discussed the variances in actual numbers versus prior year.

Operations Report: June was a very good month operationally. . . All costs are in line and our Interim Chef Mark Gedeon is doing a fantastic job running the kitchen, while implementing new systems and procedures. We are fully staffed for the first time in quite a while. . . Labor costs are in line for all departments. . . All departments in line to show the Club well ahead of budget in net income. . . New Assistant General Manager Tyler Roukema starts August 6. He is as excited as we are to get him on board. . . Executive Chef Search is winding down. Should have decision by mid-August. . . Locker Room renovation update: Shop drawings were approved and expect the bid package by July 31. Timing is still on schedule, with con-

struction to begin by late September, and completion tentatively by Thanksgiving. . . Ceiling project is still being finalized. . . Had many successful events in July, including the Macfarlane Regatta (Yeah OCC) / 4th of July Party, which was a success and generating \$3,000 more revenue than last year. . . The Volleyball Committee hosted the USA Men's Volleyball team for an appreciation dinner, which turned out to be a very special event. Our five members on the team were present and recognized.

Building & Grounds Report: Past President Hunt presented an update on the seawall repair project. The Ad Hoc committee will also include B&G representation by Joe Donahue, who will keep the B&G Committee updated on all of the proceedings.

Athletics Report: There was discussion on the current progress of the OKLK program.

House Report: There was a consultant hired to provide some conceptual drawings on improvements to the Snack Shop, which was heavily rated on our last membership survey. An Ad Hoc Committee was formed from members of House and B&G, and we hope to have some budget numbers this fall, for improvements in 2019. We will also need to be sure we include a budget for the next member survey, to be held next year (every three years).
