

# Wise and Clarke Break Marks for the Javelin and Shot Put in Trials

## A.A.U. Championship Prelims Lack Smoothness of Rainbow Carnival; Morse to Get Another Chance Tomorrow

By EZ CRANE

THE trials for the A.A.U. track and field meet were held yesterday at Kamehameha field. That they were held is to the credit of the athletes themselves and not the officials of the A.A.U. All the smoothness and finish of the Rainbow Relay Carnival of a week ago was lacking at the island championship trials yesterday. The first event was over a half hour late in getting under way and officials had to be impressed into service from among the spectators in order that the track events could be run off. Failure to provide standard hurdles four feet in width caused the referee to order a heat of the 120-highs to be re-run tomorrow. All in all, Kamehameha field yesterday was something else again when compared with the orderly efficiency of Otto Klum and his cohorts last week.

### WISE BREAKS JAVELIN MARK

Willie Wise, who lost his javelin record in the Rainbow Carnival, returned to the fold yesterday and heaved for a new island mark of 164 ft., 4 in. Jim Cruickshank, who broke Wise's record last week, placed in the trials, but did not come near his last week's toss of 163 feet even. In fact, outside of Wise's record heave, the marks of the other qualifiers were below the average. O. Dawson, G. Dawson and Richards also qualified.

Breaking records is all in a day's work for Herman Clark for yesterday he added distance to the 16-pound shot record by tossing the iron ball 43 feet 2½ inches which breaks his mark of a week ago by 5¾ inches. Farden, Richards, Kaana and Gomes also placed.

"Cap" Lehman, 27th Infantry weight man won the finals in the hammer throw yesterday from Jim Cruickshank with a mark of 110 feet 1 inch. Frank Kane of the Pal outfit reversed things on "Pump" Searle and took the third place medal after placing fourth last week. Searle grabbed off the fourth position for the University of Hawaii.

### FAST FURLONGS

The 220-yards trials were run in fast time. Bernie Farden, Outrigger, proved that he is far from being a has-been by winning his heat in :22 3-5. Farden was away out in front of Jones and Penhallow and finished pulling up. Then Ted Hair, sensational Varsity sprinter, flashed by in :22 3-5 in the second heat, winning from Tasaka and Herbert Deverill. The times in the two heats predict some beautiful competition in the finals tomorrow. Although Hair and Farden will be favored over the rest of the field, the entire six represent the class of Hawaii's furlong men and the scrap will be a hot one in the finals.

Bernie Farden finished in front of Jones, Penhallow and Chun in the century in :10 1-5. The time is good as it stands but the fact that two watches caught the Outrigger flash at :10 flat and another at a tenth of a second under that mark indicates that the 100-yards semi-finals and finals tomorrow will be run in fast time. Ching won the second heat of the century in :10 1-5 with Searle, Freitas and Tasaka placing in the order named. Hair,

## Angels' Streak of Wins Falls Before Tigers

### Benner Proof Against Southerners' Bat Attack

(By The Associated Press)

LOS ANGELES, April 16.—Vernon's Tigers broke up the Los Angeles winning streak today, when Benner held the Angels to five scattered hits, and won his game, four to nothing. Wright of the Angels was wild and let two tallies in on walks, a wild pitch and a single in the first inning. He went to the shower room in the fifth when two more runs were made off him.

SALT LAKE, April 16.—An old fashioned slugging match, wherein each side was credited with 20 hits, went to the Bees today by the score of 18 to 9. Lazerre clouted out a pair of homers, one of them with the bases loaded. None of Portland's pitching staff proved to be effective.

SACRAMENTO, April 16.—Canfield pitched the Senators to their third straight win during the present series with Seattle today, with a score of five to two. Canfield had just one bad inning, the sixth, when four hits netted the Indians their pair of runs.

OAKLAND, April 16.—The Seals and Oaklanders battled in their usual nip and tuck fashion today, the visitors winning, 5 to 4. Oakland made two runs in the first inning. The Seals retaliated with four in the second. The home team evened things up in the fourth and the Seals managed to shove the winning run across the pan in the fifth.
